The National Hockey League:

Joining the Clubs J. Andrew Ross, 2015-05-21 How did a small Canadian regional league come to dominate a North American continental sport Joining the Clubs The Business of the National Hockey League to 1945 tells the fascinating story of the game off the ice offering a play by play of cooperation and competition among owners players arenas and spectators that produced a major league business enterprise Ross explores the ways in which the NHL organized itself to maintain long term stability deal with its labor force and adapt its product and structure to the demands of local regional and international markets He argues that sports leagues like the NHL pursued a strategy that responded both to standard commercial incentives and also to consumer demands that the product provide cultural meaning Leagues successfully used the cartel form an ostensibly illegal association of businesses that cooperated to monopolize the market for professional hockey along with a focus on locally branded clubs to manage competition and attract spectators to the sport In addition the NHL had another special challenge unlike other major leagues it was a binational league that had to sell and manage its sport in two different countries Joining the Clubs pays close attention to these national differences as well as to the context of a historical period characterized by war and peace by rapid economic growth and dire recession and by the momentous technological and social changes of the modern age

Lords of the Rinks John Chi-Kit Wong, 2005-12-15 No sport is as important to Canadians as hockey Though there may be a great many things that divide the country the love of hockey is perhaps its single greatest unifier Before the latest labour unrest in the National Hockey League NHL however it was easy to forget that hockey is also a multi million dollar business run not by the athletes or coaches but by corporate boards and businessmen The Lords of the Rinks documents the early years of hockey s professionalization and commercialization and the emergence of a fledgling NHL from 1875 to 1936 As the popularity of hockey grew in Canada in the late nineteenth century so too did its commercial aspects and players club directors rink owners fans and media had developed deep emotional economic and ideological interests in the sport Disagreement came in the ways and means of how organized hockey especially at the elite level should be managed Hence some coordination by way of governing bodies was required to maintain a semblance of order These early administrative bodies tried to maintain a structure that would help to coordinate the various interests set up standards of behaviour and impose mechanisms to detect and punish violators of governance In 1917 the NHL held its first games and by 1936 had become the dominant governing body in professional hockey Having performed extensive research in the NHL archives including league meeting minutes letters memos telegrams as well as gate receipt reports John Chi Kit Wong traces the commercial roots of hockey and argues that in its organized form the sport was rarely if ever without some commercial aspects despite labels such as amateur and professional The Lords of the Rinks is the only truly comprehensive and scholarly history of the league and the business of hockey Electronic Format Disclaimer The image on page 22 has been removed at the request of the rights holder
