Edinger, Heinrich Best**

Social Legacy Of Communism:

The Social Legacy of Communism James R. Millar, Sharon L. Wolchik, 1994-08-26 This book analyzes the social impact of the transition from communism in Eastern Europe and the former Soviet Union

Institutional Legacies of Communism Karl Cordell, Timofey Agarin, Alexander Osipov, 2013-07-03 Twenty years after the demise of communist policy this book evaluates the continuing communist legacies in the current minority protection systems and legislations across a number of states in post communist Europe The fall of communism and the process of democratisation across post communist Europe led to considerable change in minority protection with new systems and national political institutions either developed or copied In general the new institutions reflected the practices and experiences of western European states and were installed upon advice from European security organisations Yet many ideas legislative frameworks policies and practices remained open to interpretation on the ground With case studies on a diverse set of post communist polities including Slovakia Bosnia Macedonia Ukraine Estonia Croatia the Baltic States and Russia expert contributors consider how the institutional legacies of the communist past impact on policies designed to support minority communities in the new European democracies Providing unique empirical material and comparative analyses of ethnocultural diversity management during and after communism this book will be of interest to students and scholars of international relations European politics political geography post communism ethnic politics nationalism and national identity

The Legacy Structure of Russia's One Hundred Year Transformation David Foley, 2018-11-16 Research and analysis of the post Soviet Russian experience of political economic and social change have generally focused attention on the complications and influences of the Soviet legacy on the transition process with most early main stream studies emphasizing the difficulties of the adoption of the institutions of democracy and a free market economy to the centralized command and control legacy structures carried over from that adjacent system to the more recent analyses that have attempted to explain why the Putinist hybrid authoritarian democracy emerged to take control of the Russian state The complex nature of the Russian experience of political social and economic change had yet to be explained as a long term legacy analysis until now with the linkages presented in this study of the legacies and structures that have defied attempts at reform by the Bolsheviks the Soviets and the modern Republicans The political geography of Russia represents a districting system that defines the people and places and represents an influential legacy structure that has had a long reach from the Russia of Imperialism to the Russia of Putinism and the twenty first century A clearer understanding of the influences the Imperial legacy brings to the Russian transformation enables the student of post Soviet Russian transition an opportunity to contextualize the strong linkages of historical governance structures with the one hundred years of Bolshevik and Soviet system capture and the struggles of transformation faced by the government and people of Russia today

Women and Gender in Central and Eastern Europe, Russia, and Eurasia Mary Zirin, Irina Livezeanu, Christine D. Worobec, June Pachuta Farris, 2015-03-26 This is the first comprehensive multidisciplinary

and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium The coverage encompasses the relevant territories of the Russian Hapsburg and Ottoman empires Germany and Greece and the Jewish and Roma diasporas Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled documentation of women writers and artists and autobiographical works of all kinds The volumes include approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies The entries are cross referenced and each volume includes indexes

Women's Voices and Feminism in Polish Cultural Memory Urszula Chowaniec, Ursula Phillips, 2013-02-22 Every time a so called woman s voice appears in the media in connection with any sphere of creative activity it finds itself confronted by the almost formulaic expression feminism today instantaneously suggesting that feminism is in fact a matter of the past and that if we want to return to this phenomenon then we need to explain ourselves Women s Voices and Feminism in Polish Cultural Memory seeks to elaborate the problem of generalization expressed by such formulas as feminism today while analysing how feminist sympathies have shaped Polish literature film and language This volume does not want to impose any hegemonic understanding of feminism or imply any a priori ideological assumptions about women s nature or role in society It seeks to identify what is particular to the Polish feminist experience It starts by asking such questions as what is feminism today or what can we learn from the history of Polish women s writing In answering these questions the women scholars who have contributed to the volume examine Polish cultural history and memory in the context of the transformations transitions and catastrophes of the last two centuries whilst firmly rooting Polish experience within the common European heritage

Human Rights, the Family, and Internationalism Since the Nineteenth Century Julia Moses, 2025-07-17 This book examines one of the key issues shaping global considerations of human rights today the idea of the family as a protected category Bringing together historians political scientists legal scholars and historical sociologists the book investigates how ideas about the family and sexuality intersected with thinking about human rights for example through new international law and international institutions social movements targeting issues related to religion gender and sexuality historical developments such as war and the collapse of empires and developments in the social sciences It features case studies on regions around the globe as well as on relevant international organisations and individuals who have been influential in this area In doing so the contributors to this collection interrogate the relationship between human rights related to the family and broader debates about rights related to gender and sexuality

America Coming to Terms: The Vietnam Legacy Nguyen Anh Tuan, 2008-12-23 Douglas Pike an eminent authority on Southeast Asia and particularly on Vietnam wrote Dr Nguyen Anh Tuan is a highly respected economist and political thinker Even perhaps for our purpose here he is a man of great breadth of view a philosopher in the true meaning of the word In America Coming to Terms Dr Nguyen

Anh Tuan addresses himself to the central issue of the Vietnam War This ambitious study seeks to place the U S involvement in Vietnam into the broader context of American and world history The legacy of the Vietnam War remains a critical topic particularly with the war in Iraq generating the specter of conflicting partisan politics in a deeply divided country America s involvement in Vietnam was misunderstood at the time and is still misrepresented now As the Iraq War often invites comparisons with the Vietnam War a full understanding of the U S experience in Vietnam is essential More importantly lessons learned from Vietnam can be applied to Iraq at present as well as to any U S conflict in the future America Coming to Terms will help the American public to better understand the real legacy of the Vietnam War It will provide Americans liberal as well as conservative Democrat as well as Republican with substantive reasons to be united and to be proud of America Most importantly it will meaningfully impact the writing of American history for future generations and change for the better the world s perception of the American people and of America Steven Hayward a most distinguished scholar wrote Revisionist historians two or three generations from now are likely to begin making the argument that the United States won the ultimate victory in the Vietnam War and that it should be seen as the turning point in the Cold War In America Coming to Terms Dr Tuan set the record straight that notwithstanding a number of mistakes that were committed not only America won the Cold War but ultimately also won the Vietnam War

Communism's Shadow Grigore Pop-Eleches, Joshua A.

Tucker, 2017-05-09 It has long been assumed that the historical legacy of Soviet Communism would have an important effect on post communist states However prior research has focused primarily on the institutional legacy of communism Communism s Shadow instead turns the focus to the individuals who inhabit post communist countries presenting a rigorous assessment of the legacy of communism on political attitudes Post communist citizens hold political economic and social opinions that consistently differ from individuals in other countries Grigore Pop Eleches and Joshua Tucker introduce two distinct frameworks to explain these differences the first of which focuses on the effects of living in a post communist country and the second on living through communism Drawing on large scale research encompassing post communist states and other countries around the globe the authors demonstrate that living through communism has a clear consistent influence on why citizens in post communist countries are on average less supportive of democracy and markets and more supportive of state provided social welfare The longer citizens have lived through communism especially as adults the greater their support for beliefs associated with communist ideology the one exception being opinions regarding gender equality A thorough and nuanced examination of communist legacies lasting influence on public opinion Communism s Shadow highlights the ways in which political beliefs can outlast institutional regimes

The Politics of the Postcommunist World Stephen White, Daniel Nelson, 2017-11-01 This title was first published in 2001 This series brings together the most significant journal articles to appear in the field of comparative politics since the 1970s The aim is to render accessible to teachers researchers and students an extensive range of essays as a basis for understanding established terrain and new

ground **Central and East European Politics** Sharon L. Wolchik, Jane Leftwich Curry, 2011 A useful text and reference book These essays are at their best in serving both area study and political sociology *Slavic Review* **Beyond State Crisis?** Mark Beissinger, M. Crawford Young, 2002-01-24 The contributors not only study state breakdown but compare the consequences of post communism with those of post colonialism **Parliamentary Elites in Central and Eastern Europe** Elena Semenova, Michael Edinger, Heinrich Best, 2013-12-13 Legislators are entrusted with key parliamentary functions and are important figures in the decision making process Their behaviour as political elites is as much responsible for the failures and successes of the new democracies as their institutional designs and constitutional reforms This book provides a comparative examination of representative elites and their role in democratic development in post communist Central and Eastern Europe CEE It argues that as the drivers of the transformation process in CEE individual and collective parliamentary actors matter The authors provide an in depth analysis of representatives from eleven national parliaments and explore country specific features of recruitment and representation They draw on an integrated dataset of parliamentary elites for individual party family and parliamentary variables over the 20 years following the collapse of Communism and develop a common framework for the analysis of variations in democratisation and political professionalisation between parliaments and political parties party families across CEE This unique volume will be of interest to students and scholars of comparative politics elite research post communist politics democratisation legislative studies and parliamentary representation **Edinburgh Companion to the History of Democracy** Benjamin Isakhan, 2015-03-24 Re examines the long and complex history of democracy and broadens the traditional view of this history by complementing it with examples from unexplored or under examined quarters *New Frontiers in Comparative Sociology* Masamichi S. Sasaki, 2009 This book is a collection of notable papers from the first six volumes of the journal *Comparative Sociology* Its content represents leading edge and contemporarily astute analyses in the burgeoning science of comparative sociology especially relevant to a globalizing world in transition Given that not everyone is acquainted with comparative sociology this book offers an opportunity to enlighten readers unfamiliar with the discipline about the importance of comparative sociology to the new world order Taken together the articles illuminate various aspects of comparative sociology a theoretical methodological substantive Some compare social entities in subjective case study fashion while others report on rigorous social research All contribute in one form or another to describing the many and varied facets of the exciting a new science of comparative sociology The content of this volume has previously been published in *Comparative Sociology* volumes 1 a 6 3 **Exploring Gypsiness** Ada I. Engebrigtsen, 2007-10 Romania has a larger Gypsy population than most other countries but little is known about the relationship between this group and the non Gypsy Romanians around them This book focuses on a group of Rom Gypsies living in a village in Transylvania and explores their social life and cosmology Because Rom Gypsies are dependent on and define themselves in relation to the surrounding non Gypsy populations it is important to understand their day to day

interactions with these neighbors primarily peasants to whom they relate through extended barter The author comes to the conclusion that although economically and politically marginal Rom Gypsies are central to Romanian collective identity in that they offer desirable and repulsive counter images incorporating the uncivilized immoral and destructive other This interdependence creates tensions but it also allows for some degree of cultural and political autonomy for the Roma within Romanian society

Masculinities in Polish, Czech and Slovak Cinema Ewa Mazierska, 2008 Gender especially masculinity is a perspective rarely applied in discourses on cinema of Eastern Central Europe Masculinities in Polish Czech and Slovak Cinema exposes an English speaking audience to a large proportion of this region's cinema that previously remained unknown focusing on the relationship between representation of masculinity and nationality in the films of two and later three countries Poland Czechoslovakia the Czech Republic and Slovakia The objective of the book is to discuss the main types of men populating Polish Czech and Slovak films that of soldier father heterosexual and homosexual lover against a rich political social and cultural background Czech Slovak and Polish cinema appear to provide excellent material for comparison as they were produced in neighbouring countries which for over forty years endured a similar political system state socialism

Women, Migration and Gendered Experiences Ermira Danaj, 2022-03-09 This open access book focuses on Albanian internal and international female migration and places gender at the heart of postsocialist transformation It explores the vulnerabilities that arise for female citizens from the contradictory policies produced by the Albanian state By illuminating the intersection of gender and migration it shows how Albanian women are likely to embed themselves in complex social relations and migration trajectories By focusing on various cases internal international return economic and student female migrants the book underlines that migration does not follow any kind of evolutionary development according to which women go from traditional to modern gender relations By providing a compelling account on the complex negotiations and tactics women employ to deal with gender inequalities this book leads to a better understanding of gender and migration entanglements It is a useful read to students academics in migration and gender studies as well as social scientists and policy makers in European countries

The International Politics of Eurasia: v. 9: The End of Empire? Comparative Perspectives on the Soviet Collapse S. Frederick Starr, Karen Dawisha, 2016-09-16 First Published in 1997 This book is the ninth in a series of often volumes produced by the Russian Littoral Project The project shares the conviction that the transformation of the former Soviet republics into independent states demands systematic analysis of the determinants of the domestic and foreign policies of the new countries The series of volumes is intended to provide a basis for comprehensive scholarly study of these issues This volume was shaped by the author's view that future scholarship about the post Soviet world requires both specialized research and broad gauge studies that carefully juxtapose the breakup of the Soviet empire with the transformation of other multinational empires

The Subjective Experience of Joblessness in Poland Irina Tomescu-Dubrow, Joshua Kjerulf Dubrow, Anna Kiersztyn, Katarzyna Andrejuk, Marta Kołczyńska, Kazimierz M.

Slomczynski,2019-05-07 This book describes the experience of joblessness and unemployment in contemporary Poland It does so by combining qualitative and quantitative data from a special project conducted in Poland after the Great Recession and the long term Polish Panel Survey POLPAN to describe the lives of the jobless women and men currently out of work the recently re employed and housewives The book uses a class and inequality perspective to investigate how these women and men became jobless how they look for and find employment their household and social activities and their political participation It contextualizes these experiences with a description of Poland s economy labor market and employment policies after the fall of Communism and builds on the active interviewing and social constructionist approaches to explore the complex interviewer respondent relationship *The Estate Origins of Democracy in Russia* Tomila V.

Lankina,2021-12-16 A devastating challenge to the idea of communism as a great leveller this extraordinarily original rigorous and ambitious book debunks Marxism inspired accounts of its equalitarian consequences It is the first study systematically to link the genesis of the bourgeoisie cum middle class Imperial Soviet and post communist to Tzarist estate institutions which distinguished between nobility clergy the urban merchants and meshchane and peasants It demonstrates how the pre communist bourgeoisie particularly the merchant and urban commercial strata but also the high human capital aristocracy and clergy survived and adapted in Soviet Russia Under both Tzarism and communism the estate system engendered an educated autonomous bourgeoisie and professional class along with an oppositional public sphere and persistent social cleavages that continue to plague democratic consensus This book also shows how the middle class conventionally bracketed under one generic umbrella is often two pronged in nature one originating among the educated estates of feudal orders and the other fabricated as part of state induced modernization

Social Legacy Of Communism Introduction

In the digital age, access to information has become easier than ever before. The ability to download Social Legacy Of Communism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Social Legacy Of Communism has opened up a world of possibilities. Downloading Social Legacy Of Communism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Social Legacy Of Communism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Social Legacy Of Communism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Social Legacy Of Communism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Social Legacy Of Communism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Social Legacy Of Communism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Social Legacy Of Communism Books

1. Where can I buy Social Legacy Of Communism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Social Legacy Of Communism book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
