

The Neon Buddha

Keith McKellar

The Neon Buddha:

The Neon Buddha Suzann Stahl,2002-11-01 Eugenie Bronstein a young American tourist is accidentally forced into posing as the monarch of a small East European country in order for her coronation to take place Queen Alexandra is mysteriously missing and it is too late to cancel the ceremony so Eugenie is pressed into service as her double When the coronation is over the Queen s aides and advisors believe that she has been kidnapped by her uncle Prince Nicholas who covets the throne for himself and desires Alexandra s abdication With Eugenie on the throne in Alexandra s place Prince Nicholas cannot release the Queen or demand ransom without exposing himself to prison or exile Eugenie must keep up the masquerade in the face of threats from Nicholas s faction and the danger of being unmasked by the Queen s former fianc Prince Rupert and his journalist friend Joan Wright To complicate her ability to play the role which she plays for Alexandra s sake Eugenie finds herself very much in love with the Queen s future Prince Consort Prince Freidrich The dilemma Eugenie faces is how to safely abandon the throne restore Alexandra to it and endure the pain of leaving Freidrich behind to marry the Queen as he is duty bound to do *Neon Eulogy* Keith McKellar,2001 In *Neon Eulogy* street artist Laughing Hand sketches a disappearing landscape of cafes theatres and streets documenting a neglected heritage of neon landmarks most now lost McKellar s detailed line drawings are accompanied by a wonderful anecdotal history of the rise and fall of each unique establishment *Hell's Flowers* David White,2006-08-25 Words have their own lives independent from their function as describers of real worlds They hold time and place but also can help us imagine new worlds They preserve our experience against the dismantling force of death This is why Im fascinated with words As well as a writer I am a painter and a poet I teach college art and film classes and work at a variety of tasks looking for satisfaction Chinatown and China City in Los Angeles Jenny Cho,Chinese Historical Society of Southern California,2011 By 1900 the Chinese population of Los Angeles City and County had grown to over 3 000 residents who were primarily situated around an enclave called Old Chinatown When Old Chinatown was razed to build Union Station Chinese business owners led by Peter SooHoo Sr purchased land a few blocks north of downtown to build New Chinatown Both New Chinatown and another enclave called China City opened in 1938 but China City ultimately closed down after a series of fires *Crimson Son 2: Motherland* Russ Linton,2017-06-27 All Spencer wanted was a normal life College a job maybe even a research fellowship which culminated in finding a way to free his mother from the psychic snow globe where he last saw her Okay so as the powerless son of the world s most powerful Augment maybe normal is too much to ask for Spencer s soon sucked back into his father s world of weaponized humans by his best friend Eric and the Crimson Mask himself The battle this time isn t with a psychotic robot builder but with an enemy whose vision of the future is as infectious as the computerized plague set to deliver it Hound Ember Polybius Aurora and Danger join the Crimson Mask alongside Spencer and Eric as they try to control the aftermath of Killcreek s destruction Augments long forgotten have emerged with their powers amplified And with them a reminder of Spencer s greatest loss

Lost Men Brian Leung, 2008-02-26 A novel of rare grace and power *Lost Men* is the story of a father and a son each confronting his past Westen Chan was just eight years old when his Caucasian mother died and his father Xin sent him away to be raised by her relatives Twenty years later after a lifetime of estrangement Westen receives an invitation from his father to travel with him to China a promise Xin once made when Westen was a child So it is that two strangers a father and a son travel halfway around the world to a land that one of them knows intimately and the other has never seen As they tour the country the two men reveal themselves slowly and awkwardly Westen's history of failed relationships and his conflicted cultural identity Xin's regret at leaving his son and the terrible secret he's kept too long And in the end their relationship may just hinge on the contents of a sealed letter written by Westen's mother before her death one that threatens to answer the lifelong question neither of them has dared to ask Powerful moving and beautiful *Lost Men* is a stunning literary novel that explores cultural and ethnic identity the meaning of family the exigencies of fate and the lengths to which we will go to reconnect with those we fear we have lost Brian Leung reveals both the intimate hearts of his characters and the telling details of place with equal and substantial grace

The Music Teacher Peter Anderson, 2006-12-17 A comic meditative literary novel about Aaron an Abba obsessed repressed Head of Music and his cantankerous and increasingly incontinent Father Estranged for decades when their respective wives take their leave of them they reunite for a quixotic road trip in search of Aaron's mythical ex lover

Something Greater Jeanne Choy Tate, 2013-05-21 Every day Americans rub shoulders with the cultures of the world on the sidewalks of their cities and increasingly in small towns and rural areas As civil discourse becomes increasingly divisive many long for our nation to better deal with its diversity Yet Americans also wonder how far the nation can stretch to embrace diversity and still maintain an identity Ethnic and faith communities Americans of many varieties share a fear of losing their traditions Will the next generation still honor the values of caring for others and contributing to community life

The Secretary Kim Ghattas, 2013-03-05 The first inside account to be published about Hillary Clinton's time as secretary of state anchored by Ghattas's own perspective and her quest to understand America's place in the world In November 2008 Hillary Clinton agreed to work for her former rival As President Barack Obama's secretary of state she set out to repair America's image around the world and her own For the following four years BBC foreign correspondent Kim Ghattas had unparalleled access to Clinton and her entourage and she weaves a fast paced gripping account of life on the road with Clinton in *The Secretary* With the perspective of one who is both an insider and an outsider Ghattas draws on extensive interviews with Clinton administration officials and players in Washington as well as overseas to paint an intimate and candid portrait of one of the most powerful global politicians Filled with fresh insights *The Secretary* provides a captivating analysis of Clinton's brand of diplomacy and the Obama administration's efforts to redefine American power in the twenty first century Populated with a cast of real life characters *The Secretary* tells the story of Clinton's transformation from popular but polarizing politician to America's envoy to the world in compelling detail and with

all the tension of high stakes diplomacy From her evolving relationship with President Obama to the drama of WikiLeaks and the turmoil of the Arab Spring we see Clinton cheerfully boarding her plane at 3 a m after no sleep reading the riot act to the Chinese and going through her diplomatic checklist before signing on to war in Libya all the while trying to restore American leadership in a rapidly changing world Viewed through Ghattas s vantage point as a half Dutch half Lebanese citizen who grew up in the crossfire of the Lebanese civil war The Secretary is also the author s own journey as she seeks to answer the questions that haunted her childhood How powerful is America really And if it is in decline who or what will replace it and what will it mean for America and the world *Beijing* Fabien Raes,2009-02-05 Photographs of the life and people of Beijing

The Enigmatic Realm of **The Neon Buddha**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **The Neon Buddha** a literary masterpiece penned with a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting affect on the hearts and minds of those that partake in its reading experience.
