The Mythologies of Ancient Mexico and Peru (Classic Reprint) Lewis Spence, 2015-06-29 Excerpt from The Mythologies of Ancient Mexico and Peru It is difficult to understand the neglect into which the study of the Mexican and Peruvian mythologies has fallen A zealous host of interpreters are engaged in the elucidation of the mythologies of Egypt and Assyria but if a few enthusiasts in the United States of America be excepted the mythologies of the ancient West have no following whatsoever That this little book may lead many to a fuller examination of those profoundly interesting faiths is the earnest hope of one in whose judgment they are second in importance to no other mythological system By a comparative study of the American mythologies the student of other systems will reap his reward in the shape of many a parallel and many an elucidation which otherwise would escape his notice whilst the general reader will introduce himself into a sphere of the most fascinating interest the interest in the attitude towards the eternal verities of the peoples of a new and isolated world About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Mythologies of Ancient Mexico and Peru Spence Lewis, 2016-06-23 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

The Myths of Mexico & Peru Lewis Spence, 2023-10-29 In The Myths of Mexico Peru Lewis Spence delves into the rich tapestry of Mesoamerican and Andean mythology offering readers a meticulous exploration of the cultural and spiritual legacy of these ancient civilizations Spence employs a narrative style that blends scholarly rigor with accessible prose allowing the grandeur and complexity of the myths to resonate with both academic and general audiences The book serves as a vital intersection of history anthropology and literature drawing on extensive research to elucidate themes of creation sacrifice

and the pantheon of gods worshiped by indigenous peoples thus situating these stories within a broader historical landscape Lewis Spence was a prominent Scottish historian folklorist and writer whose lifelong passion for mythology and ancient cultures undoubtedly informed his scholarly pursuits His diverse background included an education steeped in literature and history which allowed him to articulate the spiritual dimensions of ancient civilizations in a way that respects their autonomy while engaging a modern audience His fascination with folklore both local and international also impelled him to synthesize these narratives into coherent interpretations reflective of their broader significance This book is highly recommended for readers interested in the rich traditions of indigenous cultures as well as scholars seeking a comprehensive understanding of Latin American mythology Spence's insightful analysis not only fosters an appreciation for these ancient stories but also encourages contemplative dialogue regarding their enduring influence in contemporary society [The Myths of Mexico & Peru](#) Lewis Spence,1913 **The Myths of Mexico & Peru** Lewis Spence,2020-07-16 The Myths of Mexico Peru is a detailed study on the history and mythology of ancient Aztecs and Incas providing valuable information to allow understanding into the background of Latin American heritage The book includes tales of the myths of creations legends of numerous Mesoamerican Gods such as Quetzalcoatl Tlaloc Tezcatlipoca and Huitzilopochtli and many other interesting folk tales of the ancient tribes of Mexico and Peru *The Mythologies of Ancient Mexico and Peru* Lewis Spence,1907 *The Mythologies of Ancient Mexico and Peru - Scholar's Choice Edition* Lewis Spence,2015-02-18 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant [The Myths Of Mexico And Peru](#) Lewis Spence,2023-07-18 Spence explores the myths and legends of ancient Mexico and Peru exploring the stories of the Aztecs Incas and other indigenous peoples A fascinating look at pre Columbian cultures and their beliefs This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We
