Defining photography is impossible Revealing it is another matter and that s what The Concise Focal Encyclopedia of Photography does with each turn of the page History The technical origins and evolution of photography are half of the story The other half consists of the ways that cultural forces have transformed photography into a constellation of practices more

diverse than any other mode of representation Photographers can tell a more in depth story through a photo like Dorothea Lange s Migrant Mother than a journalist ever could with the written word alone Major themes and practitioners Over 25 entries many with supporting illustrations examine the figures trends and ideas that have contributed most heavily to the history and current state of photography Contemporary issues The issues influencing photography today are more complex than at any other time in its history Questions of ethics desire perception digitization and commercialization all vie for attention Hear what the experts have to say about crucial issues such as whether or not the images we take today will last the test of time and if so how When material is covered this skillfully concise is no compromise The Concise Focal

Encyclopedia of Photography is packed with useful information compelling ideas and best of all pure pleasure **Camino Divina—Walking the Divine Way** Gina Marie Mammano,2016-04-04 Inspired by the ancient spiritual practices of lectio divina and walking meditation camino divina helps you explore whole new worlds inside yourself as well as re view the natural world around you by combining mindful walking with inspiring phrases and spiritual exercises Includes introductions to twelve spiritual luminaries and their work **Dramatic Mirror of Motion Pictures and the Stage** ,1918 The Handbook of Kinematography Colin Noël Bennett,1913 The Engineer ,1914 *The Documented Child* Maya Socolovsky,2025-02-04 Immigration is at once a personal immediate and urgent issue that plays a central role in the United States perception of itself In *The Documented Child* scholar Maya Socolovsky demonstrates how the portrayal of Latinx children has shifted over the first two decades of the twenty first century in literary texts aimed at children and young adults and looks at how these shifts map onto broader changes in immigration policy and discourse Through a critical inquiry into picture books and middle grade and young adult literature Socolovsky argues that the literary documentations of and for U S Latinx children have shifted over the decades from an emphasis on hybrid transnationalism to that of a more American oriented self Socolovsky delves into texts written from 1997 to 2020 a period marked by tremendous changes in U S immigration policies amplified discourses around nationhood and an increasingly militarized border The author shows how children s and young adult books have shifted their depictions of the border personal and national identity and sovereignty For students scholars and educators of Latinx studies and children s literature this work shows how the creators of children s literature reflect new strategies for representing the undocumented Latinx child protagonist While earlier books document the child as a transnational sometimes global subject later books document her as both a transnational and U S national subject *The Documented Child* explores this change as a necessary survival strategy reflecting current awareness that cultural hybridity and transnational identity are not sufficient stand ins for the stability and security of legal personhood
