The Nature Of Communism:

The Nature of Communism Vanderbilt University. Institute on Communism and Constitutional Democracy, 1965 **On the Nature of Communism and Relations with Communists** Irving Howe, 1966 *The Nature of Communism* Robert Vincent Daniels, 1962 Examines the origins and concepts of communism and communist theory and its various aspects as a political movement **The Nature of Revolution** United States. Congress. Senate. Committee on Foreign Relations, 1968 Analyzes stages of various national and social revolutions from the 17th through the 20th centuries **Alexander Zinoviev: An Introduction to His Work** Michael Kirkwood, 1993-06-18 Zinoviev's twin themes are the nature of Soviet communist society and the West's inability to understand it It is the purpose of this book to trace the development of his thinking via a chronological analysis of his most important works *The Nature of Capital* Richard Marsden, 1999-08-26 Original in conception and bold in its diagnosis this work will be welcomed by students of and researchers in economics social theory Marx Foucault and postmodernity *Political Systems and the Nature of Freedom* Robert Upshaw, 2005-04 We are under attack every day of our lives by of all things labels *Political Systems and the Nature of Freedom* is the first volume of a three part series that defines the structures of government and the relationship these institutions and ideologies have with the people who exist within them by reviewing and redefining the myriad of labels used to describe their nature and function Governance democracy and freedom are concepts that are frequently bandied about and just as frequently fought over or taken for granted Author Robert Upshaw comparatively examines different theoretical forms of government and carefully looks at actual governments and how they do or do not conform to these definitions In this book he delves into the role these institutions have in the lives of individuals and presents a case study using the Constitution of the United States and modern America A variety of political theories are also examined for their relationship to the nature of freedom Carefully and concisely written *Political Systems and the Nature of Freedom* is an important book for our times and for anyone interested in the way government affects the governed as it details the results of this Great Experiment and what freedom means in the Twenty First Century **The Nature of War** Jim Stempel, 2014-11-26 For over 12 000 years human beings have warred slaughtering each other with persistence and brutality From spear point to thermonuclear ordnance human ingenuity has had a serious downside In the 20th century alone wars claimed more than 90 million lives Yet war's origins meaning and evolution over the millennium remain to this day a mystery Why is warfare almost as old as man himself How is it that a creature capable of producing great art architecture literature medicine and wondrous acts of compassion is simultaneously capable of such cruel and wanton slaughter To answer these and other questions this thoughtful study journeys across time and disciplines to examine and sensibly explain human warfare clarify its source and driving energy and thoughtfully develop the prospect of a true and lasting peace **The Nature and Origins of Political Extremism In Germany and Beyond** Sebastian Jungkunz, 2021-11-24 This book provides a systematic overview of the prevalence causes and stability of left wing

and right wing extremist attitudes in Germany between 1994 and 2017 It shows that there are many similarities between left wing and right wing extremists both in terms of their ideologies and their individual experiences Overall these causes can be traced back to three factors unmet individual needs e g deprivation or disenchantment with politics access to ideological narratives that promise simplified solutions to individual problems and the larger social circumstances of life e g transformation processes unemployment or immigration Although extremist attitudes are relatively rare they are also shown to be highly stable once acquired individuals are difficult to bring back onto the democratic path This book is the first to systematically compare left wing and right wing extremist attitudes to provide an intensive methodological contribution to the measurability of such attitudes and to relate their causes and stability **The Nature of Sociology** Mike

Gane, 2005-04-01 Having taken over the leadership of the French school of sociology after the death of his uncle Emile Durkheim in 1917 Mauss celebrated author of *The Gift* re launched the flagship journal the *Ann e sociologique* Here are two of Mauss s most significant statements on the social sciences The first written with Fauconnet outlines the methodological orientations of the school The second examines the internal organization of sociology as a division of intellectual labor The essays are of interest to anthropologists as well as sociologists for Mauss like Durkheim did not distinguish in detail the two disciplines

As recognized, adventure as without difficulty as experience more or less lesson, amusement, as skillfully as conformity can be gotten by just checking out a ebook **The Nature Of Communism** in addition to it is not directly done, you could agree to even more approaching this life, around the world.
