Social Philosophy Of Manu:

Social Philosophy of Manu Subhra Ghosh,2002 Social Philosophers V. RAGHAVAN,2017-09-15 This volume covers five great Indian Social philosophers namely Manu Yajnavalkya Vatsyayana Kautilya and Tiruvalluvar Social Philosophy of the Mahābhārata and the Manu Smṛiti Prativa Verma,1988 Attempts To Present A Systematic Exposition Of The Problems Of Social Philosophy As Thrown Up In Mahabharata And Manu Smriti Contains 5 Chapters Introduction Social Philosophy Of Ancient India Mahabharata Manu Smriti And Conclusion Divided Into 14 Section Bibliography Dustjackewt Slightly Nicked At The Bottom **Manu's Code of Law** Patrick Olivelle,2004-12-09 Manu s Code of Law is one of the most important texts in the Sanskrit canon indeed one of the most important surviving texts from any classical civilization It paints an astoundingly detailed picture of ancient Indian life covering everything from the constitution of the king s cabinet to the price of a ferry trip for a pregnant woman and its doctrines have been central to Indian thought and practice for 2000 years Despite its importance however until now no one has produced a critical edition of this text As a result for centuries scholars have been forced to accept clearly inferior editions of Sanskrit texts and to use those unreliable editions as the basis for constructing the history of classical India In this volume Patrick Olivelle has assembled the critical text of Manu including a critical apparatus containing all the significant manuscript variants along with a reliable and readable translation copious explanatory notes and a comprehensive introduction on the structure content and socio political context of the treatise The result is an outstanding scholarly achievement that will be an essential tool for any serious student of India *Ethics for Governance* B. P. Mathur,2015-06-12 This book provides a comprehensive overview of India s public services and bureaucratic systems and explores why widespread corruption and inefficient delivery have slowed development It discusses the underlying reasons for the prevailing inefficiency in public services examines the complex linkages between ethics based public service India s cultural and spiritual heritage and its current economic development model and outlines ways to create an ethics code and an environment that is conducive to better administration and good governance Lucid accessible and meticulously researched this will prove essential to scholars and students of public administration governance studies and political science particularly bureaucrats policy makers and civil service aspirants **Woman in the Novels of Shashi Deshpande** Sathupati Prasanna Sree,2003 Shashi Deshpande b 1938 Indian English novelist **Śambūka and the Rāmāyaṇa Tradition** Aaron Sherraden,2023-08-01 According to V lm ki s Sanskrit R m ya a early centuries CE amb ka was practicing severe acts of austerity to enter heaven In engaging in these acts as a dra amb ka was in violation of class and caste based societal norms prescribed exclusively by the ruling and religious elite R ma the hero of the R m ya a epic is dispatched to kill amb ka whose transgression is said to be the cause of a young Brahmin s death The gods rejoice upon the dra s death and restore the life of the Brahmin Subsequent R m ya a poets almost instantly recognized this incident as a blemish on R ma s character and they began problematizing this earliest version of the story They adjusted and updated the

story to suit the expectations of their audiences The works surveyed in this study include numerous works originating in Hindu Jain Dalit and non Brahmin communities while spanning the period from amb ka s first appearance in the V lm ki R m ya a through to the present day The book follows the amb ka episode chronologically across its entire history approximately two millennia to illuminate the social religious legal and artistic connections that span the entire range of the R m ya a s influence and its place throughout various phases of Indian history and social revolution Nietzsche and The Antichrist Daniel Conway,2019-01-24 This collection both reflects and contributes to the recent surge of philosophical interest in The Antichrist and represents a major contribution to Nietzsche studies Nietzsche regarded The Antichrist along with Zarathustra as his most important work In it he outlined many epoch defining ideas including his dawning realisation of the death of God and the inception of a new post moral epoch in Western history He called the work a crisis without equal on earth the most profound collision of conscience a decision that was conjured up against everything that had been believed demanded hallowed One certainly need not share Nietzsche s estimation of his achievement in The Antichrist to conclude that there is something significant going on in this work Indeed even if Nietzsche overestimated its transformative power it would be valuable nonetheless to have a clearer sense of why he thought so highly of this particular book which is something of an outlier in his oeuvre Until now there has been no book that attempts to account with philosophical precision for the multiple themes addressed in this difficult and complex work *Sambodhi* ,1984 **Indian Political Thought** Urmila Sharma,S.K. Sharma,2001 The Book Covers University Syllabi In Political Science In The Papers Of Hindu Polity Indian Political Thought And Modern Indian Political Thought Etc Divided Into Three Parts The Ancient The Modern And The Contemporary This Book Analyses Indian Political Thought From Manu To M N Roy In Order To Keep It Brief And Precise Only Selected Thinkers Have Been Included While Those Of Only Historical Importance Have Been Left Out The Method Followed Is Construction Through Criticism So That Besides Knowing The Thought Of Eminent Indian Political Thinkers The Reader May Develop An Insight Into Political Processes Their Causes And Consequences While Matter Has Been Drawn From Authentic Sources It Has Been Narrated In Simple Language A Balanced Holistic Approach Has Been Maintained In Controversial Matters The Authors Have Left No Stone Unturned To Make This Book An Ideal Textbook For Students And Reference Book For Teachers
