Sites Of Sport Space Place Experience:

Sites of Sport Patricia Anne Vertinsky, John Bale, 2004 This collection uses spatial concepts and examples to examine the nature and development of sporting practices It shows how the study of built environments such as gymnasiums and football stadiums can provide unique information about the body

Sites of Sport, 2005 The study of built environments such as gymnasiums football stadiums swimming pools and skating rinks can provide unique information about the historical enclosure of the gendered and sexualised body the body's capabilities needs and desires and illuminate the tensions between the globalising tendencies of sport and the importance of local culture and a sense of place This collection uses spatial concepts and examples to examine the nature and development of sporting practices **Sexualities, Spaces and Leisure Studies**

Jayne Caudwell, Kath Browne, 2013-09-13 This edited collection explores the important connections between sexualities geographies and leisure studies Chapters consider aspects of sport leisure and tourism and show how sexualities are produced and reproduced within these spatial realms The critical and interdisciplinary analyses which are evident in the collection focus on sexuality and the socio cultural power relations produced through and in the spaces of leisure These theoretical discussions are all informed by recent research findings and importantly extend existing debates within the fields of geography and leisure studies A range of appropriate and relevant topics are covered including critical debate on sexism homophobic heterosexism and heteronormativity as well as specific LGBT experiences of sport spectatorship socialising Mardi Gras and skiing This book offers a unique collection and it is the first of its kind This book was published as a special issue of Leisure Studies

Routledge Companion to Sports History S. W. Pope, John Nauright, 2009-12-17 The field of sports history is no longer a fledgling area of study There is a great vitality in the field and it has matured dramatically over the past decade Reflecting changes to traditional approaches sport historians need now to engage with contemporary debates about history to be encouraged to position themselves and their methodologies in relation to current epistemological issues and to promote the importance of reflecting on the literary or poetic dimensions of producing history These contemporary developments along with a wealth of international research from a range of theoretical perspectives provide the backdrop to the new Routledge Companion to Sports History This book provides a comprehensive guide to the international field of sports history as it has developed as an academic area of study Readers are guided through the development of the field across a range of thematic and geographical contexts and are introduced to the latest cutting edge approaches within the field Including contributions from many of the world's leading sports historians the Routledge Companion to Sports History is the most important single volume for researchers and students in and entering the sports history field It is an essential guide to contemporary research themes to new ways of doing sports history and to the theoretical and methodological foundations of this most fascinating of subjects

The Routledge Handbook of Events Stephen J. Page, Joanne Connell, 2020-04-22 The Routledge Handbook of Events explores and critically evaluates the debates and controversies associated with the rapidly

expanding domain of Event Studies It brings together leading specialists from a range of disciplinary backgrounds to provide a state of the art review on the evolution of the subject The first edition was a landmark study which examined how event research had evolved and developed from a range of different social science subject areas and disciplines The Handbook was the first critique of the extent to which the subject had developed into a major area of social science inquiry This second edition has been fully updated to reflect crucial developments in the field and includes brand new sections on ever important aspects of Event Studies such as anthropology hospitality seasonality knowledge management accessibility diversity and human rights as well as new studies on the eventful city and the benefits of events in older life The book is divided into four inter related sections Section 1 introduces and evaluates the concept of events Section 2 critically reviews the relationship between events and other disciplines such as the contribution of economics psychology and geography to the critical discourse of Event Studies Section 3 focuses on the business operational and strategic management of events while the final section crucially focuses on critical events as a new paradigm within the burgeoning literature on Events It offers the reader a comprehensive and critical synthesis of this field conveying the latest thinking associated with events research edited by two of the leading scholars in the field The text will provide an invaluable resource for all those with an interest in Events Studies encouraging dialogue that will span across disciplinary boundaries and other areas of study It is an essential guide for anyone interested in events research

Sport, Identity and Community Andy Harvey, Richard Kimball, 2019-01-04

This volume was first published by Inter Disciplinary Press in 2016 Sport is multi billion dollar business Sport is a kick around in the park Sport is high and low politics Sport is said to shape admirable personal qualities Sport is said to embed the worst of white male heterosexual able bodied privilege Sport is said to break down social barriers Sport is said to entrench a narrow nationalism The list of what sport is said to be can be extended almost ad infinitum This e book attempts to make sense of some of the multiplicity of the things that sport can be mean and do The papers in this volume explore the diversity of sport providing insights from a wealth of perspectives into this ubiquitous cultural practice The e book will appeal to students practitioners and readers who want to gain a fuller understanding of the games we watch and play

Intersections of Sport and Society in Creative Writing Lee McGowan, Kasey Symons, 2023-11-18 This edited collection is positioned at the nexus of sports society and creative writing In its explorations of the intersections of sports writing analysis of literary contributions and examinations of craft it offers rare consideration of a rich diversity of form in narratives that occur in and as creative practice Included in the collection are dynamic academic investigations into football writing and poetry focused on community sporting activities in Afghanistan to those addressing the intersections of writing and boxing in the reflexive reclamation of the post trauma self the absence of women in the rodeo and who and what is represented in our sports shelves This book breaks new ground in approaches to sport s role in creative writing and what creative writing can provide in furthering our understanding of sport in society The works in this edited book draw on a diverse range of methods

to interrogate the processes concepts and liminal spaces through an intersectional array of voices offering analysis and insight into the application of creative writing knowledge and practice in relation to sport and its impact on wider discipline discussion and research It is relevant to students and scholars studying and researching creative writing sports writing sports studies cultural studies and sports media studies
