The New Lafayette Theatre Presents Ed Bullins, 1974 **THE NEW LAFAYETTE THEATRE PRESENTS : PLAYS WITH AESTHETIC COMMENTS BY 6 BLACK PLAYWRIGHTS ; ED BULLINS, J.E. GAINES, CLAY GLOSS, OYAMO, SONIA SANCHEZ, RICHARD WESLEY** ,1974 African American Nationalist Literature of the 1960s Sandra Hollin Flowers, 2019-09-25 Bringing together political theory and literary works this study recreates the political climate which made the 1960s an unforgettable era for young black Americans A chapter on The Many Shades of Black Nationalism for instance explains why black nationalism is known by more than a dozen different names how events in Africa influenced black nationalism in America why Malcolm X's death had a greater impact on nationalism than did his life and how the United States government unwittingly became nationalism's ally Another chapter explores the bitter feud between the dominant factions of the 1960s cultural and revolutionary nationalists This feud erupted in both verbal and armed warfare and generated an abundance of political theory and literary works much of which is out of circulation but is examined in the study Nationalist poetry theater and fiction are each treated in separate chapters which exemplify the aesthetic and political concerns of this memorable period in American history and letters Aside from its unique combination of artistic and political works what makes this book important is the current revival of nationalist sentiment in African American life and arts Though this revival is closely identified with the nationalism of the 1960s it lacks the focus of that period This study explains what gave the nationalism of the 1960s its focus how that focus was expressed in art forms and why 1960s nationalism continues to influence the African American identity and will probably do so well into the twenty first century **The New Lafayette Theatre Presents** Ed Bullins, 1974 *Heroism in the New Black Poetry* D. H. Melhem, D H Melhem's clear introductions and frank interviews provide insight into the contemporary social and political consciousness of six acclaimed poets Amiri Baraka Gwendolyn Brooks Jayne Cortez Haki R Madhubuti Dudley Randall and Sonia Sanchez Since the 1960s the poet hero has characterized a significant segment of Black American poetry The six poets interviewed here have participated in and shaped the vanguard of this movement Their poetry reflects the critical alternatives of African American life separatism and integration feminism and sexual identity religion and spirituality humanism and Marxism nationalism and internationalism They unite in their commitment to Black solidarity and advancement **African American Theater** Glenda Dicker/sun, 2013-08-23 Written in a clear accessible storytelling style African American Theater will shine a bright new light on the culture which has historically nurtured and inspired Black Theater Functioning as an interactive guide for students and teachers African American Theater takes the reader on a journey to discover how social realities impacted the plays dramatists wrote and produced The journey begins in 1850 when most African people were enslaved in America Along the way cultural milestones such as Reconstruction the Harlem Renaissance and the Black Freedom Movement are explored The journey concludes with a discussion of how the past still plays out in the works of contemporary playwrights like August

Wilson and Suzan Lori Parks African American Theater moves unsung heroes like Robert Abbott and Jo Ann Gibson Robinson to the foreground but does not neglect the race giants For actors looking for material to perform the book offers exercises to create new monologues and scenes Rich with myths history and first person accounts by ordinary people telling their extraordinary stories African American Theater will entertain while it educates *The Black Theatre Movement in the United States and in South America* Olga Barrios Herrero,2011-11-28 El creixement dels moviments sociopol tics entre els anys seixanta i noranta als Estats Units i a Sud frica va establir els fermos fonaments sobre els quals amb una for a i mpetu sense precedents es va forjar el teatre negre d aquests anys Forma i contingut van sorgir a l una del comprom s pol tic i art stic adoptat per aquests artistes contra l imperialisme el colonialisme i el racisme occidentals Per primera vegada en la hist ria el teatre negre dels Estats Units i de Sud frica analitzava i valorava les arrels negres per a poder il luminar la recerca d un futur de llibertat No obstant aix el context sociopol tic i les circumst ncies espec fiques de cada pa s han generat igualment els trets distintius del teatre afronord americ i negre sud afric incloses les difer ncies de g nere manifestos en ramificacions art stiques totalment heterog nies i niques **Ottomiller's Index to Plays in Collections** Denise L.
