Slow Dance Bonnie Sherr Klein,2012-10-23 In 1987 the brilliant filmmaker Bonnie Klein Not a Love Story Speaking Our Peace suffered a catastrophic stroke that left her paralyzed and on a respirator Slow Dance is the candid moving account of her fight back relearning to swallow to talk to stand and to adapt to life with a disability An inspiring book with the pace of a thriller it is also from first to last a remarkable love story Every year stroke hits nearly 50 000 Canadians over 14 000 die It is the number one cause of serious adult neurological disability the fourth most common cause of death Bonnie's story began when she became weak and nauseous after a summer day outdoors When she also began to stagger and slur her speech her husband Michael a physician raced her to hospital Two weeks later she suffered a second nearly fatal stroke Then 46 she spent seven months in hospital and over two years in conventional and self created rehabilitation Michael stayed alongside her acting as husband doctor nurse advocate even dancing partner as Bonnie graduated from bed to wheelchair to walking with support As soon as she could wield a pencil she began to chronicle her recovery and the tremendous adjustments she and her family have had to make in a world still largely ignorant of its disabled population This is an unforgettable story of honesty courage and intelligence that is as gripping as it is informative and illuminating

Growing Slow Jennifer Dukes Lee,2021-05-11 Enter a simpler way of living by unhurrying your heart embracing the relaxed rhythms of nature and discovering the meaningful gift of growing slow We long to make a break from

the fast pace of life but if we're honest we're afraid of what we'll miss if we do. Yet when going big and hustling hard leaves us stressed, empty, and out of sorts, perhaps this can be our cue to step into a far more satisfying, sustainable pace. In this crafted, inspiring read, beloved author Jennifer Dukes Lee offers a path to unhurried living by returning to the rhythm of the land and learning the ancient art of Growing Slow. Jennifer was once at breaking point herself and tells her story of rude awakening to the ways her chosen lifestyle of running hard, scaling fast, and the never-ending chase for results was taking a toll on her body, heart, and soul. But when she finally gave herself permission to believe it takes time to grow good things, she found a new kind of freedom. With eloquent truths and vivid storytelling, Jennifer reflects on the lessons she learned from living on her fifth-generation family farm and the insights she gathered from the purposeful yet never-rushed life of Christ. Growing Slow charts a path out of the pressures of bigger, harder, faster and into a more rooted way of living where the growth of good things is deep and lasting. Following the rhythms of the natural growing season, Growing Slow will help you find the true relief that comes when you stop running and start resting in Jesus. Learn practices for unhurrying your heart and mind every day. Let go of the pressure and embrace the small good things already bearing fruit in your life. And engage slow growth through reflection prompts and simple application steps.

Will you please slow down? - St Davids to

Lowestoft cycle ride Chris Gooderham, 2013-08-04. Sequel to the hilarious *I Will Stand in my House Forever*. Chris Gooderham returns from his intrepid journey desperately craving more. *Will you please slow down* is the comedy sequel where Gooderham finds himself a new cycling partner, Endurance Bunny. A man who is physically fit, primed to perfection, who runs a marathon before breakfast and chops down trees with his bare hands. But Gooderham doesn't cope well with being the unfit one, especially when he's forced to watch his superhuman colleague make everything look so easy. *Will you please slow down* is the real story behind the fictional Endurance Bunny and the small, shrivelled organ. Much of the text is similar to the original but is written purely as a diary of the cycle tour for the purest amongst you. *Will you please slow down* is a must-read for anyone who has already cycled or is contemplating a cycle challenge and includes daily maps, road, and traffic conditions as well as the contour of the route.

Slow Love Dominique Browning, 2011-08-30. In burnished, exquisite prose, Browning describes her feelings of being set adrift until she gradually transforms her helter-skelter days into a deliberate, contemplative way of life. *The Boston Globe*: In late 2007, Dominique Browning, the editor in chief of *Condé Nast's House of Garden*, was informed that the magazine had folded and she was out of a job. Suddenly divested of the income and sense of purpose that had driven her for most of her adult life, Browning panicked. But freed of the incessant pressure to multi-task and perform, she unexpectedly discovered a more meaningful way to live. Browning's witty and thoughtful memoir has already touched a chord with reviewers and readers alike. While untold millions are feeling the stress of modern life, *Slow Love* eloquently reminds us to appreciate what we have, a timely message that we all need to hear.

Slow Dance in a Winter Garden R. Thomas Sheardy, 2023-11-10 Following Nathaniel Hawthorne s footsteps in Rome a disillusioned middle aged writer seeks meaning in things of little value while mistaking the needs of the soul as trivial and of the heart as unreliable Inspired in part by Hawthorne s The Marble Faun this tale is also a bit of a travelogue as significant events often take place in sites of historical mystery Though somewhat dark and serious Slow Dance in a Winter Garden is a story of contemporary people who find themselves like Nathaniel torn between the persons they had hoped to be and those they have actually become

Slow Way Home Introduction

In the digital age, access to information has become easier than ever before. The ability to download Slow Way Home has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Slow Way Home has opened up a world of possibilities. Downloading Slow Way Home provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Slow Way Home has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Slow Way Home. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Slow Way Home. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Slow Way Home, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software

installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Slow Way Home has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
