Ballantine, 1982 Explore some of today's most important social issues such as violence welfare reform technology globalization and terrorism with the 76 sociology readings in SOCIOLOGICAL FOOTPRINTS You'll find classical contemporary popular and multicultural articles in each chapter that demonstrate a wide range of perspectives Each article is preceded by a short introductory essay a series of guideline questions and a list of glossary terms **Sociological Footprints** Cargan, 1982-01 *Instructor's Manual Sociological Footprints* Leonard Cargan, Jeanne H. Ballantine, 1982

Sociological Footprints Leonard Cargan, Jeanne H. Ballantine, 1977 *Sociological Footprints*, 2002 **Narrating the Everyday** Asta Rau, Jan K. Coetzee, Magdalena Wojciechowska, 2019-01-01 The chapters in this book reflect on the practice of using narratives to understand individual and social reality They all reveal dimensions of the same concrete reality contemporary society of Central South Africa Except for two all the chapters originated from research in the program The Narrative Study of Lives situated in the Department of Sociology at the University of the Free State in Bloemfontein South Africa Each chapter opens a window on an aspect of everyday life in Central South Africa Each window displays the capacity of the narrative as a methodological tool in qualitative research to open up better understandings of everyday experience The chapters also reflect on the epistemological journey towards unwrapping and breaking open of meaning Narratives are one of many tools available to sociologists in their quest to understand and interpret meaning But when it comes to deep understanding narratives are particularly effective in opening up more intricate levels of meaning associated with emotions feelings and subjective experiences *Urban Geography in America, 1950-2000* Brian J.L Berry, James Wheeler, 2014-05-01 Urban Geography in America offers a comprehensive historiography of this major field Compiling the best essays from the flagship journal Urban Geography it shows the evolution of the field from the 1950s to 2000 as it shifted from data driven social science modeling in the 1960s to the more critical perspectives of the 1970s to postmodernism in the 1980s to feminism and globalization in the 1990s It covers all the major trends and figures and features some of the most important names in the field Ultimately this will be a necessary reference for all scholars in the field and all graduate students taking introductory courses and preparing for their comprehensive exams *Key Words in Multicultural Interventions* Patricia Arredondo, Harold E. Cheatham, Jeffery Scott Mio Ph.D., David Sue, Joseph E. Trimble, 1999-11-30 An essential resource for those interested in multicultural issues this dictionary presents common terms used in multicultural counseling and research The terms are not only denotatively defined but connotations are also included as well as historical information and important writings about the terms The dictionary is thus not only a straightforward compendium of definitions but also a resource for further investigation This is intended to be a resource for those interested in the area of multiculturalism Important publications investigating and or explicating these terms are also discussed and referenced

Moreover authors define these terms with a point of view many terms are defined in a manner that connects them with perspectives commonly expressed by scholars and practitioners in the field Thus connotations are included as well as denotations of the terms *Working with Rural Communities Participatory Action Research in Kenya* Chitere, Orieko P.,Mutiso, Roberta,2015-03-16 This book addresses itself to mobilisation and involvement of rural people in development projects It describes an imperfect but nonetheless exciting and thought provoking exercise that drew social science researchers and students from four public universities in Kenya into an experiment in participatory research community education and development in two locations The experiment was grounded on the assumptions that the people of Kenya are a primary resource and that given proper roles and contribution of planners researchers and programme implementers self sustainable development can become a reality The contributors of this book have focused on the potential of the university to facilitate participation of the people in development They have given specific suggestions on how this might be accomplished
