The Necktie Party:

The Necktie Party Jake Logan, 1984-07-15 **Hearings, Reports and Prints of the House Committee on Post Office and Civil Service** United States. Congress. House. Committee on Post Office and Civil Service, 1967 The Stand-In Evelyn Piper, 2016-02-23 A deranged failed actor plots revenge against a Hollywood starlet Desmond stands in a grotty flat on the outskirts of London trying to decide between methods of revenge He drags the lipstick across his mouth slips into the pair of stockings and finds the dress fits even better than he expected It s been a long time since Des wore drag when his uncanny ability to imitate Hollywood icon Coral Reid won him renown across the French Quarter but he still has what it takes and he s going to put his skill to bloody good use The real Coral Reid is in London shooting a movie and Des wants payback for a thousand slights real and imagined He has enough acting experience to sneak onto the set and get close to his target but is he better off killing her or snatching her child No matter which he chooses vengeance will be a messy business

The Lone Ranger Vol. 3 #2 Mark Russell, 2018-11-14 The adventure continues from multiple Eisner Award nominee MARK RUSSELL The Flintstones and BOB Q James Bond Origin Tonto and the Lone Ranger go to Austin to foil a plan to cover the Texas panhandle in barbed wire They are discovered and have to fight their way out of the city Tonto devises a new strategy based on trick plays he learned from playing football at the Carlisle Indian School and Silver knocks a man unconscious with a wooden post **The Lone Ranger: The Devil's Rope Collection** Mark Russell, 2019-09-25 A sparking new adventure from multiple Eisner Award nominee MARK RUSSELL The Flintstones and BOB Q The Green Hornet 66 Meets The Spirit 1883 The advent of barbed wire is creating havoc in the Texas panhandle A corrupted state senator conspires with dirty ranchers to make land unnavigable for open rangers and native tribes passing new laws allowing cattlemen to kill anyone caught cutting the wire Good people are getting hurt and The Lone Ranger must act But to truly stop this rampant villainy he ll need to go all the way to the top and rely on an old friend for help Wall-to-wall America Karal Ann Marling, 1982 From the back cover of the book quoted in part The America Karal Ann Marling the author refers to is small town America during the depression era in particular those communities that were portrayed in the 1000 odd murals that appeared in post offices around the country under the auspices of the Treasury Department Section of Fine Arts She goes far beyond an investigation of the murals as art and Wall to Wall America becomes an intelligent often irreverent discussion of popular taste and culture during the depression decade *Memoirs* Edward Teller, Judith Schoolery, 2009-09-09 Edward Teller is perhaps best known for his belief in freedom through strong defense But this extraordinary memoir at last reveals the man behind the headlines passionate and humorous devoted and loyal Never before has Teller told his story as fully as he does here We learn his true position on everything from the bombing of Japan to the pursuit of weapons research in the post war years In clear and compelling prose Teller chronicles the people and events that shaped him as a scientist beginning with his early love of music and math and continuing with his study of quantum physics

under Werner Heisenberg He also describes his relationships with some of the century's greatest minds Einstein Bohr Fermi Szilard von Neumann and offers an honest assessment of the development of the atomic and hydrogen bombs the founding of Lawrence Livermore Laboratory and his complicated relationship with J Robert Oppenheimer Rich and humanizing this candid memoir describes the events that led Edward Teller to be honored or abhorred and provides a fascinating perspective on the ability of a single individual to affect the course of history *Prequel* Rachel Maddow, 2025-05-06 1 NEW YORK TIMES BESTSELLER Rachel Maddow traces the fight to preserve American democracy back to World War II when a handful of committed public servants and brave private citizens thwarted far right plotters trying to steer our nation toward an alliance with the Nazis A ripping read well rendered fast paced and delivered with the same punch and assurance that she brings to a broadcast The parallels to the present day are strong even startling The New York Times Editors Choice Inspired by her research for the hit podcast *Ultra* Rachel Maddow charts the rise of a wild American strain of authoritarianism that has been alive on the far right edge of our politics for the better part of a century Before and even after our troops had begun fighting abroad in World War II a clandestine network flooded the country with disinformation aimed at sapping the strength of the U S war effort and persuading Americans that our natural alliance was with the Axis not against it It was a sophisticated and shockingly well funded campaign to undermine democratic institutions promote antisemitism and destroy citizens confidence in their elected leaders with the ultimate goal of overthrowing the U S government and installing authoritarian rule That effort worked tongue and groove alongside an ultra right paramilitary movement that stockpiled bombs and weapons and trained for mass murder and violent insurrection At the same time a handful of extraordinary activists and journalists were tracking the scheme exposing it even as it was unfolding In 1941 the U S Department of Justice finally made a frontal attack identifying the key plotters finding their backers and prosecuting dozens in federal court None of it went as planned While the scheme has been remembered in history if at all as the work of fringe players in reality it involved a large number of some of the country's most influential elected officials Their interference in law enforcement efforts against the plot is a dark story of the rule of law bending and then breaking under the weight of political intimidation That failure of the legal system had consequences The tentacles of that unslain beast have reached forward into our history for decades But the heroic efforts of the activists journalists prosecutors and regular citizens who sought to expose the insurrectionists also make for a deeply resonant deeply relevant tale in our own disquieting times **Character Behavior**
