**To Drink from the Silver Cup** Anna Redsand, 2020-08-08 Anna Redsand was sixteen when she heard her mother say of two women who'd been discovered to be lovers They're living in sin They should see a doctor She knew in that moment that she would have to leave the security and intimacy of family church and home the only world she had ever known As that world faded so too did everything that had been religious or spiritual inside her The journey was to find what she'd lost or replace it Was there a faith community that could accept Anna as a lesbian a doubter and someone committed to social justice To Drink From the Silver Cup is the story of Anna Redsand's quest It took her from a devout missionary life in the Navajo Nation into the shame and exile of being unwanted in the homeland and then beyond through the uncharted territory of different religious spiritual and political directions Always striving for authenticity continuing to long for home forty years after taking leave Anna embarked on a deliberate experiment to see if return was possible or whether too much had changed in her and too little in

Copyright Office,1938 **Gods of Noonday** Elaine Neil Orr,2003-08-29 The daughter of medical missionaries Elaine Neil Orr was born in Nigeria in 1954 in the midst of the national movement that would lead to independence from Great Britain But as she tells it in her captivating new memoir Orr did not grow up as a stranger abroad she was a girl at home only half American the other half Nigerian When she was sent alone to the United States for high school she didn t realize how much leaving Africa would cost her It was only in her forties in the crisis of kidney failure that she began to recover her African life In writing *Gods of Noonday* she came to understand her double rootedness in the Christian church and the Yoruba shrine the piano and the talking drum Memory took her back from Duke Medical Center in North Carolina to the shores of West Africa and her hometown of Ogbomosho in the land of the Yoruba people Hers was not the dysfunctional American family whose tensions are brought into high relief by the equatorial sun but a mission girlhood is haunted nonetheless by spiritual atmospheres and the limits of good intentions Orr s father Lloyd Neil formerly a high school athlete and World War II pilot and her mother Anne found in Nigeria the adventure that would have escaped them in 1950s America Elaine identified with her strong fun loving father more than her reserved mother but she herself was as introspective and solitary as her sister Becky was pretty and social Lloyd acquired a Chevrolet station wagon which carried Elaine and her friends to the Ethiopie River where they swam much as they might have in the United States But at night the roads were becoming dangerous and soon the days were clouded by smoke from the coming Biafran War Interweaving the lush mission compounds with Nigerian culture furloughs in the American South with boarding school in Nigeria and eventually Orr s failing health the narrative builds in intensity as she recognizes that only through recovering her homeland can she find the strength to survive Taking its place with classics such as *Out of Africa* and more recent works like *The Poisonwood Bible* and *Don t Let s Go to the Dogs Tonight* *Gods of Noonday* is a deeply felt courageous portrait of a woman s life **Catalog of Copyright Entries. **Called Crockett's Corner Became The Maine Mall** M.M. Drymon PhD, 2015-10-25 A place called Crockett's Corner began as a seventeenth century colonial settlement that grew into a stable and sustainable nineteenth century American agrarian landscape. During the twentieth century in a rapid but staged process the landscape was changed into an edge city. These changes were the direct result especially after 1938 of prevailing public policies which acted to constrain some land uses while supporting others. Landscape change has had unintended consequences including local social network destruction, historic building demolition, and unmitigated air and non point source water pollution. Raising awareness of the deep history of this place may help empower advocates for historic preservation, open space, environmental protection, and more sustainable land use practices in the future.
