The Mystery Of The Manchild An Exposition Of Revelation 12 5:

The Mystery of the Manchild Drennon D. Stringer, Willard E. Thomas, 1993-05 [Jon Courson's Application Commentary](#) Jon Courson, 2004-01-17 A devotional commentary that helps you gain fresh insights into the Bible and understand how you can apply God's Word to your life Few Bible commentators simultaneously articulate both insightful spiritual truths and memorable life applications for readers who want to be relevant witnesses for Jesus Christ Gifted Bible preacher and inspiring teacher Jon Courson effortlessly combines these elements in this easy to read verse based devotional commentary on the entire New Testament Pastor Jon's years of immersion in God's Word as he regularly preached from the Bible produced faithful valuable teaching that takes a balanced approach between a scholarly work and an encouragement for living the Christian life His application commentaries combine the following elements in a unique blend of pertinent information and needed inspiration Deep love for God's word Colorful cultural insights Insightful historical information Applicable topical studies Vivid illustrations and stories Humorous practical and inspiring life lessons Jon Courson's devotional commentaries offer thorough and comprehensive teaching along with practical in depth topical studies in a very readable and comfortable expositional style *Commentary on Revelation* Charles Taylor, 2012-10-08 Elder Charles Taylor is a fourth generation ordained Primitive Baptist pastor He has written a powerful Commentary on the book of the Bible which is frequently misunderstood misused or ignored He has delineated the elements which often cause confusion or have been used to scare people He shows that the imagery would have been understood by first century Jews and Christians

Outlines and Exposition of the Apocalypse; Or, Revelation of St. John Bennet Harvey, 1867 **Commentary on Revelation, Or, the Apocalypse** Ethelbert Bullinger, 2007-11-01 With a surprising number of people professing a belief that we are living in the Biblical End Times this lively 1902 deconstruction of the Book of Revelation is even more relevant than ever Analyzing the final chapters of the Bible on a verse by verse basis and finding much to be contentious about particularly when it comes to other interpretations of the book Bullinger reveals a powerful devotional way to approach Revelation British clergyman ETHELBERT WILLIAM BULLINGER 1837 1913 was one of the most respected Bible scholars of the 19th century He is author of numerous works including Great Cloud of Witnesses and How to Enjoy the Bible [The A, B, Come and See Revelation](#) Elder James Stroud, 2021-08-05 From the most seasoned theologians to the newest Bible study student A B Come and See Revelations enlightens each reader by demystifying one of the most complicated books of the bible Bible scholars have tediously dedicated decades to the sole study of the book of Revelation which has left many perplexed and unresolved This is understandable because although Revelations begins and ends like an ancient letter and identifies itself as prophecy it contains edicts from the risen Christ a sevenfold series of seven part visions hymns hope for the faithful condemnation for the unbeliever and is saturated with visually unimaginable supernatural and inexplicable beings Occurrences are neither chronologically bound nor explicitly revealed by locations However author James Stroud provides a scriptural elixir by not

simply relying on the book of Revelations itself but he responsibly and exhaustively researches historical texts maps Greek and Hebrew manuscripts ancient linguistics along with other key components to bring clarity and relevancy to each passage This author proves to be an expert in transforming what has been most often identified as a book of doom and gloom into an easy to decipher book revealing messages of encouragement hope and infinite love In his thorough cross referencing and deciphering of Old and New testament symbolism it is made quite apparent that A B Come and See Revelations will lead you into the revelation of Jesus Christ This book will quickly become a favorite staple in your reference library *The Revelation of Jesus Christ* Dr. Brian J. Bailey, 2015-09-18 This easy to read commentary on the book of Revelation will bring clarity to some of the major issues of our time It will show that before the Second Coming of Christ a series of events must take place The Two Witnesses must appear as well as the Ten Kings and the Man of Sin Dr Bailey dispels the confusion surrounding these awesome revelations of the Apostle John while placing an emphasis on not only knowing the truths of the last days but being prepared through holiness in order to meet the Lord in the clouds **Revelation Explained** Lerry W. Fogle, 1995

The Rapture: From the Ground Up Richard L. Guthrie, 2014-04 The Pre Tribulational Rapture theory of the end times is the most prevalent and well known end time scenario of the Bible It is well entrenched and established in most fundamental churches The Pre Tribulational Rapture has been popularized by the Left Behind book and movie series However consider the following What if the blessed hope was not a promise of the Rapture What if the wrath the Church was not appointed to had nothing to do with the Tribulation What if the Rapture is not and cannot be an imminent event What if the Antichrist will not and cannot rule over the entire world What if the Church is not missing during any portion of the book of Revelation What if the falling away in 2 Thessalonians 2:3 is only a reference to the end time apostasy of the Church predicted by Jesus What if only unbelievers enter into the Millennial Kingdom What if Enoch is no more a representation of a Pre Tribulational Rapture than Elijah is a representation of a Post Tribulational Rapture What if the time at which both the Rapture and the Second Coming will occur is unknown What if Jesus Paul and Daniel presented the exact same end time scenario What if a literal interpretation of Scripture reveals a Post Tribulational Rapture In a detailed and thorough analysis of Scripture *The Rapture From the Ground Up* explores these and many more questions related to the end time events surrounding the Rapture in a step by step approach This eschatological study is unsurpassed in detail for the knowledgeable Bible student and yet remains basic simple and straightforward for the novice Using a literal interpretation of Scripture the Post Tribulational Rapture is the undeniable result of such a diligent and literal study of God's Word **The Great Tribulation!** Richard Guthrie, 2014-12-12 The end times contain many exciting events we are all familiar with and think we fully understand The appearance and domination of the Antichrist throughout the world The rise and global domination of the Revised Roman Empire resulting in a One World Government The Mark of the Beast that makes trade impossible anywhere on the Earth The universal devastation wrecked by the Four Horsemen of the Apocalypse The appearance of the spiritual

harlot of Mystery Babylon and the end time false religion However consider the following What if the Antichrist will not become the universal or worldwide leader What if the Mark of the Beast is regional rather than global What if there is no Revised Roman Empire What if the Four Horsemen of the Apocalypse have already been loosed What if Mystery Babylon could never be the Roman Catholic Church Who did Jesus identify as the Mystery Babylon of Revelation What if the Twelfth Imam the Islamic Messiah is slain in the rebuilt Jewish Temple Why is it impossible to know the identity of the Antichrist until certain events unfold Why are the dates of the Rapture and that of the Second Coming both unknowable Who is left to enter into the Millennial Kingdom if there s a Post Tribulational Rapture Why are the identities of the two end time prophets unknowable What country is poised to play a major role within these end time events In a detailed and thorough analysis of Scripture The Great Tribulation explores these and many more questions related to the end time events in a step by step approach Using a literal interpretation of Scripture this eschatological study is unsurpassed in detail for the knowledgeable Bible student and yet remains basic and straightforward for the novice
