Mavis of Green Hill Faith Baldwin, 1921

The Green Hill Sophie Pierce, 2023-03-02 In 2017 Sophie Pierce's life changed forever when her twenty year old son Felix died suddenly and unexpectedly Thrown into an unimaginable new reality she had to find a way to survive By writing letters to Felix composed during walks and swims taken close to his burial place by the River Dart Sophie gradually learned how to live in the landscape of sudden loss navigating the weather and tides of grief The Green Hill collects these letters alongside Sophie's account of the years following Felix's death into which she weaves poignant memories of his life What results is a deeply moving beautifully captured record of how amid the rivers and rocks of Dartmoor and in the sea off the South Devon coast Sophie was able to hold on to and nurture her bond with Felix both in her mind and through a physical engagement with the landscape actively mourning rather than grieving This book is a celebration of the natural world and the role it plays in our lives and relationships as well as an examination of how beauty a sense of place and the passing seasons can help us contend with our own mortality Above all The Green Hill is one woman's story of navigating through trauma and loss and towards a fragile complicated kind of joy In The Green Hill Sophie Pierce writes about the sudden death of her son Felix with an aching and gentle honesty Struggling to come to terms with the loss not only of the young man he was but everything that he would eventually become she finds herself overwhelmed not only by grief but also by love Her writing is illuminated by a remarkable attention to the beauty and consolation of the natural world and by the wisdom and tenderness which has been so painfully acquired This is a book that will be a great comfort to those who need it Sarah Perry author of The Essex Serpent and Melmoth Unforgettable necessary This beautiful book is a map compass and ration of courage for anyone arrived in the landscape of sudden loss Full of love and learning Tanya Shadrick

The Green Hill is an extraordinary book I thought of the fairy tale in which a captured princess must weave clothes from stinging nettles Sophie Pierce has wrought something beautiful and useful from the darkest pain Cressida Connolly novelist and critic

There Is a Green Hill Jacqui Buckley, 2014-05-07 Whose skeleton is lying on the hilltop on Dooringrand In the nineteenth century a series of events took place in Port Natal and Zululand which culminated in the downfall of the powerful Zulu nation This is the story of three different cultures set against the turbulent backdrop of the AngloZulu wars Many questions are asked Why were more Victoria Crosses awarded in a single encounter than ever before or since for bravery

during the defense of Rorkes Drift Why were the English so totally defeated the day before at Isandlwana Why did the Zulus attack so unexpectedly What caused the Boer farmers to align with the British the very people whose oppressive rule they had escaped to Port Natal to get away from And who is really the enemy Journey with the little cattle boy who befriends a queen as he grows and becomes a warrior Experience the ritual of the cleansing ceremonies and others that used to take place before battle Witness his struggle in understanding the morality of warfare and killing Experience the brutality and hardships that the Boer pioneers endured that sowed the seeds of the bitterness that gave birth to the hatred and cruel apartheid system of the future Colonialism was at its height and with it came an arrogance that ignored the needs and cultures of the inhabitants of any new acquisition Learn how this attitude gave Britain one of its biggest and unnecessary defeats It was also by contrast the stage for the most Victoria Crosses awarded for bravery for any single action in Britains military history All of this went into the melting pot of the rich tapestry that is the South Africa of today
