Skinner,2009-11 Set in the moors of Devon England in the mid 1800's Here is a tale for the telling As near to the telling of it as I can remember A dark story of a black Mastiff and a Raven in whose spirit or likeness did they roam the haunted moors Bleak and very little populated a small community of farming people managed to scratch a living from its barren face Upon such a scene the only thing anyone should have to deal with is the elements but there were other events strange events Four brothers Stickles by name ravaged the countryside Attempts to arrest them by human means failed A supernatural force takes form in the shape of a black Mastiff known as The Hound and its companion The Raven Each had its own reason for being rid of the Stickles Outlaw Women Robert Barr Smith,2015-08-03 This collection of short action filled stories of the Old West's most egregiously badly behaved female outlaws is a great addition to Western author Robert Barr Smith's books on the American frontier Pulling together stories of ladies caught in the acts of mayhem distraction murder and highway robbery it includes famous names like Belle Starr and lesser known characters and contains archival illustrations and photographs Some famous females earned their criminal status through less than ladylike pursuits making a living by capitalizing on the other sex's weaknesses of drinking gambling and enjoying the company of women More than a few like Cecilia and Edna The Rabbit Murray weren't above robbing a bank or two to stay afloat for a while Others however were much more sinister in their aims earning a living by making sure others kept dying Visitors to the homes of Kate Bender and Belle Gunness dozens no less went missing over the years only to be dug up months or years later when suspicions were finally aroused *Thru the Bible Vol. 59: The Prophecy (Revelation 6-13)* J.
