

Social History Of France In The 19th Century

**Evelyne Cohen, Anaïs Fléchet, Pascale
Goetschel, Laurent Martin, Pascal Ory**

Social History Of France In The 19th Century:

A Social History of Nineteenth-Century France Roger Price, 2021-12-24 First published in 1987 *A Social History of Nineteenth Century France* argues that the social impact of the French Revolution has been greatly exaggerated and that in 1815 France was still predominantly a rural and pre industrial society The revolution introduced only very limited changes in social structures and relationships the daily lives of ordinary people remained virtually unchanged A much more decisive turning point in French history the author suggests was the period of structural change in economy and society which began in the mid nineteenth century The first part of the book looks at many changes in the economy and their effect on living standards and social environment The second part identifies the social groups which make up French society and provides detailed analyses of their lifestyles and social relationships Part Three considers the influence of such key institutions as churches schools and the state Drawing on an exceptionally wide range of primary sources this is likely to be the definitive overview of French society for many years to come and will be of interest to researchers of French history and European history

A Social History of France in the 19th Century Christophe Charle, 1994-12-14 Intended for history students and general readers this book introduces and analyzes the dynamics and relationships of the various social groups or classes of 19th century France the nobility bourgeoisie middle class and petty bourgeoisie

A Social History of Nineteenth-Century France Roger Price, Taylor & Francis Group, 2022-02-25 First published in 1987 *A Social History of Nineteenth Century France* argues that the social impact of the French Revolution has been greatly exaggerated and that in 1815 France was still predominantly a rural and pre industrial society The revolution introduced only very limited changes in social structures and relationships the daily lives of ordinary people remained virtually unchanged A much more decisive turning point in French history the author suggests was the period of structural change in economy and society which began in the mid nineteenth century The first part of the book looks at many changes in the economy and their effect on living standards and social environment The second part identifies the social groups which make up French society and provides detailed analyses of their lifestyles and social relationships Part Three considers the influence of such key institutions as churches schools and the state Drawing on an exceptionally wide range of primary sources this is likely to be the definitive overview of French society for many years to come and will be of interest to researchers of French history and European history

A Social History of France 1780-1914 Peter McPhee, 2017-03-03 This volume provides a lively and authoritative synthesis of recent work on the social history of France and is now thoroughly updated to cover the long nineteenth century from 1789 1914 Peter McPhee offers both a readable narrative and a distinctive coherent argument about this remarkable century and explores key themes such as Peasant interaction with the environment The changing experience of work and leisure The nature of crime and protest Changing demographic patterns and family structures The religious practices of workers and peasants The ideology and internal repercussions of colonisation At the core of this social history is the exercise

and experience of social relations of power not only because in these years there were four periods of protracted upheaval but also because the history of the workplace of relations between women and men adults and children is all about human interaction Stimulating and enjoyable to read this indispensable introduction to nineteenth century France will help readers to make sense of the often bewildering story of these years while giving them a better understanding of what it meant to be an inhabitant of France during that turbulent time

Cultural History in France Evelyne Cohen, Anaïs Fléchet, Pascale Goetschel, Laurent Martin, Pascal Ory, 2019-06-27 This volume which gathers contributions presented at the annual conferences of l Association pour le d veloppement de l histoire culturelle ADHC questions the subjects and boundaries of cultural history in France with regard to neighboring approaches such as cultural studies media studies and gender studies to elaborate a social history of representations Historians philosophers and sociologists address a large variety of topics and methodological proposals Definitions objects and actors memories and cultural transfers this book depicts the major questions that underlie the historical debate at the beginning of the 21st century

"Misfits" in Fin-de-Siècle France and Italy Susan A. Ashley, 2017-05-04 As the 19th century drew to a close France and Italy experienced an explosion of crime vagrancy insanity neurosis and sexual deviance Misfits in Fin de Si cle France and Italy examines how the raft of self appointed experts that subsequently emerged tried to explain this aberrant behavior and the many consequences this had Susan A Ashley considers why these different phenomena were understood to be interchangeable versions of the same inborn defects The book looks at why specialists in newly minted disciplines in medicine and the social sciences such as criminology neurology and sexology all claimed that biological flaws some inherited and some arising from illness or trauma made it impossible for these misfits to adapt to modern life Ashley then goes on to analyse the solutions these specialists proposed often distinguishing between born deviants who belonged in asylums or prisons and accidental misfits who deserved solidarity and social support through changes to laws relating to issues like poverty and unemployment The study draws on a comprehensive examination of contemporary texts and features the work of leading authorities like Cesare Lombroso Jean Martin Charcot and Th odile Ribot as well as investigators less known now but influential at the time The comparative aspect also interestingly shows that experts collaborated closely across national and disciplinary borders employed similar methods and arrived at common conclusions This is a valuable study for all social and cultural historians of France and Italy and anyone interested in knowing more about the history of medicine in modern Europe

France, 1800-1914 Roger Magraw, 2014-07-22 Nineteenth century France was a society of apparent paradoxes It is famous for periodic and bloody revolutionary upheavals for class conflict and for religious disputes yet it was marked by relative demographic stability gradual urbanisation and modest economic change class conflict and ongoing religious and cultural tensions Incorporating much recent research Roger Magraw draws both upon still valuable insights derived from the new social history of the 1960s and upon more recent approaches suggested by gender history cultural anthropology and the linguistic turn

Population

and Society in Western European Port Cities, C.1650-1939 Richard Lawton, W. Robert Lee, 2002-01-01 This volume brings together ten original papers on the population dynamics and development of Western European port cities In a substantial overview chapter Lawton and Lee examine Port Development and the Demographic Dynamics of European Urbanisation setting in context the individual case studies that follow These studies of Bremen Cork Genoa Glasgow Hamburg Liverpool Malm Nantes Portsmouth and Trieste provide an important enhancement of our understanding of the particular socio economic and demographic characteristics of port cities and point to the existence of a particular port demographic regime They emphasize the central importance of the high proportion of unskilled and casual labor the susceptibility of cyclical employment the inflated risk of epidemic infection and other demographic and economic factors specific to port cities

France 1814 - 1914 Robert Tombs, 2014-09-25 Here is an incomparably rich portrait of France in the years when the disparate elements that made up the fragmented kingdom of the ancien regime were forged into the modern nation The survey begins with an exploration of national obsessions and attitudes It considers the tendency to revolution and war the preoccupation with the idea of a New Order and the deep strain of national paranoia that was to be intensified by the dramatic debacle of the Franco Prussian War Robert Tombs then investigates the structures of power and in Part Three he turns his attention to social identities from the individual and family to the nation at large When every aspect of the period has been put under the microscope Robert Tombs draws them all into the broad political narrative that brings the book to its rousing conclusion Bursting with life as well as learning this is quite simply a tour de force **LC**

Period Subdivisions Under Names of Places, 1986 Religious Renewal in France, 1789-1870 Roger Price, 2017-12-04 This book provides a study of the manner in which the Roman Catholic Church in France responded to successive revolutions between 1789 and 1870 as well as to the cultural upheaval associated with accelerating socio economic change It focuses on the Church as an institution engaged in a dynamic process of re Christianization and determined as the only repository of the true faith of Jesus Christ to fortify belief and to combat the Satanic forces of moral corruption and revolutionary chaos and create a counter society the soci t parfaite Discussion of the Church as an institution in crisis of the recruitment instruction and mind sets of its bishops parish clergy and the members of religious orders of its hierarchical structures and internal discipline and of the need to compensate for the losses suffered during a period of revolutionary upheaval provides the basis for an exploration of its evolving doctrine s and sense of purpose for an assessment of the pastoral care provided to parish communities and of the leadership and moral qualities of the clergy before final consideration of the reception of the religious message s

University of Michigan Official Publication, 1966 **History of France** Charlotte M. Yonge, 2019-11-25 In History of France Charlotte M Yonge presents a meticulously crafted narrative that chronicles the rich tapestry of French history from its early formations to the complexities of the early 19th century Yonge employs a blend of vivid storytelling and scholarly detail reflecting her Victorian sensibilities and the era s fascination with historical narrative

Utilizing a range of primary sources she delves into political social and cultural developments engagingly weaving together critical events and figures that shaped France's evolution while maintaining an accessible prose style that appeals to both readers and historians alike Charlotte M Yonge was a prolific Victorian author known for her educational and moralistic narratives Writing within a context that valued historical awareness Yonge's desire to illuminate the past was likely influenced by her own commitment to education and the importance of history in shaping national identity Her diverse literary career spanning novels biographies and historical works underscores her passion for storytelling and her dedication to the moral instruction of her readers often interlacing lessons of virtue alongside historical facts History of France is highly recommended for anyone interested in understanding the complexities of French history through a compelling narrative lens It not only enriches the reader's knowledge of France's past but also emphasizes the integral relationship between history and cultural identity making it an essential addition to the library of any history enthusiast or student In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work's timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era's events and influences that shaped the writing A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work's messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

International Who's Who of Authors and Writers 2004 Europa Publications, 2003 Accurate and reliable biographical information essential to anyone interested in the world of literature The International Who's Who of Authors and Writers offers invaluable information on the personalities and organizations of the literary world including many up and coming writers as well as established names With over 8 000 entries this updated edition features Concise biographical information on novelists authors playwrights columnists journalists editors and critics Biographical details of established writers as well as those who have recently risen to prominence Entries detailing career works published literary awards and prizes membership and contact addresses where available An extensive listing of major international literary awards and prizes and winners of those prizes A directory of major literary organizations and literary agents A listing of members of the American Academy of Arts and Letters

People and Politics in France, 1848-1870 Roger Price, 2004-06-17 This 2004 book is about politicisation and political choice in the aftermath of the February Revolution of 1848 and the emergence of democracy in France The introduction of male suffrage both encouraged expectations of social transformation and aroused intense fear In these circumstances the election of Louis Napoleon Bonaparte as President of the Republic and his subsequent coup d'état were the essential features of a counter revolutionary process which involved the creation of a system of democracy as the basis of regime legitimacy and as a prelude to greater liberalisation The state positively

encouraged the act of voting But what did it mean How did people perceive politics How did communities and groups participate in political activity These and many other questions concern the relationships between local issues and personalities and the national political culture all of which impinged on communities increasingly as a result of substantial social and political change

The Emergence of Modern Universities In France, 1863-1914 George Weisz, 2014-07-14 George Weisz offers a comprehensive analysis of the French university system during the latter half of the nineteenth and early twentieth centuries Examining the major reforms of higher education undertaken during the Third Republic he argues that the original thrust for reform came from within the educational system especially from an academic profession seeking to raise its occupational status Originally published in 1983 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Conflicts of Interest and the Future of Medicine Marc A. Rodwin, 2011-02-16 As most Americans know conflicts of interest riddle the US health care system They result from physicians practicing medicine as entrepreneurs from physicians ties to pharma and from investor owned firms and insurers influence over physicians medical choices These conflicts raise questions about physicians loyalty to their patients and their professional and economic independence The consequences of such conflicts of interest are often devastating for the patients and society stuck in the middle In *Conflicts of Interest and the Future of Medicine* Marc Rodwin examines the development of these conflicts in the US France and Japan He shows that national differences in the organization of medical practice and the interplay of organized medicine the market and the state give rise to variations in the type and prevalence of such conflicts He then analyzes the strategies that each nation employs to cope with them Unfortunately many proposals to address physicians conflicts of interest do not offer solutions that stick But drawing on the experiences of these three nations Rodwin demonstrates that we can mitigate these problems with carefully planned reform and regulation He examines a range of measures that can be taken in the private and public sector to preserve medical professionalism and concludes that there just might be more than one prescription to this seemingly incurable malady

Health and Medicine in Rural Europe (1850-1945) Josep Lluís Barona Vilar, Steven Cherry, 2005 La historiografía médica reciente es principalmente urbana La salud en el medio rural ofrece nuevas perspectivas que incluyen los procesos de interacción entre salud cultura y medicina en el marco comparado europeo Health and Medicine in Rural Europe refleja el esfuerzo combinado de grupos de investigación de Noruega Inglaterra y España La primera parte del libro incluye seis cap

tulos que combinan un acercamiento global a lo rural en el contexto europeo con estudios regionales específcos Analizan también las políticas sanitarias en la España rural el sistema zemstvo en el norte de la Rusia europea o las diferentes percepciones entre poblaciones rurales y urbanas y su transformación en Noruega La Conferencia Europea de Higiene Rural celebrada en Ginebra en 1931 y las repercusiones sobre la administración sanitaria española dan paso a una reflexión sobre las interacciones entre medicina y culturas locales en España Noruega y la Rusia europea La segunda parte se ocupa de la salud rural y la práctica médica la labor de los médicos generales en los hospitales y servicios de salud de la región inglesa la función de los médicos rurales en la sociedad valenciana y en la región de Baviera o las estrategias de lucha contra las enfermedades infecciosas en la Valencia rural Los dos capítulos siguientes están consagrados al paludismo en las granjas de East Anglia y a las campañas de desarrolladas en Alicante durante el primer tercio del siglo XX La parte final se refiere a aspectos institucionales la labor de la Academia de Higiene de Catalunya las redes asistenciales en la Mallorca rural los primeros hospitales infantiles en Inglaterra o la labor realizada por la Gota de Leche en Alicante
