Destiny: Christy's Choice Tamara L Adams, 2016-04-18 She's chasing her future. Fate just gave her two. At nineteen, Christy feels the pressure closing in. Her family's farm is her home, but college life offers her the freedom she's never had. One world is safe and familiar. The other is bold and thrilling. She thought she had time to figure it out until the Guardian of Destiny, mysterious, otherworldly, and dead serious, shows up with a jaw-dropping offer: see both futures. Choose one. Suddenly, Christy's living out two versions of her life, and both are full of heart-pounding romance, late-night temptation, and gut-wrenching choices. One future brings her back to the boy she loves. The other introduces her to a whole new kind of fire. Love, identity, loyalty, and lust collide as Christy stands on the edge of adulthood. Every choice feels permanent. Every kiss unforgettable. And time is running out. Set between the sun-drenched fields of home and the charged energy of a college town, this 23,000-word steamy New Adult romance is perfect for fans of Colleen Hoover and Elle Kennedy. With just a touch of the supernatural and a whole lot of heart, it's a raw emotional journey of love, self-discovery, and second chances. Two lives. Two loves. One heart-wrenching choice. What would you choose: comfort or courage? *Working Mother*, 1994-08 The magazine that helps career moms balance their personal and professional lives. *Good Kids, Tough Choices* Rushworth M. Kidder, 2010-09-27 A practical analysis and inspiring guide for teaching kids ethical fitness. Parents are beginning to realize that deficiencies in ethics and character are becoming a big problem among our nation's children. According to the latest data, lying, cheating, and rampant insensitivity to other people are increasingly common. What can parents do? In this book, ethics expert Rushworth Kidder shows how to customize interventions to a child's age and temperament. He encourages parents not to give up, since what they do can always make a difference, regardless of how long or deep the bad habits of dishonesty may be. Encourages parents to intervene early and re-establish children on the right course. Explores the keys to ethical behavior: honesty, responsibility, respect, fairness, and compassion. All of Kidder's practical advice is based on the latest psychological and neuroscientific research about how kids develop character and learn what's right and wrong. *The MoneySmart Family System* Steve Economides, Annette Economides, 2012-08-20 Is it possible to raise financially responsible kids of any age in a

society filled with consumerism and entitlement New York Times best selling authors Steve and Annette Economides raised their five kids while spending 77 percent less than the USDA predicted And the money they did spend was also used to train their children to become financially independent The MoneySmart Family System will show you how to teach your children to manage money and have a good attitude while they re learning to earn budget and spend wisely Learn how to Get the kids out the door for school with less stress End the battle over clothing forever Teach your children to be grateful and generous Inspire your kids to help with chores as a member of a winning team Prepare your kids for their first paying job Help your kids pay for their own auto insurance and even pay cash for their own cars Employ strategies for debt free college educations Truly help your adult children when they want to move back home Be prepared to deal with your adult children when they ask for bailouts With clear steps for children of every age The MoneySmart Family System proves that it s never too early too late or too hard to start learning financial responsibility Every parent or parent to be should read this book Dr Laura Schlessinger
