The Mystery Of King Arthur:

The Mystery of King Arthur Elizabeth Jenkins,1975 The author explores the mystery that surrounds the famous King Arthur *The King Arthur Quest* Clayton Donoghue,2018-10-04 Who was King Arthur A man or a myth Was he a living breathing figure in medieval history or is he merely a timeless literary character in a beloved fairy tale King Arthur is a monumental figure as we know him but will the search for the real King Arthur prove the legend or will it undermine his majesty The King Arthur Quest takes a deep look into discovering the true person behind the great legend of King Arthur and whether the man really existed at all Author Clayton Donoghue investigates a number of sources of the stories behind the man and it turns out that the legendary king was real all right but that he may not be as exciting as what some people like Geoffrey Monmouth have made the king out to be Nevertheless the real King Arthur lived in the Dark Ages when Briton was being overrun by the Irish the Picts and the Anglo Saxons and these were desperate times of survival completely void of knights in shining armour yet from this turbulence clerics and scribes managed to keep records that survive today revealing Arthur s true identity King Arthur may not have been part of the age of chivalry or even a king at all Yet tracing his legacy in both history and in fiction can tell us something about who he was and why he was important both for the people arising out of the Dark Ages and for us today *King Arthur* Charles Morris,1908 *The Historical Tales of King Arthur, Vol. 1* Charles Morris,2016-10-17 The Arthur of the legends has quite stepped out of the historic page and become a hero without time or place in any real world a king of the imagination the loftiest figure in that great outgrowth of chivalric romance which formed the favorite fictitious literature of Europe during three or four of the medi val centuries The ballads and romances in which the King Arthur of medi val story figures as the hero have here been transformed into easily readable prose and thus offer pleasant and enjoyable stories to us now This is volume one out of two *The Discovery of King Arthur* Geoffrey Ashe,1987-01-15 The author offers convincing proof that King Arthur existed by tracing the legend of King Arthur to its roots in the 12th century chronicles of Geoffrey of Monmouth **King Arthur** Sir Thomas Malory,Charles Morris,1904 *King Arthur* Chris Barber,2016 New and fresh look at the identity of King Arthur from an established and best selling author The culmination of over thirty years work by the author Relevant to Wales Cornwall and Brittany The publication will coincide with a Hollywood film due out in July 2016 Knights of the Roundtable is directed by Guy Ritchie and will star Charli
