The Nabokov Wilson Letters Correspondence Between Vladimir Nabokov And Edmund Wilson 1940 1971

Julia Trubikhina

The Nabokov Wilson Letters Correspondence Between Vladimir Nabokov And Edmund Wilson 1940 1971:

The Nabokov-Wilson Letters Vladimir Vladimirovich Nabokov, Edmund Wilson, 1979 A quarter century of intimate and intellectual correspondence between Nabokov and critic Edmund Wilson prior to their notorious feud Conversations with Vladimir Nabokov Robert Golla, 2017-04-06 Conversations with Vladimir Nabokov brings together candid revealing interviews with one of the twentieth century's master prose writers Vladimir Nabokov 1899 1977 was a Russian American scientist poet translator and professor of literature Critics throughout the world celebrated him for developing the luminous and enigmatic style that advanced the boundaries of modern literature more than any author since James Joyce In a career that spanned over six decades he produced dozens of iconic works including *Lolita* *Pale Fire* *Invitation of a Small Creature* and his classic autobiography *Invitation of a Small Creature* The twenty eight interviews and profiles in this collection were drawn from Nabokov's numerous print and broadcast appearances over a period of nineteen years Beginning with the controversy surrounding the American publication of *Lolita* in 1958 he offers trenchant witty views on society literature education the role of the author and a range of other topics He discusses the numerous literary and symbolic allusions in his work his use of parody and satire as well as analyses of his own literary influences Nabokov also provided a detailed portrait of his life from his aristocratic childhood in prerevolutionary Russia education at Cambridge apprenticeship as an emigré writer in the capitals of Europe to his decision in 1940 to immigrate to the United States where he achieved renown and garnered an international readership The interviews in this collection are essential for seeking a clearer understanding of the life and work of an author who was pivotal in shaping the landscape of contemporary fiction **Nabokov at the Limits** Lisa Zunshine, 2013-06-17 The eleven contributors to this volume investigate the connections between Nabokov's output and the fields of painting music and ballet

Yours Ever Thomas Mallon, 2010-12-07 A delightful investigation of the art of letter writing *Yours Ever* explores masterpieces dispatched through the ages by messenger postal service and BlackBerry Here are Madame de Sévigné's devastatingly sharp reports from the French court F Scott Fitzgerald's tormented advice to his young daughter the casually brilliant musings of Flannery O'Connor the lustful boastings of Lord Byron and the prison cries of Sacco and Vanzetti all accompanied by Thomas Mallon's own insightful commentary From battlefield confessions to suicide notes fan letters to hate mail *Yours Ever* is an exuberant reintroduction to a vast and entertaining literature a book that will help to revive in the digital age this glorious lost art Redeeming Words and the Promise of Happiness David Kleinberg-Levin, 2012-08-31 This book boldly crosses traditional academic boundaries offering an original philosophically informed argument about the nature of language reading and interpreting the poetry of Wallace Stevens and the novels of Vladimir Nabokov *Redeeming Words and the Promise of Happiness* is a work both in literary criticism and in philosophy The approach is strongly influenced by Walter Benjamin's philosophy of language and Theodor Adorno's aesthetic theory but the other philosophers notably Plato Kant Hegel Emerson Nietzsche Heidegger and Wittgenstein figure significantly in the reading and interpretation Kleinberg

Levin argues that despite its damaged corrupted condition language is in its very existence the bearer of a utopian or messianic promise of happiness Moreover he argues by reconciling sensuous sense and intelligible sense showing the sheer power of words to create fictional worlds and deconstruct what they have just created and redeeming the revelatory power of words the power to turn the familiar into something astonishing strange or perplexing the two writers in this study sustain our hope for a world of reconciled antagonisms and contradictions evoking in the way they freely play with the sounds and meanings of words some intimations of a new world but our world here this very world not some heavenly world in which the promise of happiness might be redeemed Reflecting on the poetry of Stevens Kleinberg Levin argues that the poet defies the correspondence theory of truth so that words may be faithful to truth as transformative and revelatory He also argues that in the pleasure we get from the sensuous play of words there is an anticipation of the promise of happiness that challenges the theological doctrine of an otherworldly happiness And in reading Nabokov Kleinberg Levin shows how that writer inherits Mallarmé's conception of literature causing with his word plays the sudden reduction of the fictional world he has just created to its necessary conditions of materiality The novel is revealed as a work of fiction we see its conditions of possibility created and destroyed before our very eyes But the pleasure in seeing words doing this and the pleasure in their sensuous materiality are intimations of the promise of happiness that language bears Using a Kantian definition of modernism according to which a work is modernist if it reveals and questions inherited assumptions about its necessary conditions of possibility these studies show how and why both Stevens and Nabokov are exemplars of literary modernism

Edmund Wilson's America

George H. Douglas, 2021-11-21 When Edmund Wilson died in 1972 he was widely acclaimed as one of America's great literary critics But it was often forgotten by many of his admirers that he was also a brilliant and penetrating critic of American life In a literary career spanning half a century Wilson commented on nearly every aspect of the American experience and he produced a body of work on the subject that rivals those of Tocqueville and Henry Adams In this book George H Douglas has distilled the essence from Wilson's many writings on America An active reporter and journalist as much as a scholar Wilson ranged from Harding to Nixon from bathtub gin to marijuana Douglas here surveys Wilson's mordant observations on the roaring twenties the Great Depression income tax suburbia sex populist politics the Vietnam War the Great Society the failure of American scholarship pollution of the landscape and the breakdown of traditional American values The Wilson who emerges from this survey is a historical writer with deep and unshakable roots in Jeffersonian democracy Among his most far seeing and poignant books are studies of the literature of the American Civil War and of the treatment of the American Indian Pained by the crumbling moral order Wilson was never completely at home in the twentieth century In politics he was neither a liberal nor a conservative as those terms are understood today He endured those ideologies and their adherents but his genius was that he could bring them into hard focus from the perspective of the traditional American individualist who was too pained to accept the standardized commercial world that had grown up around him Edmund Wilson's America offers a

distinctive overview of the nation's life and culture as seen and judged by its leading man of letters

The Translator's Doubts Julia Trubikhina, 2019-08-28 Using Vladimir Nabokov as its case study this volume approaches translation as a crucial avenue into literary history and theory philosophy and interpretation The book attempts to bring together issues in translation and the shift in Nabokov studies from its earlier emphasis on the metaliterary to the more recent metaphysical approach Addressing specific texts both literary and cinematic the book investigates Nabokov's deeply ambivalent relationship to translation as a hermeneutic oscillation on his part between the relative stability of meaning which expresses itself philosophically as a faith in the beyond and deep metaphysical uncertainty While Nabokov's practice of translation changes profoundly over the course of his career his adherence to the Romantic notion of a true but ultimately elusive metaphysical language remained paradoxically constant

Omissions are Not Accidents Christopher J. Knight, 2010-01-01 On modern writers tendency to think their work is incomplete

Vladimir Nabokov as an Author-Translator Julie Loison-Charles, 2022-11-17 Exploring the deeply translational and transnational nature of the writings of Vladimir Nabokov this book argues that all his work is unified by the permanent presence of three cultures and languages Russian English and French In particular Julie Loison Charles focusses on Nabokov's dual nature as both an author and a translator and the ways in which translation permeates his fictional writing from his very first Russian works to his last novels in English Although self translation has received a lot of attention in Nabokov criticism this book considers his work as an author translator drawing particular attention to his often underappreciated and underestimated but no less crucial third language French Looking at Nabokov's encounters with pseudotranslation Julie Loison Charles demonstrates the influence this had on his practice as both a translator and a writer arguing that this experience was crucial to his ability to create bridges between the literary traditions of Europe Russia and America The book also triangulates his practice and theory of translation for Onegin with those of Chateaubriand and Venuti to illuminate Nabokov's transnational vision of literature and his ethics of translation before presenting a robust case for reconsidering his collaborative translations in French as mediated self translations

Michael Rostovtzeff, Historian in Exile Marinus Antony Wes, 1990 Es handelt sich um den ersten Versuch den Standort des fuhrenden Althistorikers Michael Rostovtzeff in den Jahren 1917 1941 anhand bisher unbekannter und unveroffentlichter russischer Archivalien Briefe usw aufzuzeigen Nach einem einleitenden Uberblick uber die russische Welt in den Jahren ca 1855 1915 in der der junge Rostovtzeff 1870 geboren wurde und aufwuchs konzentriert sich die Untersuchung auf drei Themen die Rekonstruktion des russisch amerikanischen Personennetzwerkes zu dem Rostovtzeff gehorte die Frage wie dieses Netzwerk es Rostovtzeff ermöglicht hat fur sich selbst und fur andere Verbannte und Fluchtlinge ein neues Leben in den Vereinigten Staaten aufzubauen die Frage wie die Niederlage der russischen liberal demokratischen Intelligenz in Rostovtzeffs Interpretation der Geschichte Roms ihren Niederschlag gefunden hat Franz Steiner 1990
