The Nearly Departed Or My Family Other Foreigners:

Nearly Departed Brenda Cullerton, 2025-05-01 Cullerton's parents were always eccentric Her mother gardened in curlers pop beads and black satin underpants while her father hid wads of cash in shoes in the garage This is a haunting heartbreaking and incredibly funny book that is a love letter to parents family and home however strange they may be

The Nearly Departed, Or, My Family and Other Foreigners Brenda Cullerton, 2003 Adarkly hilarious memoir about the final passage in the lives of the author's wildly eccentric parents a journey to the impenetrably remote and foreign land of her own backyard Nearly Departed Gila Pfeffer, 2024-07-09 2024 Winner of the Gilda Prize Story Circle Network's Women's Book Awards A Reading Group Choices Favorite Nonfiction Book of 2024 A sharp funny and heartfelt memoir of losing both parents to cancer and the daring choices Gila Pfeffer made to avoid the same early demise By the time she was thirty Gila Pfeffer was the oldest living member of her family having lost her mother to breast cancer and her father to colon cancer A simple blood test confirmed she carried the BRCA1 gene which put her at high risk of developing cancer herself Determined to break the cycle of early death in her family Gila decides to undergo an elective double mastectomy This memoir follows her journey as she becomes a reluctant expert on how to sit shiva grows up falls in love and enters motherhood before her life is derailed yet again Her double mastectomy reveals cancer already growing in one breast After enduring eight rounds of chemo and the removal of her ovaries she takes her last ever dip in the mikvah waters as a bald menopausal thirty five year old mother of four With chutzpah honed over years of repeatedly surviving the worst she manages to save her own life Drenched in Gila's dark humor *Nearly Departed* is a story about thriving against the odds committing to what's important and leaving a better legacy than the one you inherited **The Publishers Weekly**, 2003 **Indigo Fire** Krista

Janssen, 2015-10-01 A boldly independent woman Eden Palmer must save her family's indigo plantation from reverting to the English crown She sails to Barbados and cuts a bargain with a former buccaneer to buy his secret for growing a profitable crop She cajoles a handsome Swiss captain to take her and her plants on his ship and is soon irresistibly drawn to his power and courage Baron Derek von Walden is sailing with his Swiss colonists to claim property in South Carolina when he is persuaded to carry indigo plants by a spirited young lady He is stunned to learn that his plantation boundaries overlap hers Tormented by a tragic past Derek begins to find healing love with Eden but their glorious passion is challenged from all quarters as their destiny unfolds **Bust**, 2003 Bibi Benjamin Netanyahu, 2022-10-18 In Benjamin Bibi Netanyahu's compelling *The Economist* and fascinating *The Wall Street Journal* New York Times bestselling autobiography the prime minister of Israel tells the story of his family his path to leadership and his unceasing commitment to defending his country and securing its future From their earliest days Bibi and his close knit brothers Yoni and Iddo were instilled with purpose Born in the wake of the Holocaust at the dawn of Israel's independence and raised in a family with a prominent Zionist history they understood that the Jewish state was a hard won and still precarious gift All three studied in American high

schools where they learned to appreciate the United States before returning to their cherished homeland. The brothers joined an elite special forces outfit of the Israeli Defense Forces known as the Unit. At twenty-two, Bibi was wounded while leading his team in the rescue of hostages from a hijacked plane. Four years later, in 1976, Yoni was killed in Entebbe, Uganda, while leading his men in one of the most daring hostage rescue missions in modern times. Yoni became a legend. Bibi felt he would never recover from his grief. Yet, inspired by Yoni's legacy and guided by the wisdom of his visionary historian father, Bibi thrust himself into the international struggle against terrorism, ultimately becoming the longest-serving prime minister in Israel's history. An honor he further cemented by winning reelection in 2022. In this memoir, Bibi weaves together his gripping personal story with the dramatic history of Israel and the Jewish people. Through a host of vivid anecdotes, he narrates his own evolution from soldier to statesman while providing a unique perspective on leadership, the fraught geopolitics of the Middle East, and his successful efforts to liberate Israel's economy, which helped turn it into a global powerhouse of technological innovation. Netanyahu gives colorful, detailed, and revealing accounts of his often turbulent relationships and negotiations with Presidents Clinton, Obama, and Trump. With eye-opening candor, he delves into the back channels of high diplomacy, including his struggle against the radical forces that threaten Israel and the world at large, and the decisive events that led to Israel's groundbreaking 2020 peace agreements with four Arab states. Offering an unflinching account of a life, a family, and a nation, Netanyahu writes from the heart and embraces controversy head-on. Steely and funny, high tempo and full of verve, this autobiography will stand as a defining testament to the value of political conviction and personal courage.

[A Labor of Love, Volume 1](#) Anna D. Arapakos, 2024-10-01. You hold the first of two volumes of one giant love story in your hands. In essence, this story is about Anna Arapakos's father and how she came to care for him when he was elderly. This phenomenon is a universal experience all will share or witness in one capacity or another. If you are interested in probing into life's hows and whys, you will appreciate the information she shares in this first volume. Here, you'll discover the science behind Huntington's disease (HD) and her Greek father's life from birth until age sixty through carefully chosen family stories that bring to life historical facts that shaped his outlook and foundational experiences. That way, you will have a baseline to see how HD impacts and distorts certain inherent features, ways, and tendencies of her father. You will learn about genetics, neurology, and critical characteristics of this rare and progressive disease and will be able to distinguish it from other neurodegenerative diseases. She shares this foundational information on HD so you can appreciate how and why changes occur at every level: intellectual, physical, psycho-emotional, and spiritual. In *A Labor of Love Vol. 1: Understanding Hercules*, Miss Arapakos's father is Hercules, and the portion of the myth she shares in this volume revolves around everything in Hercules' life before he undertakes the labors for which he has become so well-known. Here is also where she recounts her father's cultural/historical background and the essentials of Huntington's disease, including its features, the genetic backdrop, its impact on the brain, and much more. Then she proceeds to make apt analogies between Hercules and her father during the

formative years this book stops at the point when her dad retires and his disease really kicks in *CONFORMIST KRAUT TO CONTENTIOUS CANUCK* Herb Duerr, 2008-02-14 Despite a perilous childhood in Nazi Germany and immigration from Germany to Canada in 1951 Herb Duerr finds all but a few things amusing and he never fails to write about the world as he sees it based on his extensive travel and fascinating experiences Following *The Unhyphenated Canuck* and several autobiographical books Duerr has done it again with stimulating musings and personal adventures that cover fifty years of historical cultural and social evolution in the Canadian milieu just as he lived it *Conformist Kraut to Contentious Canuck* portrays Duerr's struggle to become Canadian by conviction and commitment Providing entertainment and information in equal measure this collection follows Duerr's progress as he confronts the challenges of a strange new world in the context of historical facts and causes His observations are embarrassingly revealing ominously critical and impertinently controversial in relation to current affairs Duerr's opinions are both contentious and refreshingly playful In his words I documented my experiences and views never hesitating to reveal my ignorance folly or just bloody mindedness Using pertinent anecdotes and self deprecating humour Duerr's latest thoughts will fuel your interest from beginning to end *Subject Guide to Books in Print*, 1991
