New Deal Art John P. Murphy,2025-10-28 A vibrant and insightful account of the diverse artists and activists who made up the New Deal art programs and the influential legacy of the artwork they left behind What role should the arts play in a democracy At the height of the Great Depression President Franklin D Roosevelt s New Deal turned crisis into opportunity Through unprecedented federal funding for the arts the New Deal launched the careers of artists such as Philip Guston Dorothea Lange Jacob Lawrence Alice Neel Jackson Pollock and Mark Rothko They belonged to the era s bold vision of cultural democracy art by the people for the people Brimming with vivid images and stories New Deal Art offers a dynamic survey of this transformative period The book highlights a diverse generation of artists who challenged dominant narratives of American history and identity Through state sponsored murals paintings sculptures photographs prints and posters these artists redefined the role of art in society They formed the first Artists Union and fought fascism through collective action They reimagined art as a public good rather than a private luxury New Deal Art confronts issues relevant today freedom and censorship race and representation art and activism politics and propaganda In an era of dwindling public arts funding the New Deal s goal of broadening access to art and culture remains as urgent as ever *Women, Art and the New Deal*

Katherine H. Adams,Michael L. Keene,2016-01-04 In 1935 the United States Congress began employing large numbers of American artists through the Works Progress Administration fiction writers photographers poster artists dramatists painters sculptors muralists wood carvers composers and choreographers as well as journalists historians and researchers Secretary of Commerce and supervisor of the WPA Harry Hopkins hailed it a renaissance of the arts if we can call it a rebirth when it has no precedent in our history Women were eminently involved creating a wide variety of art and craft interweaving their own stories with those of other women whose lives might not otherwise have received attention This book surveys the thousands of women artists who worked for the U S government the historical and social worlds they described and the collaborative depiction of womanhood they created at a pivotal moment in American history **African American Artists and the New Deal Art Programs**

Mary Ann Calo,2023-05-16 This book examines the involvement of African American artists in the New Deal art programs of the 1930s Emphasizing broader issues informed by the uniqueness of Black experience rather than individual artists works Mary Ann Calo makes the case that the revolutionary vision of these federal art projects is best understood in the context of access to opportunity mediated by the reality of racial segregation Focusing primarily on the Federal Art Project FAP of the Works Progress Administration WPA Calo documents African American artists participation in community art centers in Harlem in St Louis and throughout the South She examines the internal workings of the Harlem Artists Guild the Guild s activities during the 1930s and its alliances with other groups such as the Artists Union and the National Negro Congress Calo also explores African American artists representation in the exhibitions sponsored by

WPA administrators and the critical reception of their work In doing so she elucidates the evolving meanings of the terms race culture and community in the interwar era The book concludes with an essay by Jacqueline Francis on Black artists in the early 1940s after the end of the FAP program Presenting essential new archival information and important insights into the experiences of Black New Deal artists this study expands the factual record and positions the cumulative evidence within the landscape of critical race studies It will be welcomed by art historians and American studies scholars specializing in early twentieth century race relations

The New Deal Michael Hiltzik, 2011 Franklin Roosevelt's New Deal began as a program of short term emergency relief measures and evolved into a truly transformative concept of the federal government's role in Americans lives More than an economic recovery plan it was a reordering of the political system that continues to define America to this day With this book writer Michael Hiltzik offers fresh insights into this inflection point in the American experience He shows how Roosevelt through force of personality commanded the loyalty of the fiscal conservatives and radical agrarians alike yet the same character traits that made him a great leader would sow the seeds of the New Deal's end Understanding the New Deal may be more important today than at any time in the last eight decades Conceived in response to a devastating financial crisis very similar to America's most recent downturn the New Deal remade the country's economic and political environment in six years of intensive experimentation and provided a model for subsequent presidents who faced challenging economic conditions right up to the present From publisher description

The Coit Tower Murals Robert W. Cherny, 2024-11-12 Created in 1934 the Coit Tower murals were sponsored by the Public Works of Art Project PWAP the first of the New Deal art programs Twenty five master artists and their assistants worked there most of them in buon fresco Nearly all of them drew upon the palette and style of Diego Rivera The project boosted the careers of Victor Arnautoff Lucien Labaudt Bernard Zakheim and others but Communist symbols in a few murals sparked the first of many national controversies over New Deal art Sixty full color photographs illustrate Robert Cherny's history of the murals from their conception and completion through their evolution into a beloved San Francisco landmark Cherny traces and critiques the treatment of the murals by art critics and historians He also probes the legacies of Coit Tower and the PWAP before surveying San Francisco's recent controversies over New Deal murals An engaging account of an artistic landmark The Coit Tower Murals tells the full story behind a public art masterpiece

A New Deal for Native Art Jennifer McLerran, 2022-08-16 As the Great Depression touched every corner of America the New Deal promoted indigenous arts and crafts as a means of bootstrapping Native American peoples But New Deal administrators romanticization of indigenous artists predisposed them to favor pre industrial forms rather than art that responded to contemporary markets In *A New Deal for Native Art* Jennifer McLerran reveals how positioning the native artist as a pre modern Other served the goals of New

Deal programs and how this sometimes worked at cross purposes with promoting native self sufficiency She describes federal policies of the 1930s and early 1940s that sought to generate an upscale market for Native American arts and crafts And by unraveling the complex ways in which commodification was negotiated and the roles that producers consumers and New Deal administrators played in that process she sheds new light on native art s commodity status and the artist s position as colonial subject In this first book to address the ways in which New Deal Indian policy specifically advanced commodification and colonization McLerran reviews its multi pronged effort to improve the market for Indian art through the Indian Arts and Crafts Board arts and crafts cooperatives murals museum exhibits and Civilian Conservation Corps projects Presenting nationwide case studies that demonstrate transcultural dynamics of production and reception she argues for viewing Indian art as a commodity as part of the national economy and as part of national political trends and reform efforts McLerran marks the contributions of key individuals from John Collier and Rene d Harnoncourt to Navajo artist Gerald Nailor whose mural in the Navajo Nation Council House conveyed distinctly different messages to outsiders and tribal members Featuring dozens of illustrations A New Deal for Native Art offers a new look at the complexities of folk art revivals as it opens a new window on the Indian New Deal
