Sins Secrets Success:

The Secret Success of Marriage BRANFORD B YEBOAH, 2015-05-18 Prayer has always been a vital part of Christian life. By studying the prayers of men of God in the Scriptures you will begin to understand the concept of prayer. The men whose prayers moved God to act were ordinary men like us. Nevertheless, they knew the power of prayer and its benefits. The prayer these men prayed was not ordinary prayer but intense prayer. People who pray with God have a relationship with Him. If you carefully study Scripture you will notice that the way the prophets prayed reveals how married couples should pray to move God to intervene in their failing marriages. Their prayer demonstrates the principles that can be gleaned and clearly identified and which if applied to marital life can work wonders. When studied, the prayers of these great men who walked with God provide a wealth of insight. The New Testament offers us prayer to which we even better relate. The Gospels centre on key events in the life of Christ including examples of prayer. These examples do not only give us insight into the heart of Christ but also give us key instructions on how to pray. A physiological view of marriage, with observations on the secret sin Robert David Lalor, 1860

The Secret of Success P. Larry Rogers, 2024-01-11 This is my first book in the Secret series. The Secret of Success is the proposition that real peace and happiness result when the whole person has physical, social, financial, and spiritual success. You develop all those qualities to achieve real success. Your whole life is full of mental peace and happiness when your whole person becomes greater than the sum of its parts. Real success is not an accomplishment in just one area but proficiency in all four. Our education system provides instruction for the whole curriculum of life. If you are good at math but cannot speak with proper grammar, your success will be soiled. An entertainer like Elvis Presley may sell two hundred million records and have two hundred million friends but be broke and alone with a drug and spending addiction. The ordinary person focuses on the parts of life they are trying to receive while the successful person focuses on the whole life they are trying to accomplish. The second book in the series is *The Secret of Money Beating Inflation in the 21st Century*. It would be a nice complement to this one. Secret Sins David Russell Davies, 2012-11-15 Sleepy, rustic Carmarthenshire was secretly a hotbed of debauchery, violence, and drunkenness according to Russell Davies in a new edition of his very successful book *Secret Sins*. Behind the facade of idyllic rural life, there was a twilight world of mental illness, suicide, crime, vicious assaults, infanticide, cruelty, and other assorted acts of depravity. This almost anecdotal historical study is often funny, sometimes disturbing, always revealing.
