Socio Ethical Issues In Nigeria:

Social-ethical Issues in Nigeria Nwachukwuike Sonde Sylvanus Iwe,1991 **Social-Ethical Challenges of Digitalization in a Developing Country** Valentine Ihim,2024-10-01 The study is the result of a theological research and is based on current discussions on digitalization in Christian Social Ethics The book answers questions such as How can the Church use digitalization to advance her mission in the modern world Since digitalization has redefined the landscape of evangelization and is now very much favoured by young people how can the Church use digitalization to engage the young people in her mandate to evangelize the world This work also examines how digitalization could be used to combat corruption especially in the Nigerian public and private sectors It suggests various measures by which internet fraud and corruption could be reduced using digital tools It stresses however that these measures can only have a positive outcome if the government and its institutions are sincere and resolute in their determination to curb such corruption *The Value of Human Dignity. A Socio-cultural Approach to Value Crisis among Igbo People of Nigeria* Chinedu Paul Ezenwa,2020-11-10 Where today is a specific original and stable basis for a Political order to be found What does the human dignity mean in the midst of the general crises of values In the face of the ambivalent achievements of modernity and enlightenment do the values of Christianity which until now have been regarded as the objective norm fail in its contact with the primal culture and the culture of the African communities Where in this classes are the weakening and strengthening and specific challenges of this African People This field of conflict must not only be described but above all to ask about new opportunities to get out of the crisis of the value of human dignity in the Igbo society of Southeastern Nigeria Ezenwas work seeks and aids understanding using the facility of examining the subject of dignity in Igbo culture to throw light that casts much farther than the subject matter begging for further inquiry into other complementary aspects of the culture In other to achieve this interdisciplinary research was needed The Kpim of Social Order George Uzoma Ukagba,Des O. Obi,Iks J. Nwankwor,2013-02-08 Frequently overlooked in the search of knowing and acting wisely are some important philosophical and cultural ideas and questions The kpim of Social Order boldly captures such ideas and questions for awareness through critical thinking The current volume in the Kpim Book Series makes the point that for a systematic analysis and significance of Social Order to be attained we need to ask What is the kpim or central core of Social Order of things Where does the deepest layer notion symbolism reality and application of social order programs human rights institutions communities diplomacy uprising social asset social power policy action inter culturalism global forces and all else lie How can we reach and understand the innermost part of Social Order in the modern world By gathering articles from seasoned experienced and emerged scholars from various backgrounds the book explores deep rooted questions touching on African context and related societies The refreshing perspectives analyses deep reflections vigorous arguments and representations shown by the essays are distinctive and have been referred to as a comprehensive reader in the season of inquiry meaning and significance

of social order in the contemporary time This is a book no one should ignore Students scholars researchers universities colleges educationists institutions policy makers governments legislatures agencies labour unions civil society organizations occupy movements religious groups entrepreneurs and the general public will find this book as an asset and a must read The kpm of Social Order is therefore written out of the critical need to fill the gap for a decisive knowledge society in the modern world **Ethics and Society in Nigeria** Nimi Wariboko,2019 Offers a radical political interpretation of history that generates fresh insights into the emancipatory potential of ordinary Nigerians and their precolonial cultural institutions

Socio-Cultural and Religious Conflicts and the Future of Nigeria Lotanna Olisaemeka,2022-12-10 With the prevailing violent conflict situation of our world perpetuated sometimes even in the name of religion humanity today faces extinction To reverse this ugly trend humanity has no choice than to build a society where every tribe and tongue can coexist in peace This work analyzed the violent conflicts from anthropological behavioral politico philosophical and theological perspectives and makes a demand on humanity to save herself through proper education and dialogue with all men and religions Lotanna Olisaemeka is a researcher in Missiology affiliated with the Philosophisch Theologische Hochschule Vallendar Germany

Theology and Social Issues in Africa Francis Anekwe Oborji,2020-11-22 The Volume speaks to us from the heart and engages the socio political concerns in the Nigerian context through the lens of a theological approach The author reflects historically the numerous consequences of the amalgamation of the ethnic groups of different orientations in Nigeria into one socio political structure of the colonizers interests This sociopolitical structure raises several questions than answers it pretends to offer the indigenous people From a Nigerian point of view the articles in this volume critically challenge the unjust formation of any nationhood in the Africa context It points out how the sustenance of an unjust nation formation betrays the creed on which such a nation is established Truth conquers all is the spirit with which this Volume is written It is the truth that will set a nation like Nigeria free from the spirit of confusion and unperceived religio socio political syncretism The awareness emanating from this volume suggests liberating steps from the unsuspecting colonial interests and the sustained feigned relationship with the colonizers which militate against the socio political and economic growth and theological orthodoxy of such a growing nation Nigerian Politics and Corruption Kyrian

Chukwuemeka Echekwu,2017-06-02 Corruption is alive and well in Nigeria and it must be eliminated Moreover the Nigerian church can no longer watch it go unchecked Though conscious of his limitations as a priest and theologian the author takes an in depth look at how corruption has taken hold of Nigeria and its people in this scholarly work He challenges the church as a socio moral actor and the civil authorities that govern Nigeria arguing that the nation will collapse if corruption continues He notes that even though the Nigerian people have lashed out against corruption it has only gotten worse either because morality has been relegated to the background or not enough has been done to inculcate morality into Nigeria s politics The author employs a holistic approach in examining issues such as bishops and their vision of Nigeria vis vis

Ethics Nimi Wariboko, Toyin Falola, 2020-03-30 This Handbook provides a robust collection of vibrant discourses on African social ethics and ethical practices It focuses on how the ethical thoughts of Africans are forged within the context of everyday life and how in turn ethical and philosophical thoughts inform day to day living The essays frame ethics as a historical phenomenon best examined as a historical movement the dynamic ethos of a people rather than as a theoretical construct It thereby offers a bold incisive and fresh interpretation of Africa's ethical life and thought

Distribution of Resources in the Nigerian Health Care System Anthony Okechukwu Nnadi, 2020-01-09 This publication representing the doctoral dissertation of Rev Fr Anthony Okechukwu Nnadi examines the healthcare system in Nigeria in the light of the Catholic social teaching He supports that the allocation of health care resources is not only a matter of organization but is also an ethical problem The debacles and failure of the Nigerian health system result from many factors including lack of will to implement the right policies on the ground corruption among the leaders lack of justice lack of respect for the dignity of each human person mismanagement and insufficient consideration and application of ethical principles in the administration of common good especially in the distribution of health care and social resources For the distribution of health care resources this doctoral dissertation suggests that priority be given to the basic health care needs of Nigerian citizens especially those who have no means of satisfying these needs themselves In this context the research affirms that great attention needs to be paid to ensuring that the principle of human dignity is completely respected in each and every policy in this important area This doctoral thesis is an ethical vision of social reality in Nigeria It proposes the person centred Catholic principles as a possible way forward in the distribution of health care resources in Nigeria It does not imply substituting the economic political and health care experts in offering technical solutions in their areas of competence The author is convinced that healthcare allocation is also an ethical issue that needs to be governed by ethical principles The key factors for choosing this theme are based on the author's knowledge of the deplorable condition of the health care system in Nigeria and his desire to save human lives Rev Fr Anthony Okechukwu Nnadi believes that we are all stewards of human life This implies a moral obligation to protect the dignity of the human person which is inseparable from protecting human life
