Social Work Practice Cases And Principles:

Social Work Practice Cynthia Bisman, 1994 Incorporating the components of practice relationship assessment communication self awareness use of self and intervention Cynthia Bisman presents general principles that all practitioners can follow and helps you understand how what is done is related to why it is done Social Work Practice Cases and Principles also features Material from over twenty five case studies including verbatim dialogue taken from process recordings audio and video tapes that exposes the gritty reality of social workers in practice with clients Discussion of new concepts including relationship as a belief bonding self awareness use of self as practitioner observation and assessment as the social workers case history And much much more

Social Work Practice Kim Strom-Gottfried, 1999 An ideal supplement for courses in Social Work PRACTICE and METHODS Covers the full range of generalist practice skills as prescribed by Council on Social Work Education The 36 exercises each keyed to specific skills and client groups offers the most comprehensive coverage available today An early exercise 4 is devoted exclusively to the NASW Code of Ethics enabling the students to understand the Code and how it applies to a variety of case vignettes Throughout the exercises the student is provided with hands on experience with individuals families groups communities and organizations

Social Work Practice With Individuals, Families, and Groups Shelagh Jane Larkin, Jaylene Krieg Schaefer, 2025-01-06 Social Work Practice with Individuals Families and Groups An Integrated Approach serves as a foundational text that supports students through effective practice with multiple levels of client systems from the classroom to the profession Authors Shelagh Jane Larkin and Jaylene Krieg Schaefer have integrated the practicum experience throughout the core chapters emphasizing its role as the first area of social work practice Developed with both BSW and foundational MSW programs in mind this text offers an accessible exploration of social work practice with individuals families and groups through diverse case studies and practical examples aligned with the 2022 EPAS core competencies

Clinical Social Work with Individuals, Families, and Groups Michael C. LaSala, 2022-08-25 This textbook equips Masters of Social Work MSW students and beginning social workers with the personal and professional tools needed to work successfully with individuals families and groups guided by the social justice values of the profession This book is a comprehensive description of practical field tested ready to apply interventions based on the author's 40 years of practice as well as his national and international teaching training and supervision By drawing case illustrations from composites of actual practice he demonstrates how to apply various models as well as how to identify avoid and rectify clinical errors This book also provides core understandings and techniques from models of psychotherapy alongside essential clinical skills that cut across these approaches such as engagement establishing therapeutic relationships managing one's anxiety reaching for pain and the clinician's use of self Filled with reflective questions and ideas for class discussion the book addresses how to heal relationships across all contexts such as with clients in diverse and oppressed groups and doing clinical social work during the age of Covid Providing a description of clinical social work that is congruent

with diversity equity and social justice this excellent textbook is for students and instructors of MSW courses and will prove indispensable to beginning practitioners *Gerontological Social Work in Small Towns and Rural Communities* Lenard W Kaye,Sandra Butler,2012-10-12 Learn the skills you need to work with geriatric populations in rural areas Gerontological Social Work in Rural Towns and Communities provides a range of intervention and community skills aimed precisely at the needs of rural elders This book fills a gap in the literature by focusing on the specific practice concerns for social workers assisting older adults in rural areas including the aging experience social worker skills professional functions working with special populations and health and long term care concerns This valuable resource will benefit social workers gerontologists allied health professionals in rural areas health and human services administrators and managers Gerontological Social Work in Rural Towns and Communities explores the challenges social workers need to overcome when working with the elder community in rural areas This book s significance to social workers will only increase as more adults choose to live and grow old away from the cities Experts in the field suggest strategies to overcome barriers in planning and providing services such as a longer distance for the elderly to travel to use social service centers a narrower range of available services in the local area increased poverty levels for the elderly a stronger dependency by elderly on family rather than public assistance This book is divided into five sections Rurality and Aging introduces the concept of rurality and examines the demographics of aging from a rural perspective Practice Dimensions of Social Work with Rural Elders includes clinical practice models intervention and advocacy techniques program planning and marketing approaches Special Populations gives attention to four special population groups indigenous elders African American older adults elderly Latinos and disabled elders Special Issues Pertaining to Rural Elders covers five essential issues for rural gerontological social workers health promotion older workers and retirement preparation aging in place specialized housing and ethical practice Training and Policy Recommendations future training and education recommendations for social workers are explored as well as service capacity building the aging network and the future of long term care While a variety of theoretical perspectives are explored in Gerontological Social Work in Rural Towns and Communities the book s empowerment orientation and strengths based approach will enhance your abilities to improve quality of life for elderly individuals in rural communities Each chapter contains a comprehensive review of the literature on the subject it addresses and several chapters include tables and graphs to further establish their revealing empirical findings An appendix provides additional sources to turn to for more information

The Social Work Field Placement John Poulin,Selina Matis,Heather Witt,2018-10-28 This unique core text helps BSW and MSW students structure their field placement learning around the nine CSWE professional social work competencies Empowering students to go beyond merely completing tasks the book facilitates mastery and integration of these competencies by elucidating key concepts and applying them to realistic competency based case scenarios Each user friendly chapter directly linked to a particular competency promotes thought provoking reflection about field work with critical

thinking questions a detailed case example and an online competency reflection log template These tools reinforce learning by connecting competencies directly to students internship experiences Cases are structured to serve as models when students prepare their own cases and include a review of the competency detailed practice settings socioeconomic and context factors at micro macro and mezzo levels a problem overview an assessment of client strengths and weaknesses and a closing summary Additional learning aids include chapter opening vignettes and objectives plus chapter summaries Web and video links offer students a wealth of supplemental resources and a robust instructors package provides teachers with PowerPoints written competency assignments with grading rubrics and discussion exercises The print version includes free searchable digital access to entire contents of the book Key Features Integrates field placement experiences with the nine CSWE 2015 competencies Promotes thought provoking reflection about fieldwork with detailed case studies and challenging learning tools Includes discussions of ethical dilemmas technology and social media to reflect growing use and the challenges associated Includes online instructors resources including PowerPoints written competency assignments with grading rubrics and class discussion field reflection activities Print version includes free searchable digital access to entire contents of the book

Social Case Work Mr. Rohit Manglik,2023-05-23 In this book we will study about the process of helping individuals through professional support to resolve personal and social problems It introduces concepts methods and principles of case work emphasizing empathetic communication client assessment planning and evaluation [Essential Law for Social Workers](#) Robert G. Madden,2003 This book explores legal concepts legal reasoning and legal processes illustrated with case vignettes from social work practice in order to provide social work practitioners and students with practical and accessible legal knowledge It introduces readers to scholarship about the law and to conceptual knowledge that can be applied to any interaction with the legal system The volume features a discussion of recent reform movements including Alternative Dispute Resolution and an appendix of sources for legal information and research on the law

Social Work Practice with the Elderly Marvin David Feit,Michael J. Holosko,2004 The third edition describes significant practice issues and challenges facing gerontological social workers working with the fastest growing demographic cohort in North America Insightful and creative practitioners provide current accounts and case examples from their work in a variety of settings The material includes both micro and macro practice and offers a focus on advanced specialty practice while also providing an advanced generalist model All the chapters have been rewritten and updated by adding related additional readings and websites Six new chapters have been added on sensory impairment HIV AIDS elder abuse community assisted living rural elderly retirement and volunteerism Social Work Practice with the Elderly offers an exciting collection of well crafted readings and will be useful for any social work student at the undergraduate or graduate level It will also be a valuable resource for those in other helping professions who work side by side with social workers in this field nurses physiotherapists music and art therapists psychologists physicians recreational therapists speech and language therapists and clergy

Community Practice David A. Hardcastle, 2011-02-18 For almost two decades *Community Practice* has been a definitive text for social workers, community practitioners and students eager to help individuals contribute to and use community resources or work to change oppressive community structures. In this third edition, a wealth of new charts and cases spotlight the linkages between theoretical orientations and practical skills with an enhanced emphasis on the inherently political nature of social work and community practice. Boxes, examples and exercises illustrate the range of skills and strategies available to savvy community practitioners in the 21st century, including networking, marketing and staging political advocacy and leveraging information and communication technologies. Other features include: New material on community practice ethics, critical practice skills, community assessment and assets inventory and mapping, social problem analysis and applying community practice skills to casework practice. Consideration of post 9/11 community challenges. Discussion on the changing ethnic composition of America and what this means for practitioners. An exploration of a vastly changed political landscape following the election of President Obama, the Great Recession, the rise of the Tea Party and the increasing political and corporate use of pseudo grassroots endeavors. A completely revamped instructor's manual available online at www.oup.com/us/communitypractice. This fully revised classic text provides a comprehensive and integrated overview of the community theory and skills fundamental to all areas of social work practice. Broad in scope and intensive in analysis, it is suitable for undergraduate as well as graduate study. *Community Practice* offers students and practitioners the tools necessary to promote the welfare of individuals and communities by tapping into the ecological foundations of community and social work practice.

Multicultural Social Work Practice Derald Wing Sue, 2005-10-13 The groundbreaking new text for culturally competent social work practice. In *Multicultural Social Work Practice*, author Derald Wing Sue, one of the most prominent and respected pioneers in diversity research and practice, explores and synthesizes the important theoretical, political and philosophical concepts related to cultural competence in the field of social work. This comprehensive yet practical text offers students definitive guidance on culturally sensitive social work practice. This important new work challenges the reader to consider the different worldviews of a highly diversified population and achieve cultural competence through increased awareness, knowledge and skills. It provides specific definitions of multiculturalism, cultural competence and multicultural social work that clearly guide discussion, analysis and debate. It also highlights the sociopolitical and social justice aspects of effective practice and closely examines how social work theories, concepts and practices are often rooted in and reflective of the values of the dominant society. *Multicultural Social Work Practice* features sections on: Conceptual dimensions of multicultural social work practice. The political dimensions of social work practice. Racial, cultural identity development, social work implication. The practice dimensions of multicultural social work. Systemic and ecological perspectives of multicultural social work. Profiles in culturally competent care for diverse populations. In addition to the aforementioned coverage, this innovative text features unique chapters on barriers to effective practice, cultural styles in intervention strategies and

indigenous healing strategies It also employs generous clinical and real life examples to illustrate important concepts A lively provocative guidebook that challenges traditional social work practice and featuring a foreword by Monica McGoldrick Multicultural Social Work Practice is a benchmark text for students of social work professional social workers and others in the helping professions

Ethical Issues in Social Work Practice Sandu, Antonio, Frunza, Ana, 2017-12-15 Today's practitioners and researchers are looking now more than ever at the ethical issues that are raised through the practice of social work and social services As such it is crucial that they are up to date on the latest data on how to address manage and overcome ethical issues in their practice Ethical Issues in Social Work Practice is a pivotal reference source for the latest research on the role of moral values within social work and the ethical dilemmas that arise in the profession Highlighting extensive coverage among a variety of applicable perspectives and themes such as governing principles of social work practice ethical analysis of social work cases and individual and social responsibility in social services this book is ideally designed for professionals and researchers working in the field of social work and social services as well as academics and upper level students seeking cutting edge research on ethics in the practice of social work

Values and Ethics in Social Work Practice Lester Parrott, 2014-10-20 Applying values and ethics to social work practice is taught widely across the qualifying degree programme on both Masters and BA courses This book is a clear introduction to this subject and will help students develop their understanding by showing social work students how ethics can have positive impacts on the lives of vulnerable people There are chapters on how social workers can make good ethical and value based decisions when working with risk and how the role of the social worker as professional can impact on service users Above all the book is a timely and clear introduction to the subject with an emphasis on advocacy and empowerment and how the beginning social worker can start to apply these concepts

Social Work with the Aged and Their Families Roberta R. Greene, 2017-07-12 In recent years theoreticians researchers and practitioners have become increasingly interested in older adults and the aging process This volume draws on related disciplines to better understand the biological psychological and social aspects of aging Social Work with the Aged and Their Families covers areas of central interest to those coping with the needs of an aging population Among the topics addressed are assessment of the aging taking into account biological age psychological age and socio cultural and spiritual age Greene also considers the importance of the family system family roles and development functional age individual and family intervention and group and community interventions The scientific and systematic study of aging is known as gerontology Geriatric social workers are those who have applied established social work theories in an attempt to find suitable techniques for working with their elderly clients The need for specialized services has given birth to various services and programs For example meals on wheels and home health care services have been designed to meet specific physical needs of older adults However mental health services have lagged far behind as practitioners struggled to adapt such specialties as family therapy to families of later years A major contribution of this book now in its third edition is the

functional age model of intergenerational treatment FAM which is an outgrowth of that demand The functional age model of intergenerational treatment is an integrative theoretical framework for social workers interested in clinical social work practice with older adults and their families Since its initial construction in 1986 the model has been augmented by more recent concepts related to successful aging spirituality and resiliency These additions together with the original assessment and intervention strategies present the major converging conceptual trends that constitute a model for twenty first century social work practice in the field of aging

Official Circulars, Smith College Smith College,1925 *Social Work and the Transformation of Adult Social Care* Lymbery, Mark,Postle, Karen,2015-04-15 Reforms as well as cuts in services and finances are part of the everyday fabric of the social work landscape Taking a critical approach to the transformation agenda in social work this book outlines the implications of these changes for adult health and social care Fully informed by theory research policy and legislation it takes a problem based learning approach through the application of case studies explaining and exploring the overlapping roles of social care and social policy The authors argue for the continued significance and importance of social work within the context of adult social care social work they show can make a vital difference in the lives and experiences of many of those who are perceived to be the most vulnerable people in society It is essential reading for students educators and practitioners of social work and social policy and health and social care

Theory and Practice in Clinical Social Work Jerrold R. Brandell,1997-02 Following an overview of the principal frameworks for clinical practice including systems theory behavioral and cognitive theories and psychoanalytic theory the book goes on to present the major social crises and new populations the social worker confronts each day Theory and Practice in Clinical Social Work includes twenty four original chapters by leading social work scholars and master clinicians who represent the widest variety of clinical orientations and specializations

Proceedings of the National Conference of Social Work at the ... Annual Session Held in ... National Conference of Social Work (U.S.). Annual Session,1924 [Sociology and Social Research](#),1923 Includes the section Book notes *The Family* ,1920
