The Journal of Educational Sociology, 1927 *Educational Philosophy* Edward J. Power, 2021-12-12 The first step in education's long road to respectability lay in the ability of its proponents to demonstrate that it was worthy of collaborating with traditional disciplines in the syllabus of higher learning The universities where the infant discipline of education was promoted benefited from scholars who engaged in teaching and research with enthusiasm and preached the gospel of scientific education These schools Teachers College Columbia University the University of Chicago and Stanford University gained a reputation as oases of pedagogical knowledge Soon public and private colleges alike introduced professional academic programs for the preparation of teachers Foremost among the subjects for these programs was education philosophy with its long history and the impeccable credentials of its ancient and modern expositors Although the principal focus of this study is the history of educational philosophy in colleges and universities it also recognizes educational philosophy's antecedents Chapters cover ancient roots Christian educational theory educational theory and the modern world philosophy and education in early America development of philosophies of education disciplinary maturity for educational philosophy and prospects There is a bibliography and an index

Sociological and Philosophical Perspectives on Education in the Asia-Pacific Region Chi-Ming Lam, Jae PARK, 2015-12-12 This book demonstrates the value of approaching education from a sociological and philosophical perspective Specifically it addresses current and long standing educational issues in the Asia Pacific region integrating sociological and philosophical insights with practical applications in four key areas educational aims moral education educational policy and the East West dichotomy It discusses educational

aims in terms of rationality philosophical thinking and sustainable development and presents the literary religious and analytical approaches to moral education Four educational policies are then considered Hong Kong s language policy Hong Kong s policy on the internationalization of education East Asia s policies on English education and Australia s policy on teacher education Different aspects of the East West dichotomy are analysed Confucian rationalism versus Western rationalism Confucian learning culture versus Western learning culture and Asian research methodology versus Western research methodology Taken as a whole the book shows that issues in education are rarely simple and looking at them from multiple perspectives allows for rich and informed debates It presents a rare philosophical and sociological analysis of the cultures and experiences of education in the Asia Pacific region and promotes research that leads to more culturally rooted educational policies and practice

Sociological Foundation of Education Manojkumar C. Shastri, 2012-04 The purpose of this book is to outline those elements of sociological foundation of Educational Philosophy that are relevant to a proper understanding of education I trust that I have written something about Sociological foundation of Education for the general reader who wishes to acquaint himself with what sociological philosophy and Education The four different ways of understanding are of course the four philosophies Naturalism Idealism Realism and Pragmatism The case for the ability of this foursome to represent on a rather wide scale the rivalries of thought is incidental to the task to which this book is dedicated and will not therefore be argued at this point The assumption is however that the study of the four philosophies with some degree to adequacy will open the way too many of the insights needed for dealing responsibly with the burden of our times The book covers the 18 chapters on the base of Edu philosophy and fundamental concept of Sociological foundation in depth The book covers the syllabi prescribed in the subject for B A M A Philosophy B Ed M Ed M Phil Ph D and Ph D Entrance Examinations of different Universities in various States

Ideology and Curriculum Michael W. Apple, 2004 To celebrate the 25th anniversary of its publication Michael W Apple has thoroughly updated his influential text and written a new preface The new edition also includes an extended interview circa 2001 in which Apple relates the critical agenda outlined in *Ideology and Curriculum* to the more contemporary conservative climate Finally a new chapter titled *Pedagogy Patriotism and Democracy Ideology and Education After 9 11* is also included
