Social Work Values And Ethics

Pasquale De Marco

Social Work Values And Ethics:

Ethics, Values and Social Work Practice Linda Bell, Trish Hafford-Letchfield, 2015-03-16 A framework of ethics and values forms the foundation of social workers professional identities Ethics and values should shape the way that social workers practice and how they impact upon the lives of the service users they work to support In a fast moving world influenced by shifting policy tight budgets and changing practice standards students and practitioners need to anchor their understanding of themselves to clear principles for ethical practice Ethics Values and Social Work Practice is a brand new text offering students and social work practitioners a contemporary and relevant introduction to the central role of ethics and values in their work In addition to a grounding in the major trends in ethics applied to social work this book also provides perspectives on How to situate ethics and values in social work practice How to understand ethics as part of reflective practice as both student and practitioner How ethics and values link to concepts of power diversity and social justice The role of ethics and values in interprofessional and partnership working The guiding principles and ethics inherent in relationship based social work The book supports student learning by providing Discussion points to allow time for individual reflection or ethical debates Case studies based on likely scenarios from practice with reflection points to help social workers engage with the issues raised Chapter summaries and key points for social work practice to reinforce the relevance of your learning to real social work practice A glossary of key terms as a reference for key ethics terms and concepts Contributors Pat Cartney Jean Dillon Souzy Dracopoulou Ann Flynn Alison Higgs Mina Hyare Colin Whittington Margaret Whittington and Tom Wilks This is an excellent edited reader providing students and practitioners with a grounding in ethics and values whilst linking these to specific practice and the development of professional identity inclusion and reflective practice This book will be an essential reader for those in qualifying social work programmes ASYE staff practitioners and academics Hugh McLaughlin Professor of Social Work Manchester Metropolitan University UK This book provides an exceptional expos of ethics and values in social work practice Conceptual clarity and critical presentations of contemporary debates are presented in a systematic text It is written in an accessible style and the content will prove valuable to social work students practitioners and researchers alike This is one of the most comprehensive books on ethics and values in social work practice available in the market Professor Lambert Engelbrecht Department of Social Work Stellenbosch University South Africa

Social Work Values and Ethics Frederic G. Reamer, 2018-11-06 For decades teachers and practitioners have turned to Frederic G Reamer s Social Work Values and Ethics as the leading introduction to ethical decision making dilemmas and professional conduct in practice A case driven concise and comprehensive textbook for undergraduate and graduate social work programs this book surveys the most critical issues for social work practitioners The fifth edition incorporates significant updates to the National Association of Social Workers Code of Ethics and new practice and model regulatory standards used by social service and licensing agencies around the world Reamer also focuses on how social workers should navigate the digital world through discussion

of the ethical issues that arise from practitioner use of online services and social networking sites to deliver services communicate with clients and provide information to the public and what standards will protect confidential information transmitted electronically He highlights potential conflicts between professional ethics and legal guidelines and expands discussions of informed consent confidentiality and privileged communication boundaries and dual relationships documentation conflicts of interest and risk management Conceptually rich and attuned to the complexities of ethical decision making *Social Work Values and Ethics* is unique in striking the right balance among history theory and practical application

Values and Ethics in Social Work Practice Lester Parrott, 2014-10-20 Applying values and ethics to social work practice is taught widely across the qualifying degree programme on both Masters and BA courses This book is a clear introduction to this subject and will help students develop their understanding by showing social work students how ethics can have positive impacts on the lives of vulnerable people There are chapters on how social workers can make good ethical and value based decisions when working with risk and how the role of the social worker as professional can impact on service users Above all the book is a timely and clear introduction to the subject with an emphasis on advocacy and empowerment and how the beginning social worker can start to apply these concepts

Values and Ethics in Social Work Chris Beckett, Andrew Maynard, 2012-11-13 What are my values What are the values of others around me What are the values and ethics of the social work profession An awareness of our own ethical assumptions and how these inform our practice is crucial for the student social worker The second edition of this bestselling book is now split into two parts Part 1 considers the foundations of every person's values and provides a background to moral philosophy Part 2 examines key ethical issues and how they determine practice such as using power allocating resources treating others with respect and celebrating diversity For the second edition two new chapters have been added to the book on The political dimension in ethical decision making Realism as a guiding ethical principle Written in a uniquely straightforward style everyday social work practice is the key focus throughout Every chapter includes interactive exercises and case studies challenging you to reflect on a range of practical dilemmas Visit the accompanying companion website for videos of the authors discussing the issues covered in each chapter of the book These short clips will aid and enhance your understanding of the importance of values and ethics in each area of social work Chris Beckett and Andrew Maynard's book is essential reading for all undergraduate and postgraduate social work students

Social Work Ethics Charles S. Levy, 1976

Ethics and Values in Social Work Sarah Banks, 2020-11-04 With over 40 000 copies sold across its lifetime this is social work classic from a leading international author Synthesizing the complex ideas and concepts that characterize social work's value base Sarah Banks expertly provides a clear and systematic account of professional ethics in relation to social work practice framed within a global context *Ethics and Values in Social Work* is co published with the British Association of Social Workers BASW and this fifth edition provides revised and updated analysis of professional regulation and codes of practice Written with Banks trademark

accessibility and theoretical rigour this updated edition continues to be a relevant and invaluable resource for all students taking Ethics and Values modules at both undergraduate and postgraduate levels as well as educators and practitioners of social work New to this Edition Revised and updated analyses of professional regulations and codes of practices Updated case studies with an increased number of global examples of social work practice More cases featuring adults [Ethics and Values in Social Work](#) Allan E. Barsky, 2009-10-14 In a unique and student friendly package Ethics and Values in Social Work offers a series of learning modules that will ensure graduates receive a comprehensive ethics and values education Designed to be easily incorporated into any curriculum each module helps students integrate the knowledge skills self awareness and critical thinking abilities required for dealing with ethical issues From applying basic ethical standards of practice to managing complex ethical dilemmas this textbook equips readers with a range of tools and strategies for responding to ethical questions and concerns Traditional ethics textbooks provide students with a model for ethical decision making This breakthrough textbook goes beyond ethical decision making by providing students with a strategic framework for managing ethical issues that includes guidelines for engaging others in ethical discussions and using conflict resolution theory to promote collaborative solutions Some textbooks introduce students to ethical theories such as deontology teleology and virtue ethics This textbook goes beyond describing these theories by providing students with opportunities to apply compare and contrast these approaches as they relate to various contexts of social work practice A wealth of case scenarios discussion questions and role play exercises make this an engaging thought provoking teaching and learning tool At a basic level this textbook teaches students the essential principles and standards that define ethical practice At a more profound level Ethics and Values in Social Work inspires students to reach for the highest values of profession service dignity and worth of the person human relationships integrity competence social justice human rights and scientific inquiry **Values and Ethics in Social Work** Chris Beckett, Andrew Maynard, 2005-03-18 This introductory text is designed to equip students with a sound understanding of the principles of values and ethics which no social worker should be without *Social Work Theory and Ethics* Dorothee Hölscher, Richard Hugman, Donna McAuliffe, 2023-03-17 This reference work addresses the ideas that shape social work Much of the social work literature addresses questions of theory and ethics separately so that the body of thought that is represented in social work scholarship and research creates a distinction between them However the differences between these categories of thought can be somewhat arbitrary This volume goes beyond this simple separation of categories Although it recognises that questions of theory and ethics may be addressed distinctly the connections between them can be made evident and drawn out by analysing them alongside each other Social work s use and development of theory can be understood in two complementary ways First theory from the social sciences and other disciplines can be applied for social work second considered systematic examinations of practice have enabled theory to be developed out of social work These different approaches are usually referred to as theory for practice and practice theory The advancement of

social work theory occurs often through the interplay between these two dimensions through research and scholarship in the field Similarly social work ethics draw on principles and concepts that have their roots in philosophical inquiry and also involve applied analysis in the particular issues with which social workers engage and their practices in doing so In this way social work contributes to wider debates through advancement of its own perspectives and knowledge gained through practice Social Work Theory and Ethics Ideas in Practice offers a unique approach by bringing together the complementary dimensions of theory with each other and at the same time with ethical research and scholarship It presents an analysis of the ideas of social work in a way that enables connections between them to be identified and explored This reference is essential reading for social work practitioners researchers policy makers academics and students as well as an invaluable resource for universities research institutes government ministries and departments major non governmental organisations and professional associations of social work

Teaching Social Work Values and Ethics Phyllis N. Black, Elaine Piller Congress, 2002

The Routledge Handbook of Social Work Ethics and Values Stephen Marson, Robert McKinney, Jr., 2019-05-31 The Routledge Handbook of Social Work Ethics and Values is a comprehensive exploration and assessment of current and future issues facing social work practice and education It is the first book to codify ethical practices for social workers from across the globe and in myriad workplace settings Each section meaningfully captures this complex subject area ethics writ large visions of diverse values abortion relationship and gender issues micro and mezzo practice settings social work education technological issues spirituality globalism economic issues special topics Leaving no stone unturned this handbook comprehensively addresses the most controversial topics in an evenhanded manner Among professional social workers values and ethics traverse political boundaries cultural identifications and languages This handbook will help to make sense of this unity within diversity With contributions from the world s leading scholars this book will be a valuable resource for all social work students academics researchers and practitioners who seek a coherent and objective analysis in the abstract arena of ethics and values

The Values of Change in Social Work Steven Shardlow, 2003-09-02 Examining the major developments in social work from moral philosophical and political perspectives the highly respected and experienced contributors to this text analyse social work values and place them firmly in a modern practical context

Ethical Decisions for Social Work Practice Frank M. Loewenberg, Ralph Dolgoff, 1985
