The New Guide To Remedies New Guide To Remedies Therapies:

A Guide to Treatments that Work Peter E. Nathan, Jack M. Gorman, 2007-03-15 Much about this third edition of *A Guide to Treatments That Work* remains as it was in the first and second editions Like its predecessors this edition offers detailed evaluative reviews of current research on empirically supported treatments written in most instances by clinical psychologists and psychiatrists who are major contributors to that literature Similarly the standards by which the authors were asked to evaluate the methodological rigor of the research on treatments have also remained the same As before they provide information on the quality of the research on treatment efficacy and effectiveness that is reviewed **A Guide To**

Treatments that Work Peter Nathan, Jack M. Gorman, 2002-01-18 A fully revised and updated edition of this unique and authoritative reference The award winning *A Guide to Treatments that Work* published in 1998 was the first book to assemble the numerous advances in both clinical psychology and psychiatry into one accessible volume It immediately established itself as an indispensable reference for all mental health practitioners Now in a fully updated edition *A Guide to Treatments that Work* Second Edition brings together once again a distinguished group of psychiatrists and clinical psychologists to take stock of which treatments and interventions actually work which don't and what still remains beyond the scope of our current knowledge The new edition has been extensively revised to take account of recent drug developments and advances in psychotherapeutic interventions Incorporating a wealth of new information these eminent researchers and clinicians thoroughly review all available outcome data and clinical trials and provide detailed specification of methods and procedures to ensure effective treatment for each major DSM IV disorder As an interdisciplinary work that integrates information from both clinical psychology and psychiatry this new edition will continue to serve as an essential volume for practitioners of every kind psychiatrists psychologists clinical social workers counselors and mental health consultants **The Complementary and Alternative Medicine Information Source Book** Alan Rees, 2001-03-30 From
