The Narrow Journey:

Bashō's Journey Matsuo Bashō, 2005-04-21 Offers the most comprehensive collection of Bashō's prose available beautifully translated into English *The Journey Into Wholeness for Single Mothers* Bev Frank, 2012-10 You are not alone If you have taken The Transforming Journey of Truth Hope and Love for Single Mothers those four words you are not alone resonate in your soul You're no longer a single mother feeling alone and lost on a dark road with no destination Your personal journey has transformed you into a single mother in a Half Family who is standing on the borders of Wholeness Only this transformation prepares you to embark on a new journey The Journey into Wholeness for Single Mothers Therefore if you feel alone torn apart by the harsh reality of life as a single mother and long to be whole choose to take the transforming journey first Whether you are a single mother by separation divorce or an unwed pregnancy you will discover the light of truth which exposes all the rough spots on your road the hope to maneuver through these challenges and the love that leads you to a new path Standing on the borders of this new path you discover the three secrets to wholeness which reveal a narrow road As we travel together you will experience the glorious splendor of this journey with each deliberate selfless and sacrificial step receive wonderful blessings and see a glimpse of heaven **The Journey** Rev. Nelson Brenner, 2022-10-14 Preface The Journey is a Christian perspective on life's journey from earth to glory In The Journey Reverend Brenner describes the Christian life in three aspects past present and future or beginning continuing and finishing the journey of faith He shows that the Christian life is analogous to the history of Israel in the Old Testament Broadly speaking Israel's history could be summed up in three stages deliverance from Egypt the wilderness sojourn and possessing Canaan the promised land The author shows how the Christian's life similarly may be viewed in three stages redemption from sin's bondage living for Christ in a sinful world and reaching our goal which is heaven the hope of all believers His main emphasis is on the second stage appropriately entitled the pilgrimage which is obviously the present time of our journey of living our Christian life now in this present evil world Reflecting again on Israel's history he shows how happy they were to escape Egypt but how discouraged and defeated they became during their wilderness journey because of hardships and trials and failed to reach their goal So the author reminds readers who are on this journey of faith that it's not how you start but how you finish and finish depending on what you do and how you do after your start and going forward So run that ye may obtain as 1 Corinthians 9:27 says So many other words of admonition are given to remind the Christian that he must remain dedicated and determined throughout his journey to reach the goal Again listen to the apostle Paul in Philippians 3:12-14 I follow after this one thing I do reaching forth I press toward the mark for the prize He is focused Making the journey is a collaborative effort between the believers and God our faith and his faithfulness The author's aim for this book is to encourage you as you continue on in your journey toward heaven **On the Narrow Road to the Deep North** Lesley Downer, 1989 The author retraces the journey in 1689 of Matsuo Bashō described in his *Oku no hosomichi* The narrow road to the deep north
