The New Testament Devotional Commentary, Volume 1 Bo Giertz,Bror Erickson,2021-11-16 Bo Giertz was a serious biblical scholar who avoided the ivory tower He studied classics in undergrad before taking up theology in preparation for the ministry In 1930 he spent time on an archeological dig in Palestine and travelled the country with his exegetical professor Anton Fridrichsen who insisted on Biblical Realism which avoided fundamentalism and yet refused to succumb to higher criticism In these commentaries Bo Giertz takes what he learned from a lifetime of such study and application in in sermons and visits with people to open Scripture to anyone who wants to grow in their faith He never avoids the hard questions concerning the texts and yet tackles them in such a way as to restore confidence in God s word Here he is concerned with what the text meant to those who first wrote it and heard it so he can deliver the same goods to us today
