

SOCIAL ISSUES **AND PARTY POLITICS**

Edited by HELEN JONES and SUSANNE MADGREGOR

Social Issues And Party Politics

Daniela Giannetti, Kenneth Benoit

Social Issues And Party Politics:

Social Conservatives and Party Politics in Canada and the United States James Farney, 2012-06-04 The strength of the Tea Party and Religious Right in the United States alongside the Harper Conservatives stance on same sex marriage and religious freedom in Canada has many asking whether social conservatism has come to define the right wing of North American politics In this timely and penetrating book James Farney provides the first full length comparison of social conservatism in Canada and the United States from the sexual revolution to the present day Based on archival research and extensive interviews it traces the historic relationship between social conservatives and other right wing groups Farney illuminates why the American Republican Party was quicker to accept social conservatives as legitimate and valuable allies than the Conservative Party of Canada This book will be indispensable for understanding why a movement so powerful amongst American conservatives has been distinctively less important in Canada and how the character of Canadian conservatism means it will likely remain so

The European Union and Party Politics in Central and Eastern Europe P. Lewis, Z. Mansfeldová, 2006-10-30 This book examines the influence of the EU on party politics in the ten new EU countries from a variety of perspectives and using a range of empirical sources The book thus makes an original and distinctive contribution both to contemporary EU studies and to the literature on CE party systems and party development

Party Politics in Taiwan Dafydd Fell, 2006-09-27 In 1991 Taiwan held its first fully democratic election This first single volume of party politics in Taiwan analyzes the evolution of party competition in the country looking at how Taiwan's parties have adjusted to their new multi party election environment It features key chapters on the development of party politics in Taiwan the impact of party change on social welfare corruption and national identity party politics in the DPP era Including interviews with high ranking Taiwanese politicians and material on the 2004 Presidential election this important work brings the literature up to date It provides a valuable resource for scholars of Chinese and Taiwanese politics and a welcome addition to the field of regime transition and democratization

The Problem of Party Government Richard Rose, 2015-12-22
Intra-Party Politics and Coalition Governments Daniela Giannetti, Kenneth Benoit, 2008-10-27 This book explores how intra party politics affects government formation and termination in parliamentary systems where the norm is the formation of coalition governments The authors look beyond party cohesion and discipline in parliamentary democracies to take a broader view assuming a diversity of preferences among party members and then exploring the incentives that give rise to coordinated party behaviour at the electoral legislative and executive levels The chapters in this book share a common analytical framework confronting theoretical models of government formation with empirical data some drawn from cross national analyses and others from theoretically structured case studies A distinctive feature of the book is that it explores the impact of intra party politics at different levels of government national local and EU This offers the opportunity to investigate existing theories of coalition formation in new political settings Finally the book offers a range of innovative methods for

investigating intra party politics which for example creates a need to estimate the policy positions of individual politicians inside political parties This book will be of interest to political scientists especially scholars involved in research on political parties parliamentary systems coalition formation and legislative behaviour multilevel governance European and EU politics

Handbook of Party Politics Richard S Katz, William J Crotty, 2006-01-26 The Handbook of Party Politics is the first book to comprehensively map the state of the art in contemporary party politics scholarship This major new work brings together the world's leading party theorists to provide an unrivalled resource on the role of parties in the pressing contemporary problems of institutional design and democratic governance today *The Reshaping of West European Party Politics*

Christoffer Green-Pedersen, 2019-07-31 Long gone are the times when class based political parties with extensive membership dominated politics Instead party politics has become issue based Surprisingly few studies have focused on how the issue content of West European party politics has developed over the past decades Empirically Reshaping of West European Party Politics studies party politics in Belgium Denmark France Germany the Netherlands Sweden and the UK from 1980 and onwards This book highlights the more complex party system agenda with the decline but not disappearance of macroeconomic issues as well as the rise in new politics issues together with education and health care Moreover various new politics issues such as immigration the environment and European integration have seen very different trajectories To explain the development of the individual issues this volume develops a new theoretical model labelled the issue incentive model of party system attention The aim of the model is to explain how much attention issues get throughout the party system which is labelled the party system agenda To explain the development of the party system agenda one needs to focus on the incentives that individual policy issues offer to large mainstream parties i e the typical Social Democratic Christian Democratic or Conservative Liberal parties that have dominated West European governments for decades The core idea of the model is that the incentives that individual policy issues offer to these vote and office seeking parties depend on three factors namely issue characteristics issue ownership and coalition considerations The issue incentive model builds on and develops a top down perspective on which the issue content of party politics is determined by the strategic considerations of political parties and their competition with each other Comparative Politics is a series for researchers teachers and students of political science that deals with contemporary government and politics Global in scope books in the series are characterised by a stress on comparative analysis and strong methodological rigour The series is published in association with the European Consortium for Political Research For more information visit www.ecprnet.eu The series is edited by Emilie van Haute Professor of Political Science Universit libre de Bruxelles Ferdinand M ller Rommel Director of the Center for the Study of Democracy Leuphana University and Susan Scarrow John and Rebecca Moores Professor of Political Science University of Houston *Party System Changes and Challenges to Democracy* Danica Fink-Hafner, 2024-03-19 This open access book focuses on the nexus between party system stability and democratic consolidation using Slovenia as a case study

Its findings are presented from a comparative perspective to illustrate the commonalities and differences found in research on Central European post socialist countries and former Yugoslav countries On the one hand Slovenia s characteristics including the characteristics of its transition to democracy are far more similar to those of Central European post socialist countries than Western Balkan countries On the other Slovenia shares some similarities with other parts of the former Yugoslavia especially its experiences with the political system of socialist self management elements of a market economy under socialism and war following the end of socialism albeit the conflict in Slovenia was very short and rather mild in comparison to those in other parts of socialist Yugoslavia Slovenia s experiences with rapid but limited democraticbacksliding under the Jan a government March 2019 June 2022 were halted by the 2022 national election in contrast to the more widely known cases of Hungary and Poland where such backsliding took place incrementally over a longer period of time that included several election cycles

Family Policy in Transformation D. Woods,2012-01-06 In the US and UK there has been a transformation in child care family leave social assistance and tax credits over the last twenty years This book explores the factors behind these changes With detailed case studies it shows that ideas and the power to wield them are crucial factors in the transformation of family policy

Politicians and Party Politics John Gray Geer,1998 Focusing on politicians as individuals rather than their political parties thirteen essays from a distinguished group of contributors examine how politicians as party members motivate voters how they conduct campaigns and how they behave in government 36 illustrations

Guide to U.S. Political Parties Marjorie R. Hershey,2014-04-01 This one volume reference presents the major conceptual approaches to the study of U S political parties and the national party system describing the organization and behavior of U S political parties in thematic narrative chapters that help undergraduate students better understand party origins historical development and current operations Further it provides researchers with in depth analysis of important subtopics and connections to other aspects of politics Key Features Thematic narrative chapters organized into six major parts provide the context as well as in depth analysis of the unique system of party politics in the United States Top analysts of party politics provide insightful chapters that explore how and why the U S parties have changed over time including major organizational transformations by the parties behavioral changes among candidates and party activists and attitudinal changes among their partisans in the electorate The authors discuss the way the traditional concept of formal party organizations gave way over time to a candidate centered model fueled in part by changes in campaign finance the rise of new communication technologies and fragmentation of the electorate This book is an ideal reference for students and researchers who want to develop a deeper understanding of the current challenges faced by citizens of republican government in the United States

Party Politics in European Microstates Fernando Casal Bértoa,Patrick Dumont,2022-11-30 This book represents the first comprehensive study of the evolution of parties and party systems in all nine democratic European states with less than one million inhabitants As small political units have for long

been considered to be most conducive to stable democracy this volume analyses the actual role of political parties and partisan competition in the operation of modern democracy in those European microstates Drawing on the crucial contribution of leading country experts in the field it provides rich systematic contextualized knowledge on these lesser known cases It further contributes to the mainstreaming of small state research in social science studies by comparing the experience of party politics in European microstates with that of larger countries in the same region of the world This volume will be of key interest to scholars and students of party systems and political parties elections and democracy small states European politics and more broadly of comparative politics **Statesmanship and Party Government** Harvey C.

Mansfield,2024-05-31 In this incisive look at early modern views of party politics Harvey C Mansfield examines the pamphlet war between Edmund Burke and the followers of Henry St John First Viscount Bolingbroke during the mid eighteenth century In response to works by Bolingbroke published posthumously Burke created his most eloquent advocacy of the party system Taking an interdisciplinary approach to the material Mansfield shows that present day parties must be understood in the light of the history of party government The complicated organization and the public actions of modern parties are the result he contends and not the cause of a great change in opinion about parties Mansfield points out that while parties have always existed the party government that we know today is possible only because parties are now considered respectable In Burke s day however they were thought by detractors to be a cancer in a free polity Even many supporters of the parties viewed them as a dangerous instrument only to be used cautiously by statesmen in dire times Burke however was an early champion of the party system in Britain and made his arguments with a clear eyed realism In **Statesmanship and Party Government** Mansfield provides a skillful evaluation of Burke s writings and sheds light present day party politics through a profound understanding of the historical background of the their inception Political Institutions and Lesbian and Gay Rights in the United States and Canada Miriam Smith,2008-08-18 This book examines why the US and Canada have produced such divergent policy outcomes in affording rights to their gay and lesbian citizens Smith s contribution will prove vital as movements for lesbian and gay rights continue to recast the social landscape in North America and beyond

Public Opinion and Interest Group Politics Heather A. Thuynsma,2012 Pt 1 Public opinion and interest group politics around the world instructive insight Special interests and how they help shape US legislation interesting possibilities or potential pitfalls Fundraising for social change in the US interest group advocacy in contemporary US elections Interest groups in the German political system advice for South Africa Pt 2 Public opinion and interest group politics in South Africa comparing perspectives Understanding the South African political psyche The character of the South African state the self understanding of the ANC as government and its impact on the public space The methodology of polling public opinion in South Africa measuring the pulse of the people Managing public opinion during the 2009 South African elections The possibilities of election campaigns as sites for political advocacy South Africa in comparative perspective Challenges for

interest groups and their advocacy campaigns the case of sustainable medium density housing An interest group at work environmental activism and the case of acid mine drainage on Johannesburg s West Rand Pt 3 Championing public opinion a future for interest groups Managing campaigns to influence the public policy agenda putting theory into practice Advocacy and financing that shapes and shifts public opinion Government and access effects on the use of social networking sites by nationwide NGOs in the US South Africa and Mexico The ability of social movements to affect policy change in South Africa and the United States comparing and contrasting key elements of HIV AIDS treatment and welfare entitlement campaigns Beyond appeasement the real business agenda Democracy without choice Interest groups advocacy and political behaviour in Namibia a warning for South Africa Pro-Family Politics and Fringe Parties in Canada Chris MacKenzie,2014-05-14 Pro Family Politics and Fringe Parties in Canada explores the organizational and ideological nature of political parties that are initially formed to do the work of social movements Specifically it examines the development of the Family Coalition Party of British Columbia FCP from its origins as a group of alienated Social Credit Party members to its rebirth as the Unity Party of British Columbia and through its struggles as a marginal political entity along the way While addressing the FCP s relationship to the larger North American pro family movement Chris MacKenzie also deftly demonstrates how the party can be seen as organizationally congruent with its ideological antithesis the Green Party Basing his findings on seven years of field research he identifies the obstacles that political parties involved in social movement work must overcome in order for them to achieve their goals He concludes that despite their invaluable contribution to democracy such party movements have limited political institutionalization Consequently their only realistic goal may be to merge their ideals with those of another larger political body This book makes a substantial contribution to our understanding of the genesis development and impact of political party movements in Canada Moreover it provides useful insight into the dynamics and issues that make up the current pro family movements in Canada and the United States Abortion Politics Ziad Munson,2018-05-21 Abortion has remained one of the most volatile and polarizing issues in the United States for over four decades Americans are more divided today than ever over abortion and this debate colors the political economic and social dynamics of the country This book provides a balanced clear eyed overview of the abortion debate including the perspectives of both the pro life and pro choice movements It covers the history of the debate from colonial times to the present the mobilization of mass movements around the issue the ways it is understood by ordinary Americans the impact it has had on US political development and the differences between the abortion conflict in the US and the rest of the world Throughout these discussions Ziad Munson demonstrates how the meaning of abortion has shifted to reflect the changing anxieties and cultural divides which it has come to represent Abortion Politics is an invaluable companion for exploring the abortion issue and what it has to say about American society as well as the dramatic changes in public understanding of women s rights medicine religion and partisanship **Feminists and Party Politics** Lisa Young,2000 Examines the effort to bring feminism into politics through

established North American political parties

The Feminist Political Campaign for Eugenic Legislation in New Jersey, 1910-1942 Alan R. Rushton, 2023-01-12 As this book shows between 1910 and 1942 social feminists in New Jersey waged an unsuccessful campaign for legislation that would permit eugenic sterilization of feeble-minded and other undesirable citizens Church archives and religious periodicals described the conflict between Catholic and Protestant citizens regarding this issue Reform-minded women persisted in their quest for such progressive state legislation despite repeated failures Their number of potential voters was very small compared to the organized bloc of Catholic citizens who viewed such legislation as immoral and based on bad science and threatened to unseat any legislator who supported such a notion This insightful text highlights that public officials would only enact such laws when they were convinced that many citizens supported a particular eugenic goal and then would vote for legislators who satisfied this moral challenge Public opinion was unprepared for such radical legislation in New Jersey and legislators learned that to even consider a eugenic sterilization notion would be political suicide

Right Radicalism in Party and Political Systems in Present-day European States Natalia Eremina, Sergei Seredenko, 2015-06-18 This book explores a broad range of concepts of and approaches to far right parties and ultranationalist ideology and studies the legal and political discourses within which they are often embedded Offering detailed insights into the nature of the far right and its viewpoints the book provides a multidimensional study of the evolution of the far right and its impact on the contemporary European political and party system society and state In addition a clear definition of the substantial amount of criminal far right parties in the Annex of the book dispels the illusion that far right ultranationalist groups do not represent a danger for both society and state This book has several unique aspects particularly its use of catalogues that allow for the researching of far right parties and ideology according to concrete definitions

The Enigmatic Realm of **Social Issues And Party Politics**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **Social Issues And Party Politics** a literary masterpiece penned with a renowned author, readers set about a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting affect the hearts and minds of those who partake in its reading experience.

Social Issues And Party Politics Introduction

In today's digital age, the availability of Social Issues And Party Politics books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Social Issues And Party Politics books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Social Issues And Party Politics books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Social Issues And Party Politics versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Social Issues And Party Politics books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Social Issues And Party Politics books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Social Issues And Party Politics books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public.

Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Social Issues And Party Politics books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Social Issues And Party Politics books and manuals for download and embark on your journey of knowledge?

FAQs About Social Issues And Party Politics Books

1. Where can I buy Social Issues And Party Politics books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Social Issues And Party Politics book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Social Issues And Party Politics books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing.

Book Swaps: Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Social Issues And Party Politics audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Social Issues And Party Politics books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
