Exegesis and Poetry in Medieval Karaite and Rabbanite Texts Joachim Yeshaya, Elisabeth Hollender, 2016-09-27 This collection of essays offers an inquiry into the complex interaction between exegesis and poetry that characterized medieval and early modern Karaite and Rabbanite treatment of the Bible in the Islamic world the Byzantine Empire and Christian Europe Discussing a variety of topics that are usually associated with either exegesis or poetry in conjunction with the two fields the authors analyze a wide array of interactions between biblical sources and their interpretive layers whether in prose exegesis or in multiple forms of poetry and rhymed prose Of particular relevance are mechanisms for the production and transmission of exegetical traditions including the participation of Jewish poets in these processes an issue that serves as a leitmotif throughout this collection

Bridging between Sister Religions Isaac Kalimi, 2016-08-01 This volume is a collection of fresh

essays in honor of Professor John T Townsend It focuses on the interpretation of the common Jewish and Christian Scripture the Hebrew Bible Old Testament and on its two off shoots Rabbinic Judaism and the New Testament as well as on Jewish Christian relations The contributors who are prominent scholars in their fields include James L Crenshaw G ran Eidevall Anne E Gardner Lawrence M Wills Cecilia Wassen Robert L Brawley Joseph B Tyson Eldon J Epp Yaakov Elman Rivka Ulmer Andreas Lehnardt Reuven Kimelman Bruce Chilton and Michael W Duggan an engaging and impressive scholarly work Zev Garber Los Angeles Valley College The Catholic Biblical Quarterly 81 3 2019 *In God's Presence* Alon Goshen-Gottstein, 2025-10-21 In this landmark volume noted Jewish scholar Alon Goshen Gottstein offers a full orbbed treatment of the Jewish faith for today Goshen Gottstein s presentation explores the history and practice of Judaism and offers a framework in which this complex religious tradition makes sense to both the insider and the outsider Painting a composite picture of Judaism from its beginnings until today Goshen Gottstein draws on history literature theology spirituality and practiced religious life to craft an overview in which these different parts are appreciated as pieces of a larger whole Beyond the canonical foundations of the Bible and the Talmud Goshen Gottstein incorporates mystical sources in presenting an image of spiritually engaged Jewish practice and belief He thus argues that Judaism is best understood as a religious tradition that seeks to uphold not only a life lived in allegiance to God s law but more importantly a life lived in God s presence Written by a senior scholar well known in Jewish Christian and interreligious circles In God s Presence will appeal to Jewish and Christian academic readers those interested in the intersection of Jewish and Christian thought and students in introduction to Judaism courses From Martyr to Mystic Ra'anan S. Boustani, 2005 This study provides a critical analysis of Nurcholish Madjid s attempt to interpret Islam within the framework of modern Indonesia Special attention is paid to his ideas and activities during the years leading to the 1998 downfall of President Soeharto and the development towards democracy that followed Although many of these ideas have been embraced by significant sectors of official Indonesia they have also received harsh criticism from the representatives of more conservative interpretations of Islam and more recently from secular Muslims as well BOOK JACKET Beguiling Guidance Adena Tanenbaum, 2025-09-22 The only Hebrew picaresque maq ma from Yemen Sefer hamusar captivates its readers with trickster tales of wandering and adventure while offering moral guidance and a spiritual ascent via kabbalistic study In Beguiling Guidance Adena Tanenbaum explores these tensions along with the literary social historical philosophical and kabbalistic aspects of Sefer hamusar and situates the work in its broader 16th century framework Applying a fresh reading she analyzes Al hir s maq ma as a rich repository of intellectual history treats his travel narratives as composites of fiction and fact and uncovers the cultural assumptions and self definitions underlying his representations of Muslims which she shows to be far more variegated and nuanced than previously acknowledged Beguiling Guidance should appeal to readers interested in transregional cultural exchange and the diffusion of texts pre modern fiction and travel writing and Muslim Jewish power relations in the late medieval early modern

Middle East It also serves as an introduction to the vibrant culture of a Jewish community that traced its presence in South Arabia back to antiquity *The Cambridge Companion to Jewish Theology* Steven Kepnes, 2020-12-17 A comprehensive review of the entire tradition of Jewish Theology from the Bible to the present from leading world scholars **Hasidism Incarnate** Shaul Magid, 2014-12-10 Hasidism Incarnate contends that much of modern Judaism in the West developed in reaction to Christianity and in defense of Judaism as a unique tradition Ironically enough this occurred even as modern Judaism increasingly dovetailed with Christianity with regard to its ethos aesthetics and attitude toward ritual and faith Shaul Magid argues that the Hasidic movement in Eastern Europe constitutes an alternative modernity one that opens a new window on Jewish theological history Unlike Judaism in German lands Hasidism did not develop under a Christian gaze and had no need to be apologetic of its positions Unburdened by an apologetic agenda at least toward Christianity it offered a particular reading of medieval Jewish Kabbalah filtered through a focus on the charismatic leader that resulted in a religious worldview that has much in common with Christianity It is not that Hasidic masters knew about Christianity rather the basic tenets of Christianity remained present albeit often in veiled form in much kabbalistic teaching that Hasidism took up in its portrayal of the charismatic figure of the zaddik whom it often described in supernatural terms
