Mystery of the Keys of the Kingdom Deborah Bouchard,2021-07 Keys are an important part of our lives I once heard someone say that the more keys you hold the more power you have I don t know about that but those keys give you access into locked places that keeps everyone else out This book will reveal a mystery that in my mind will open the locked understanding of what Jesus was telling Peter in Matthew 16 19 when He said I will give you the keys of the kingdom of heaven and whatever you bind on earth will be bound in heaven and whatever you loose on earth will be loosed in heaven There are two important words in what Jesus told Peter They are keys of Jesus was about to depart from earth through His crucifixion death and resurrection He wanted to leave not only His disciples but all believers with tools or weapons to defeat the strategies of Satan He delivered them to the disciples when He declared them to Peter He said I will give you the keys of the Kingdom That is much different than keys to the kingdom Jesus is the Key to the kingdom But the keys of the kingdom are important to know In this book you will find five very important keys to fight in the spirit realm The rest of the paragraph is fine You may have known about them but putting these simple but extremely important tools in your toolbox will help you to live the life Jesus said in John 10 10 I have come that they may have life and that they may have it more abundantly

unlock a kingdom mystery Paul was a man called by God however before God openly challenged that call Paul's relationship with the Lord was one of the mind Saul of Tarsus was a diligent and persistent man of the church who believed that he was doing the will of God by hunting down Christians and bringing them into captivity It is obvious that through his diligent efforts and the tenacity in which he pursued his convictions that he was a sincere threat to the true plan of God which had been administered to the disciples Paul was not demonically driven he was deceived by the words of those he revered in the church and by his social environment We can see however that he was a man of intense thought and dedication This was revealed to us when he perceived that he was sent by God as a messenger to remove heretics in the church Paul goes to the church with his plan his vision and for permission to pursue and eliminate the message of Christianity by imprisoning those who propagated or followed this false teaching After receiving the blessing and validation of his plan by the church Paul aggressively formed a plan to accomplish his mission He knew those professing Christianity were not known to be violent He knew they were known as a people of peace and would not resist if they were to be arrested So he assembled a team of handpicked individuals who wanted to assist in achieving this goal either by their delegated authority from church and state or by force We know that it was Paul's intention to arrest and bring the accused to a public trial without excessive violence unfortunately there were those with him who did not share this view We learn this as we see the stoning of Stephen in Acts 7 58 and Saul does nothing to stop it Acts 8 1 tells us that Saul was consenting or in agreement of his death The word consenting in the Greek *suneudokeo* also meant that he was pleased This act of murder launches a great persecution on the church The assault goes from the street to the home and they begin to enter into every house dragging off to prison any who believed or confessed Christianity This was the turning point of his original plan we now see his deception being demonically enhanced There are no more rules and his act of civil or warped spiritual duty turned to anger and rage We see this clearly in Acts 9 1 And Saul yet breathing out threatening and slaughter against the disciples of the Lord went to the high priest The Greek word for slaughter is *phonos* which means murder or death Saul went to the high priest who is the chief priest or that of the highest order of the church to gain further support by having him document in writing his validation of his quest Words can be appealed and restated however once something is in writing it becomes the written word and enforceable to its letter Saul now took the written word from the highest order of the church to pursue and eliminate the living Word an impossible task that he would soon realize Just as it is today be assured that word traveled fast There was already a spread of fear and even the disciples were afraid of Saul after his conversion See Acts 9 26 Now Paul retained and possessed letters of permission from the highest order to arrest or kill those professing Christ The letters may have only contained the right to imprison the followers of Christ however the church and the high priests knew of Saul's havocs and threats of slaughter to those of the Christian faith They had supported the crucifixion and the death or slaughter of Jesus Isaiah 53 7 and Acts 8 32 He was oppressed and afflicted yet He opened not his mouth REVEALING THE MYSTERY OF THE KINGDOM OF
