The New Episcopal Way:

New Episcopal Way Carl G. Carlozzi, 1989-06 New Episcopal Way Students Book *The New Episcopal Way* Carl G. Carlozzi, 1989-01-01 Companions on the Episcopal Way Stephanie Spellers, Eric H.F. Law, 2018-06-15 The New Church's Teaching series has been one of the most recognizable and useful sets of books in the Episcopal Church. With the launch of the Church's Teachings for a Changing World series, visionary Episcopal thinkers and leaders have teamed up to write a new set of books grounded and thoughtful enough for seminarians and leaders, concise and accessible enough for newcomers, with a host of discussion resources that help readers to dig deep. Eric Law and Stephanie Spellers conclude the series with a dynamic conversation about faith, dialogue, and the generous give and take that makes Episcopal life possible. They interview the series authors and provide summaries of each volume: history, theology, contemporary society, ethics, practice of ministry, Bible, and worship. Then they invite readers to expand the faith conversation with self, with neighbor, with the enemy, and ultimately with God. *The Episcopal Way* Stephanie Spellers, Eric H.F. Law, 2014-08-01 The world is ever changing, and so must the Episcopal Church to remain relevant to its followers. A grounded, necessary book on the Episcopalian faith in the 21st century. In the Church's Teachings for a Changing World series, two visionary Episcopal thinkers and church leaders team up to revitalize the currency, integrity, and scholarship of this series with fresh, new voices and style, concise and clear enough for newcomers, yet grounded and thoughtful enough for seminarians and leaders. In this foundational text for the Church's Teachings for a Changing World, Law and Spellers explore seismic shifts in American life and the opportunities and challenges each presents to the church today. With a winning combination of passion, creativity, and wisdom, the authors call for a return to Episcopal basics and insist that faithfully engaging a changing world might be the most truly Anglican practice of all. This is the book I've been waiting for. The Episcopal way of following Jesus and being Christian may be one of the best kept secrets in the Western world. Finally, someone has taken the light out from under the bushel. Let it shine. The Rt. Rev. Michael B. Curry, Presiding Bishop and Primate of The Episcopal Church **Following the Way of Jesus** Michael B. Curry, 2017-05-01 The new Church's Teaching series has been one of the most recognizable and useful sets of books in the Episcopal Church. With the launch of the Church's Teachings for a Changing World series, visionary Episcopal thinkers and leaders have teamed up to write a new set of books grounded and thoughtful enough for seminarians and leaders, concise and accessible enough for newcomers, with a host of discussion resources that help readers to dig deep. Michael Curry leads off this volume with a clarion call for Episcopalian to join the Jesus Movement. A team of the church's brightest stars follow up with reflections on the practice of ministry in light of the movement: Nora Gallagher on encountering the other, Rob Wright on adaptive leadership, Broderick Greer on reconciliation, Anthony Guillen on new ministries, Megan Castellan on evangelism, and Kellan Day on ministry with young people. Michael Curry closes with a word on making the world whole. Christians have been following Jesus together for some 2000 years; these leaders help to illuminate how we follow him in our time. **The Way of**
