The Mystery of Art Jonathan Jackson, 2018-05-18 Explores the profound implications of human creativity in the image of God along with the process of becoming an artist dedicated to practicing art from the context of a deep relationship with God The true Christian artist is not necessarily one who treats religious themes but one who creates through the Holy Spirit to the glory of God

The Mystery of Art D. K. Chandra, 1995 The Mystery of Art lets the forms of art tell their own tale Instead of analyzing the art expressions this narrative work invites the reader to re discover the functions of art The observation of the art scenes starts with the present and winds its way backward through time and history In the course of this journey the different art expressions reveal themselves in a novel light
