F. Grey, 2013-10-07 I absolutely love the concept of this book since it allowed me to pen what was in my heart without restrictions Conversations such as these are good therapy for the soul and should be held at least once a month Taking time out to share is important and the way the book is written the characters could be any two or three individuals The book allows you to insert yourself and whomever you choose to have a conversation with At first when the Lord did not provide names of the main characters I could not understand why but when He began to reveal to me that it is done intentionally because it affords the readers the chance to plug in their own name and the names

of friends There is enough time for formality and to me when sharing in this type of setting it removes barriers so you can let your hair down I hope everyone who reads these books is richly blessed by the conversations and are able to share in it with us
