

**10. Solomon di Medina:** Son of Moses (No. 5); lived at Salonica. He was personally acquainted with David Conforte, who obtained from him some biographical data concerning his grandfather Samuel, and who speaks of him with respect. He was, however, dead when Conforte wrote his "Kore ha-Dorot" (1674-83; see Cassel's introduction, p. iv.), as the latter adds to Solomon's name the eulogy י"ד. **BIBLIOGRAPHY:** Conforte, *Kore ha-Dorot*, p. 38a; Steinschneider, *Cat. Bodl.* col. 3004.

The following Medinas seem to belong to a different family:

**Benjamin di Medina:** Talmudist; died at Monastir, Turkey, about 1650. He was a pupil of Daniel Estrosa (see Michael, "Or ha-Hayyim," No. 789), and schoolmate of David Conforte (see the latter's "Kore ha-Dorot," p. 52b).

**David di Medina:** Rabbi in Cairo about 1650. He wrote an approbation to Mordecai Levi's "Darke No'am," published at Venice in 1697 (see Conforte, *l.c.* p. 52a; Michael, *l.c.* No. 749; Steinschneider, "Cat. Bodl." col. 2451, s.e. "Samuel Medina").

**Samuel b. Isaac di Medina,** a scribe (1491), is mentioned in Neubauer, *Cat. Bodl. Hebr. MSS.* No. 30, 2542.

H. M.

**MEDINA, SIR SOLOMON DE:** English army contractor about 1711. He was a wealthy Jew who went to England with William III., and who attained some notoriety by his extensive dealings with the English government of his day. "The Jew Medina," as he was popularly called, held a position of prominence in connection with the English forces. During the War of the Spanish Succession (1702-14) he accompanied the Duke of Marlborough on his campaigns, advanced him funds, and furnished provisions for the troops. He also established a system of expresses which outstripped those of the government, so that his agents were in possession of important news before it reached the ministers of the crown. His negotiations were made evident in an attack on the Duke of Marlborough in Parliament in 1711 for receiving from the Jew a yearly payment of £6,000. Marlborough replied that the money had been expended in obtaining trustworthy information. It was said of Medina that every British victory contributed as much to his wealth as to the glory of England. For his services he was knighted, being the first Jew in England to receive that honor. Sir Solomon de Medina was at one time the largest contributor to the Bevis Marks Synagogue, and he remained faithful to his coreligionists to the last. His descendants, however, eventually abandoned Judaism.

**MEDINI, HAYYIM HEZEKIAH** (known also under his initials ד"ה): Palestinian rabbinical writer; born at Jerusalem 1833; son of Rabbi Raphael Eliahu Medini. At the age of nineteen, on completing his studies in his native city, he received the rabbinical diploma. He then went to Constantinople, where for thirteen years he was a member of a rabbinical court. In 1866 he was called as chief rabbi to Kara-Su-Bazar in the Crimea. In 1889

©JewishEncyclopedia.com

Medini returned to Palestine, staying first at Jerusalem, and going in 1891 to Hebron, where he has since been acting chief rabbi.

Medini's works include: "Miktab le-Hizkiyahu" (Smyrna, 1865), Talmudic studies and responsa; "Or Li" (ib. 1874), responsa; "Pakku'ot Sadeh" (Jerusalem, 1900); "Sede Hemed," his chief work, an encyclopedic collection of laws and decisions in alphabetical order, twelve volumes of which have appeared since 1890 (Warsaw).

**BIBLIOGRAPHY:** Nahum Sokolov, in *Sefer ha-Shanah*, Warsaw, 1900.

M. FR.

**MEGED YERAHIM.** See PERIODICALS.

**MEGIDDO** (מִגְדוֹ; once Megiddon [מִגְדוֹן, Zech. xii. 11]): Capital of one of the Canaanitish kings conquered by Joshua; assigned to Manasseh (Josh. xii. 21, xvii. 11; I Chron. vii. 29). Its Canaanitish inhabitants were only put to tribute, not driven out (Josh. xvii. 12-13; Judges i. 27-28). Megiddo is repeatedly referred to in Biblical history. It is mentioned in connection with Baana, one of Solomon's commissariat officers, who had to provision the king's household for one month in the year. Its fortifications, which were of ancient date (being mentioned in the inscription of Thothmes III.), were restored by Solomon (I Kings iv. 12, ix. 15). Ahaziah is said (II Kings ix. 27) to have died at Megiddo after he had escaped from Jehu; but in II Chron. xxii. 9 it is said that Ahaziah was found in Samaria, taken to Jehu, and slain. The most memorable occurrence connected with the city was the battle there or in the valley of Megiddo, between Pharaoh-nechoh and Josiah, in which the latter was slain (II Kings xxiii. 29-30; II Chron. xxxv. 22); "the mourning of Hadadrimmon in the valley of Megiddon" may have been on account of this battle (Zech. xii. 11; see HADAD). The same battle is mentioned by Herodotus (ii. 159), but under the name "Magdolum" instead of "Megiddo." The city is frequently mentioned in connection with Taanach (Josh. xii. 21, xvii. 11; Judges v. 19; I Kings iv. 12; I Chron. vii. 29), near the plain of Esdraelon; the expression in Deborah's song is "in Taanach on the waters of Megiddo."

Megiddo is mentioned on the El-Amarna tablets. Robinson ("Researches," iii. 177-300) identified the site of Megiddo with the modern Al-Lajjun, on the western border of the plain of Esdraelon. Other scholars have identified it with Al-Mujaidil, near Nazareth; with Majdal, near Acre; with Jida; and with Mujaddah, three miles south of Beth-shean.

J.

M. SEL.

**MEGILLAH:** Name of a treatise in the Mishnah and in the Tosefta, as well as in the Babylonian and Jerusalem Talmuds. It is the tenth treatise in the mishnaic order Mo'ed, and includes four chapters, containing thirty-three paragraphs in all. Ch. i. 1-4 treats of the portion of the month Adar in which the Megillah is to be read, and, in case of a leap-year containing two months of Adar, it designates which month is to be chosen. The 15th of Adar, or in a leap-year the same day of the second Adar, is the day appointed for walled cities, and the 14th of Adar for unwalled cities and for villages. The inhabitants of the latter, however, when living

Parliament,1740      **The Life and Reign of ... Queen Anne ... To which is Annexed Some Political Remarks on Bishop Burnet's History of the Reign of Queen Anne** ,1738      Corruption, Party, and Government in Britain, 1702-1713 Aaron Graham,2015      Corruption Party and Government in Britain 1702 1713 offers an innovative and original reinterpretation of state formation in eighteenth century Britain reconceptualising it as a political and fundamentally partisan process Focussing on the supply

of funds to the army during the War of the Spanish Succession 1702-13 it demonstrates that public officials faced multiple incompatible demands but that political partisanship helped to prioritise them and to hammer out settlements that embodied a version of the national interest. These decisions were then transmitted to agents in overseas through a mixture of personal incentives and partisan loyalties which built trust and turned these informal networks into instruments of public policy. However the process of building trust and supplying funds laid officials and agents open to accusations of embezzlement, fraud and financial misappropriation. In particular although successive financial officials ran entrepreneurial private financial ventures that enabled the army overseas to avoid dangerous financial shortfalls they found it necessary to cover the costs and risks by receiving illegal gratifications from the regiments. Reconstructing these transactions in detail, Corruption, Party and Government in Britain 1702-1713 demonstrates that these corrupt payments advanced the public service and thus that corruption was as much a dispute over ends as means. Ultimately this volume demonstrates that state formation in eighteenth century Britain was a contested process of interest aggregation in which common partisan aims helped to negotiate compromises between various irreconcilable public priorities and private interests within the frameworks provided by formal institutions and then collaboratively imposed through overlapping and intersecting networks of formal and informal agents.

## **Sir Solomon De Medina Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Sir Solomon De Medina has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sir Solomon De Medina has opened up a world of possibilities. Downloading Sir Solomon De Medina provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sir Solomon De Medina has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sir Solomon De Medina. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sir Solomon De Medina. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sir Solomon De Medina, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sir Solomon De Medina has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## FAQs About Sir Solomon De Medina Books

1. Where can I buy Sir Solomon De Medina books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Sir Solomon De Medina book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Sir Solomon De Medina books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Sir Solomon De Medina audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Sir Solomon De Medina books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
