Eunjoo Mary Kim

The Neon Preacher:

The Neon Preacher Robert Chambers, 1977 *The Preacher King* Richard Lischer, 2020 The Preacher King investigates Martin Luther King Jr's religious development from a precocious preacher's kid in segregated Atlanta to the most influential America preacher and orator of the twentieth century To give the most accurate and intimate portrait possible Richard Lischer draws almost exclusively on King's unpublished sermons and speeches as well as tape recordings personal interviews and even police surveillance reports By returning to the raw sources Lischer recaptures King's truest preaching voice and consequently something of the real King himself He shows how as the son grandson and great grandson of preachers King early on absorbed the poetic cadences traditions and power of the pulpit more profoundly influenced by his fellow African American preachers than by Gandhi and the classical philosophers Lischer also reveals a later phase of King's development that few of his biographers or critics have addressed the prophetic rage with which he condemned American religious and political hypocrisy During the last three years of his life Lischer shows King accused his country of genocide warned of long hot summers in the ghettos and called for a radical redistribution of wealth 25 years after its initial publication *The Preacher King* remains a critical study that captures the crucial aspect of Martin Luther King Jr's identity Human complex and passionate King was the consummate American preacher who never quit trying to reshape the moral and political character of the nation

The Preacher's First Murder K.P. Gresham, 2021-08-10 He was a good cop until he ran into a bad one Then to save what was left of his family and his sanity Michael Hogan Jr entered the Fed's Witness Protection Program and became Pastor Matthew Hayden Small town Wilks Texas should be the perfect place for him to hide But his new home is no paradise It may not even be safe When the remains of a local woman missing for years are discovered Matt wants only to comfort his grieving congregation Then a parishioner with the same build and coloring as Matt is shot right in the church Worried that his own cover has been blown Matt must find the killers before they find him He might be a man of God now but Matt is still a man And someone wants this man dead

Why Africa? A. Weaver,2006-07 Nicole is a highly successful African American pediatrician who has it all a high paying dream job and a dream home in a ritzy Atlanta gated community But unfortunately she also has been living in a dream world when it comes to her husband of six years Maxwell Ferris That is until she has her rude awakening and stumbles upon his double life style on the down low and her world falls apart piece by precious piece Struck to the core she comes face to face with her inner demons After Max leaves Nicole for his male lover she is left with incredible self doubt not knowing how to pick up the pieces and move forward But with incredible courage she does move forward Traveling to Africa Nicole discovers new meaning to life and spiritual fulfillment in the place least likely the heart and soul of an AIDS orphan This poetic and poignantly passionate story unfolds bringing a myriad of dark secrets to light with tear jerking laughter out loud heartfelt emotion As Nicole sojourns through personal tragedy her footsteps to Glory are triumphant Why me Why Africa is an exceptional first of its kind This is a soul stirring story that needed to be told **Preaching Jesus** Eunjoo Mary Kim,2024-05-29 How can postcolonial approaches make a difference in preaching Jesus The many postcolonial approaches used in this book will help preachers reinterpret the stories metaphors and characters in the Bible and create new images of Jesus rooted in his historical identity as a colonized person Preaching Jesus with new images that are totally different from the traditional colonial ones not only challenges listeners to reconsider their individual and communal identities as followers of Jesus but also provides them with theological and ethical guidance for living out those identities in daily life Ultimately preaching Jesus through postcolonial approaches is a prophetic ministry that awakens listeners and their communities to seek reconciliation between colonized and colonizers and suggests a common ground of faith and hope for the life enhancing future of all people living in the twenty first century The five chapters of this book employ diverse postcolonial hermeneutical and homiletical methods across a broad disciplinary spectrum This range includes intersectional and interdisciplinary studies with historical literary and cultural approaches in dialogue with phenomenological philosophy a postcolonial practical theological method postcolonial feminist interpretation postcolonial biblical hermeneutics and postcolonial intertextuality All these approaches invite the colonized and their descendants to be conversation partners and reflect their lived experiences in the reimagining the identity of Jesus Moreover the theological and homiletical insights gained through such postcolonial approaches will help preachers invite their listeners into a partnership with the triune God in order to participate in God s reconciling work The postcolonial approaches used in this book contest the dominance of traditional assumptions and practices of preaching Jesus and propose a new homiletical paradigm that makes it possible for Christian preaching to

contribute to the transformation of our present world into a life lived together in justice and peace with the new images of
Jesus as postcolonial self postcolonial song postcolonial child postcolonial body and postcolonial friend *A Dictionary of
Christian Antiquities* William Smith, Samuel Cheetham, 1880
