Social Transformation And Private Education In China:

Social Transformation and Private Education in China Jing Lin, 1999-10-30 Private schools resurfaced in China after 1978 when the Chinese government embarked on an economic reform for modernization This book offers a comprehensive review of the development characteristics issues and problems of private schools at primary secondary and university levels especially elite private schools for children of very wealthy families Based on fieldwork at about 40 private and public schools in China this study also critically examines social response and government reactions to private education development and ends with reflections on its significance and future prospects touching on issues concerning social equality efficiency public school reform and democratization in China *Gridlock and Solutions* Shui Bing, [Education and Social Change in China: Inequality in a Market Economy](#) Gerard A. Postiglione, 2015-01-28 Market reform financial decentralization and economic globalization have greatly accentuated China's social and regional inequalities Education is expected to address these inequalities in a context of rapid social change including the rise of an urban middle class changed status of women resurgence of ethnic identities growing rural to urban migration and lingering poverty in remote areas But some argue that state policies have not sufficiently addressed inequitable practices and that schools actually perpetuate and reproduce inequities giving rise to a new system of social stratification driven more by market forces than socialist principles Featuring all original previously unpublished material this volume examines this argument through analysis of selected aspects of educational stratification in China during the reform era Chapters focus on the new urban middle class poor rural residents the migrant population in urban areas rural girls and ethnic minorities The contributors are established scholars in the field and they build a conceptual framework for assessing the degree to which China's educational reforms are inclusive equitable and integrative across social categories and groups *Education, Ethnicity, Society and Global Change in Asia* Gerard A. Postiglione, 2017-07-14 For more than three decades Gerard A Postiglione has witnessed the globalization of education and society in Hong Kong China and the wider Asian region His research emphasizes the diversity and complexity of the region from studies of education and the academic profession during Hong Kong's retrocession to reform of ethnic minority education and the rise of world class universities in the Chinese mainland as well as the complexity of mass higher education in an increasingly dynamic Asia This selection of 12 of his most representative papers and chapters documents his scholarship in comparative higher education in China Hong Kong and Asia [Politics, Participation & Power Relations](#) Richard C. Mitchell, Shannon A. Moore, 2012-10-01 Until recently youth have become the great absence regarding matters of citizenship justice and democracy Rarely are young people taken up with the important discourses of freedom and citizenship especially discourses that transcend national boundaries and academic disciplines Richard Mitchell and Shannon Moore have put together a brilliant book that not only fills this void but makes one of the most powerful cases I have read for addressing young people in terms that not only allow them to talk back be heard but also to enjoy those rights and freedoms that give

democracy a real claim on its ideals and promises Every educator parent student and all those young people now making their voices heard all over the world should read this book Henry A Giroux This diverse collection will appeal to students in senior undergraduate and graduate courses looking into the new cosmopolitanism in social policy citizenship or cultural studies in child and youth studies and in post colonial approaches to education sociology and political science *The Impact and Transformation of Education Policy in China* Alexander W. Wiseman,Tiedan Huang,2011-12-08 Examines the transformation of education policy in China with an emphasis on transformations in the post 1978 period This title also emphasises on policy change and its subsequent impact on different aspects of education at various levels of educational institutions particularly in areas of educational financing and curriculum reform *Politics, Education and Social Change* Agnieszka Gromkowska-Melosik,Inetta Nowosad,Aleksandra Boroń,Marzanna Farnicka,Marcin Gierczyk,2025-01-20 The authors analyse macro level political decisions across various societies as well as individual actions and experiences to advocate for a more inclusive and effective education system capable of driving social change They consider relationships between politics education and social change in various contexts and dimensions The macro level of educational policy and politics is confronted with the micro realities of human biographies However the authors do not consider people who are influenced by political decisions as incapacitated mass Thus social change always results from these macro micro connections This interdisciplinary book includes themes related to political sciences education and sociology which resulted from the authors study of contemporary social and education phenomena It gives insight into interesting paradoxes and controversies **Choosing Choice** David Nathan Plank,Gary Sykes,2003-01-01 The first cross national comparative study on school choice policies this volume features prominent scholars who analyze experiences in countries around the world England Chile South Africa the Czech Republic China Australia New Zealand and Sweden Together they answer such important questions as Why are policies that expand educational options being adopted in such a diverse set of countries Why have governments in widely varying circumstances come to view school choice as an apt response to educational dilemmas What have we learned about the impacts of these policies on existing educational systems and the quality of teaching and learning in the classroom The analyses presented here illuminate school choice policies as a critical worldwide development in education noting both similarities and differences across countries This volume broadens our understanding of school choice on the world stage while exploring implications for education policy in the United States **Routledge Handbook of Chinese Culture and Society** Kevin Latham,2020-02-27 The Routledge Handbook of Chinese Culture and Society is an interdisciplinary resource that offers a comprehensive overview of contemporary Chinese social and cultural issues in the twenty first century Bringing together experts in their respective fields this cutting edge survey of the significant phenomena and directions in China today covers a range of issues including the following State privatisation and civil society Family and education Urban and rural life Gender and sexuality and reproduction Popular culture and the media

Religion and ethnicity Forming an accessible and fascinating insight into Chinese culture and society this handbook will be invaluable to students and scholars across a range of disciplines including anthropology sociology area studies history politics and cultural and media studies **A Century of Student Movements in China** Xiaobing Li,Qiang Fang,2019-12-02

In this book the authors offer their unique perspectives on the important roles Chinese students and intellectuals played in the shaping of the twentieth century China Their answers to these pivotal questions explore new nationalistic spirit modern world views and willingness of self sacrifice which had attributed to the spontaneous actions of the students as a New Culture emerged during the May Fourth Movement These articles show how China nurtured these spontaneous student movements even though the Nationalist Party in the Republic of China and the Communist Party in the People s Republic had exerted tight control over schools Both governments established organizations as well as operations among students that effectively turned some of the student movements into a political instrument by the parties for their own agenda
