The Naked Man Robert Dickhoff, 1978

The Naked Man John Ditsky, 2000-01-01

The Naked Man Claude Lévi-Strauss, 1990-11-08 The Naked Man is the fourth and final volume of *Mythologiques* written by the most influential and probably the most controversial anthropologist of our time Myths from North and South America are set side by side to show their transformations in passing from person to person and place to place a myth can change its content and yet retain its structural principles Apart from the complicated transformations discovered and the fascinating constructions placed on these the stories themselves provide a feast Betty Abel Contemporary Review L vi Strauss uses the structural method he developed to analyze and decode the mythology of native North Americans focusing on the area west of the Rockies The author takes the opportunity to refute arguments against his method his chapter Finale is a defense of structural analysis as well as the closing statement of this four volume opus which started with an Overture in *The Raw and the Cooked* Library Journal The culmination of one of the major intellectual feats of our time Paul Stuewe Quill and Quire

Claude Lévi-Strauss Maurice Godelier, 2018-08-07 Anthropologist Claude Lvi Strauss was among the most influential thinkers of the twentieth century In this rigorous study Maurice Godelier traces the evolution of his thought Focusing primarily on Lvi Strauss's analysis of kinship and myth Godelier provides an assessment of his intellectual achievements and legacy Meticulously researched Lvi Strauss is written

in a clear and accessible style The culmination of decades of engagement with Lvi Strauss s work this book will prove indispensable to students of his thought and structural anthropology more generally **Sex, Crime and Morality** Sharon Hayes,Belinda Carpenter,Angela Dwyer,2012-08-21 Over the last few decades there has been a marked increase in media and debate surrounding a specific group of offences in modern Democratic nations which bear the brunt of the label crimes against morality Included within this group are offences related to prostitution and pornography homosexuality and incest and child sexual abuse This book examines the nexus between sex crime and morality from a theoretical perspective This is the first academic text to offer an examination and analysis of the philosophical underpinnings of sex related crimes and social attitudes towards them and the historical anthropological and moral reasons for differentiating these crimes in contemporary western culture The book is divided into three sections corresponding to three theoretical frameworks Part 1 examines the moral temporality of sex and taboo as a foundation for legislation governing sex crimes Part 2 focuses on the geography of sex and deviance specifically notions of public morality and the public private divide Part 3 examines the moral economy of sex and harm including the social construction of harm Sex Crime and Morality will be key reading for students of criminology criminal justice gender studies and ethics and will also be of interest to justice professionals **Everybody's Magazine** ,1912
