

Social Structures In Moliere's Theater

Jo Ann Marie Recker

Social Structures In Moliere's Theater:

Social Structures in Molière's Theater James F. Gaines, 1984 *Rivalry and the Disruption of Order in Molière's Theater* Michael S. Koppisch, 2004 In critical readings of ten of Molière's most important plays this book argues that a rivalry that endangers order by collapsing differences structures the works and provides a key to their understanding Molière's great comic characters all want desperately something that they cannot have The objects of their desire may vary but the presence of desire itself remains a constant In *L'Ecole des femmes* Amolphe wants above all to avoid cuckoldry The title character in *Dom Juan* covets women The bourgeois Monsieur Jourdain does all in his power to become a gentleman in *Le Bourgeois gentilhomme* and the eponymous character in *George Dandin* views his woes as the price of an ill-fated marriage that he had hoped would elevate him to noble rank *Le malade imaginaire* Argan has a seemingly crazy desire to be sick The list could go on **Theatrum Mundi** Claire L. Carlin, Kathleen Wine, 2003 Paperback edition of homage volume published in hardcover May 2003 **History of European Drama and Theatre** Erika Fischer-Lichte, 2002-09-11 This major study reconstructs the vast history of European drama from Greek tragedy through to twentieth-century theatre focusing on the subject of identity Throughout history drama has performed and represented political religious national ethnic class-related gendered and individual concepts of identity Erika Fischer-Lichte's topics include ancient Greek theatre Shakespeare and Elizabethan theatre by Corneille Racine Molière the Italian commedia dell'arte and its transformations into eighteenth-century drama the German Enlightenment Lessing Schiller Goethe and Lenz romanticism by Kleist Byron Shelley Hugo de Vigny Musset Büchner and Nestroy the turn of the century Ibsen Strindberg Chekhov Stanislavski the twentieth-century Craig Meyerhold Artaud O'Neill Pirandello Brecht Beckett Miller Anyone interested in theatre throughout history and today will find this an invaluable source of information *Relations & Relationships in Seventeenth-century French Literature* Jennifer Robin Perlmutter, North American Society for Seventeenth-Century French Literature. Conference, 2006 This volume is devoted to the variety of relationships that defined France and its citizens Man's connection with God is explored the travel relation and the particular hierarchy that exists between a director and a dramatist respectively These themes are further addressed in the articles that follow on relationships of authority Catholics and Protestants books and illustrations literary genres travel relations aesthetics and ethics and family relationships Appelle-moi Pierrot Jo Ann Marie Recker, 1986-01-01 The application of Molière's critical theory to the Correspondance of Mme de Sévigné can contribute to a renewed appreciation of the highly intellectual quality of the comic genius of a spirituelle marquise a mother who desperately wanted to entice a distanced daughter to regularity in an epistolary exchange a woman of wit and irony **Comic Theaters** William E. Gruber, 2011-05-01 In *Comic Theaters* William E. Gruber draws dramatic criticism beyond its traditional emphasis on the play's text toward a theory of theater that more fully incorporates performance The bare text is clothed in the cultural norms and conceptions of both actor and audience in performance in the conversion of words into action in the actor's creation of his

role and in the audience's involvement with the scenes on stage Reinterpreting six comedies taken from classical Greek Renaissance and modern repertoires Gruber shows how dramatic meaning is derived not from traditional criteria archetypal motifs or unchanging affective responses but from changing concepts of theater and changing configurations of actor and role

Representing Avarice in Late Renaissance France Jonathan Patterson, 2015-01-22 Why did people talk so much about avarice in late Renaissance France nearly a century before Molière's famous comedy *L'Avare* As wars and economic crises ravaged France on the threshold of modernity avarice was said to be flourishing as never before Yet by the late sixteenth century a number of French writers would argue that in some contexts avaricious behaviour was not straightforwardly sinful or harmful Considerations of social rank gender object pursued time and circumstance led some to question age old beliefs Traditionally reviled groups rapacious usurers greedy lawyers miserly fathers covetous women might still exhibit unmistakable signs of avarice but perhaps not invariably in an age of shifting social economic and intellectual values Across a large diverse corpus of French texts Jonathan Patterson shows how a range of flexible genres nourished by humanism tended to offset traditional condemnation of avarice and avarices with innovative mitigating perspectives arising from subjective experience In such writings an avaricious disposition could be re-described as something less vicious excusable or even expedient In this word history of avarice close readings of well known authors Marguerite de Navarre Ronsard Montaigne and of their lesser known contemporaries are connected to broader socio economic developments of the late French Renaissance c 1540 1615 The final chapter situates key themes in relation to Molière's *L'Avare* As such

Representing Avarice in Late Renaissance France newly illuminates debates about avarice within broader cultural preoccupations surrounding gender enrichment and status in early modern France

The Molière Encyclopedia James F. Gaines, 2002-11-30 Born Jean Baptiste Poquelin in 1622 the French playwright Molière became one of the most influential dramatists of the 17th century His comedies shaped the development of theater in Europe inspired his contemporaries in England and left a lasting dramatic legacy after his death in 1673 Molière has also inspired a vast body of scholarship and recent work has dispelled many of the myths surrounding his career This reference provides English speaking readers with a current and comprehensive guide to his life and works Hundreds of A-Z entries cover topics related to his life works and theatrical career including Plays Individual characters Historical persons Allusions Influences Cultural institutions And much more This scrupulously researched volume relies on verifiable facts giving scant attention to the romantic fiction surrounding the playwright Many of the entries list works for further reading A chronology outlines the chief events of Molière's life and his contributions to the stage The volume concludes with a bibliography

Molière and Modernity Larry W. Riggs, 2005 Describing the theater of Molière as a systematic attack on Cartesian modernism this book is richly theoretical with incisive and specific treatment of such plays as *The Miser* and *The Misanthrope*

Forms and Meanings Roger Chartier, 2010-08-03 In this provocative work Roger Chartier continues his extraordinarily influential consideration of the forms of production

dissemination and interpretation of discourse in Early Modern Europe Chartier here examines the relationship between patronage and the market and explores how the form in which a text is transmitted not only constrains the production of meaning but defines and constructs its audience

The Literature of Satire Charles A. Knight, 2004-02-12 The Literature of Satire is an accessible but sophisticated and wide ranging study of satire from the classics to the present in plays novels and the press as well as in verse In it Charles Knight analyses the rhetorical problems created by satire s complex relations to its community and examines how it exploits the genres it borrows He argues that satire derives from an awareness of the differences between appearance ideas and discourse Knight provides illuminating readings of such satirists familiar and unfamiliar as Horace Lucian Jonson Moli re Swift Pope Byron Flaubert Ostrovsky Kundera and Rushdie This broad ranging examination sheds light on the nature and functions of satire as a mode of writing as well as on theoretical approaches to it It will be of interest to scholars interested in literary theory as well as those specifically interested in satire The Histrionic Sensibility Ziad Elmarsafy, 2001

Psychosomatic Disorders in Seventeenth-Century French Literature Bernadette Höfer, 2016-04-15 Bernadette Höfer s innovative and ambitious monograph argues that the epistemology of the Cartesian mind body dualism and its insistence on the primacy of analytic thought over bodily function has surprisingly little purchase in texts by prominent classical writers In this study Höfer explores how Surin Moli re Lafayette and Racine represent interconnections of body and mind that influence behaviour both voluntary and involuntary and that thus disprove the classical notion of the mind as distinct from and superior to the body The author s interdisciplinary perspective utilizes early modern medical and philosophical treatises as well as contemporary medical compilations in the disciplines of psychosomatic medicine neurobiology and psychoanalysis to demonstrate that these seventeenth century French writers established a view of human existence that fully anticipates current thought regarding psychosomatic illness

Molière, the French Revolution, and the Theatrical Afterlife Mechele Leon, 2009-10 From 1680 until the French Revolution when legislation abolished restrictions on theatrical enterprise a single theatre held sole proprietorship of Moli re s works After 1791 his plays were performed in new theatres all over Paris by new actors before audiences new to his works Both his plays and his image took on new dimensions In *Moli re the French Revolution and the Theatrical Afterlife* Mechele Leon convincingly demonstrates how revolutionaries challenged the ties that bound this preeminent seventeenth century comic playwright to the Old Regime and provided him with a place of honor in the nation s new cultural memory Leon begins by analyzing the performance of Moli re s plays during the Revolution showing how his privileged position as royal servant was disrupted by the practical conditions of the revolutionary theatre Next she explores Moli re s relationship to Louis XIV *Tartuffe* and the social function of his comedy using Rousseau s famous critique of Moli re as well as appropriations of George Dandin in revolutionary iconography to discuss how Moli rean laughter was retooled to serve republican interests After examining the profusion of plays dealing with his life in the latter years of the Revolution she looks at the exhumation of his remains and

their reentombment as the tangible manifestation of his passage from Ancien Régime favorite to new national icon The great Molière is appreciated by theatre artists and audiences worldwide but for the French people it is no exaggeration to say that the Father of French Comedy is part of their national soul By showing how he was represented reborn and reburied in the new France how the revolutionaries asserted his relevance for their tumultuous time in ways that were audacious irreverent imaginative and extreme Leon clarifies the important role of theatrical figures in preserving and portraying a nation's history

Molière's Le Bourgeois Gentilhomme H. Gaston Hall,1990 **The Cambridge Companion to Molière** David

Bradby,Andrew Calder,2006-09-14 A detailed introduction to Molière and his plays this Companion evokes his own theatrical career his theatres patrons the performers and theatre staff with whom he worked and the various publics he and his troupes entertained with such success It looks at his particular brands of comedy and satire *L'cole des femmes* *Le Tartuffe* *Dom Juan* *Le Misanthrope* *L'Avare* and *Les Femmes savantes* are examined from a variety of different viewpoints and through the eyes of different ages and cultures The comedies ballets a genre invented by Molière and his collaborators are reinstated to the central position which they held in his œuvre in Molière's own lifetime his two masterpieces in this genre *Le Bourgeois gentilhomme* and *Le Malade imaginaire* have chapters to themselves Finally the Companion looks at modern directors theatre exploring the central role played by productions of his work in successive revolutions in the dramatic arts in France

Ceremonial Splendor Joy Palacios,2022-09-06 By the end of France's long seventeenth century the seminary trained reform minded Catholic priest had crystalized into a type recognizable by his clothing gestures and ceremonial skill Although critics denounced these priests as hypocrites or models for Molière's *Tartuffe* seminaries associated the features of this priestly identity with the idea of the *vray ecclésiastique* or true churchman *Ceremonial Splendor* examines the way France's early seminaries promoted the emergence and construction of the true churchman as a mode of embodiment and ecclesiastical ideal between approximately 1630 and 1730 Based on an analysis of sources that regulated priestly training in France such as seminary rules and manuals liturgical handbooks ecclesiastical pamphlets and conferences and episcopal edicts the book uses theories of performance to reconstruct the way clergymen learned to conduct liturgical ceremonies abide by clerical norms and aspire to perfection Joy Palacios shows how the process of crafting a priestly identity involved a wide range of performances including improvisation role playing and the display of skills In isolation any one of these performance obligations if executed in a way that drew attention to the self could undermine a clergyman's priestly persona and threaten the institution of the priesthood more broadly Seminaries counteracted the ever present threat of theatricality by ceremonializing the clergyman's daily life rendering his body and gestures contiguous with the mass Through its focus on priestly identity *Ceremonial Splendor* reconsiders the relationship between Church and theater in early modern France and uncovers ritual strategies that continue to shape religious authority today *Mendacity and the Figure of the Liar in Seventeenth-Century French Comedy* Emilia Wilton-Godberfforde,2017-06-14 The first book length study devoted to this

topic Mendacity and the Figure of the Liar in Seventeenth Century French Comedy offers an important contribution to scholarship on the theatre as well as on early modern attitudes in France specifically on the subject of lying and deception Unusually for a scholarly work on seventeenth century theatre it is particularly alert to plays as performed pieces and not simply printed texts The study also distinguishes itself by offering original readings of Moli re alongside innovative analyses of other playwrights The chapters offer fresh insights on well known plays by Moli re and Pierre Corneille but also invite readers to discover lesser known works of the time by writers such as Benserade Thomas Corneille Dufresny and Rotrou Through comparative and sustained close readings including a linguistic and speech act approach a historical survey of texts with an analysis of different versions and a study of irony the reader is shown the manifest ways in which different playwrights incorporate the comedic tropes of lying and scheming confusion and unmasking Drawing particular attention to the levels of communicative or mis communicative exchanges on the character to character axis and the character to audience axis this work examines the process whereby characters in the comedies construct narratives designed to trick misdirect dazzle confuse or exploit their interlocutors In the different incarnations of seducer parasite cross dresser duplicitous narrator messenger and deluded mythomaniac the author underscores the way in which the figure of the liar both entertains and troubles making it a fascinating subject worthy of detailed investigation

Social Structure in Moliere's Theater James F. Gaines, 1985

If you ally craving such a referred **Social Structures In Moliere's Theater** book that will have enough money you worth, acquire the very best seller from us currently from several preferred authors. Social Structures In Moliere's Theater Introduction

In the digital age, access to information has become easier than ever before. The ability to download Social Structures In Moliere's Theater has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Social Structures In Moliere's Theater has opened up a world of possibilities. Downloading Social Structures In Moliere's Theater provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Social Structures In Moliere's Theater has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Social Structures In Moliere's Theater. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Social Structures In Moliere's Theater. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Social Structures In Moliere's Theater, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Social Structures In Moliere's Theater has transformed the way we access information.

With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Social Structures In Moliere's Theater Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Social Structures In Moliere's Theater is one of the best book in our library for free trial. We provide copy of Social Structures In Moliere's Theater in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Social Structures In Moliere's Theater. Where to download Social Structures In Moliere's Theater online for free? Are you looking for Social Structures In Moliere's Theater PDF? This is definitely going to save you time and cash in something you should think about.
