

The Naked Cynic

Anthony Di Giorgio

The Naked Cynic

Ambrose Bierce

The Naked Cynic:

The Naked Cynic Anthony Di Giorgio, 2001-10 The Cynic Enlightenment Louisa Shea, 2010-01-01 This original study reveals the importance of ancient Cynicism in defining the Enlightenment and its legacy Louisa Shea explores modernity's debt to Cynicism by examining the works of thinkers who turned to the ancient Cynics as a model for reinventing philosophy and dared to imagine an alliance between a socially engaged Enlightenment and the least respectable of early Greek philosophies While Cynicism has always resided on the fringes of philosophy Shea argues it remained a vital touchstone for writers committed to social change and helped define the emerging figure of the public intellectual in the 18th century Shea's study brings to light the rich legacy of ancient Cynicism in modern intellectual philosophical and literary life both in the 18th century works of Diderot Rousseau Wieland and Sade and in recent writings by Michel Foucault and Peter Sloterdijk Featuring an important new perspective on both Enlightenment thought and its current scholarly reception The Cynic Enlightenment will interest students and scholars of the Enlightenment and its intellectual legacy 18th century studies literature and philosophy Cynics, Paul and the Pauline Churches F. Gerald Downing, 2002-09-11 F. Gerald Downing explores the teachings of Paul arguing that the development of Paul's preaching and of the Pauline Church owed a great deal to the views of the vagabond Cynic philosophers critics of the gods and of the ethos of civic society F. Gerald Downing examines the New Testament writings of Paul explaining how he would have been seen heard perceived and understood by his culturally and ethnically diverse converts and disciples He engages in a lucid Pauline commentary and offers some startling and ground breaking views of Paul and his Word Cynics, Paul and the Pauline Churches is a unique and controversial book particularly in its endorsement of the simple and ascetic life proffered in Paul's teachings in comparison with the greedy consumerist and self promoting nature of today's society **The Late Foucault** Marta Faustino, Gianfranco Ferraro, 2020-12-10 Michel Foucault is one of the most important and controversial thinkers of the twentieth century and one of the leading figures in contemporary Western intellectual life and debate The recent publication of his last lecture courses at the Collège de France 1981-1984 together with the short texts essays and interviews from the same period have sparked new interest in his work allowing for a new understanding of his philosophical trajectory and challenging several interpretations produced over the last few decades In this later phase of his thinking Foucault deepens and expands the course of his preceding works on the genealogy of subjectivity while at the same time adding a significant ethical and political dimension to it His focus on the ancient ethics of care of the self and technologies of self constitution during this period adds important nuances to his previous positions on power truth and subjectivity shedding new light on his philosophical endeavour as a whole and situating his reflections at the centre of current moral debates Focusing on the last stage of Foucault's thought this book brings together international scholars to relaunch the critical debate on the significance of Foucault's so called ethical turn and to discuss the ways in which the perspectives offered by Foucault in this

period might help us to unravel modernity giving us the tools to understand and transform our present ethically and politically

The Cynic's Word Book Ambrose Bierce, 2021-10-08 The dictionary was never meant to be an extensive project and the entries don't go any further than the one for Lord As Bierce writes in the preface As it was no part of the author's purpose to define all the words in the language or even to make a complete alphabetical series the stopping place of the book was determined by considerations of bulk In the event of this volume proving acceptable to that part of the reading public to which in humility it is addressed enlightened souls who prefer dry wines to sweet sense to sentiment good English to slang and wit to humor there may possibly be another if the author be spared for the compiling Apparently it was acceptable as a second edition this time called *The Devil's Dictionary* was published in 1911 *Journal of the British Archaeological Association* British Archaeological Association, 1896

Juvenal and the Poetics of Anonymity Tom Geue, 2017-11-23 The satirist Juvenal remains one of antiquity's greatest question marks His *Satires* entered the mainstream of the classical tradition with nothing more than an uncertain name and a dubious biography to recommend them Tom Geue argues that the missing author figure is no mere casualty of time's passage but a startling concerted effect of the *Satires* themselves Scribbling dangerous social critique under a historical maximum of paranoia Juvenal harnessed this dark energy by wiping all traces of himself signature body biographical snippets social connections from his reticent texts This last major ambassador of a once self-betraying genre took a radical leap into the anonymous Juvenal and the Poetics of Anonymity tracks this mystifying self-concealment over the whole Juvenalian corpus Through probing close readings it shows how important the missing author was to this satire and how that absence echoes and amplifies the neurotic politics of writing under surveillance

The Enchiridion of Epictetus Epictetus, 1881 *Sacred Books of the Buddhists*, 1921 *The Inventive Schoolmaster* Walter Omar Kohan, 2015-02-03 A constant belief seems to give life to Kohan's theoretical work and philosophical practice A supposition that one could never prove or disprove motivates Kohan's ceaseless erring and essaying his efforts to invent school We read it in between the lines of nearly all of his published work and those who have had the chance to take part in his manner of philosophical ask-sis feel it in his practice It is a belief that he shares with Rodr guez All children adolescents and adults from all walks of life from any corner of the globe no matter their economic status occupation gender race or ethnicity can philosophize But perhaps more profoundly and it is here where I think Kohan's written work and practice mirror the pedagogy and text of Rodr guez philosophizing living philosophically with anyone for anyone we can invent school *The Inventive Schoolmaster* Sim n Rodr guez is indeed about the inventive Sim n Rodr guez More importantly however it is an essay which shows us how a life of philosophical essaying and errantry can invent school And in this regard it is also an introduction to the singular form of Walter Kohan's philosophy of education Jason Thomas Wozniak
