Sir Thomas Lawrence A Complete Catalogue Of The Oil Paintings:

Sir Thomas Lawrence Sir Thomas Lawrence, Kenneth Garlick, 1989 This is a complete fully illustrated catalogue of the oil paintings of Sir Thomas Lawrence who succeeded Reynolds as painter to the King in 1792 and as elected President of the Royal Academy in 1820 The introduction gives summary of Lawrence's life and the catalogue details over 1000 paintings The book should be a valuable reference source for private owners scholars gallery staff and the art market Dr Kenneth Garlick was until his retirement in 1984 Keeper of Western Art at the Ashmolean Museum Oxford

Sir Thomas Lawrence Kenneth Garlick, 1989 **A Catalogue Raisonné of the Oil Paintings of Sir Thomas Lawrence**, 1959 **A Catalogue Raisonné of the Oil Paintings of Sir Thomas Lawrence**, 1959 **British Paintings in the Metropolitan Museum of Art, 1575-1875** Metropolitan Museum of Art (New York, N.Y.), Katharine Baetjer, 2009 Covering the period between the late 16th century through to the third quarter of the 19th century this book features paintings by English Scottish Welsh and Irish artists which are part of the collection of the Metropolitan Museum of Art

HGAF Fine Art Dallas Auction Catalog #5004 Courtney Kennedy, 2008-03 *Art Books* Wolfgang M. Freitag, 2013-10-28 First published in 1997 For this second edition of *Art Books A Basic Bibliography of Monographs on Artists* the vast number of new books published since 1985 was surveyed and evaluated This has resulted in the selection of 3 395 additional titles These selections reflective of the increase in the monographic literature on artists during the last ten years are evidence of the activities of a larger number of art historians in more countries worldwide of the increasingly diverse and ambitious exhibition programs of museums whose number has also increased dramatically and also of a lively international art market and the attendant gallery activities The selections of the first edition have been reviewed errors have been corrected and important new editions and reprints have been noted The second edition contains 278 names of artists not represented in the first edition

European Painting and Sculpture, Ca. 1770-1937, in the Museum of Art, Rhode Island School of Design Rhode Island School of Design. Museum of Art, 1991 This documents the distinguished collection of European art from the late eighteenth through the early twentieth centuries that forms a significant part of the collections belonging to the Museum of Art Rhode Island School of Design This book includes stunning canvases by Gericault Delacroix Degas Manet Monet Cezanne Renoir Picasso and Matisse What makes the collection so noteworthy are the extraordinary works by unknown artists and the unknown works by known artists

Women and Portraits in Early Modern Europe Andrea Pearson, 2016-12-05 As one of the first books to treat portraits of early modern women as a discrete subject this volume considers the possibilities and limits of agency and identity for women in history and with particular attention to gender as categories of analysis for women's images Its nine original essays on Italy the Low Countries Germany France and England deepen the usefulness of these analytical tools for portraiture Among the book's broad contributions it dispels false assumptions about agency's possibilities and limits showing how agency can be located outside of conventional understanding and conversely how it can be stretched too far It

demonstrates that agency is compatible with relational gender analysis especially when alternative agencies such as spectatorship are taken into account It also makes evident the importance of aesthetics for the study of identity and agency The individual essays reveal among other things how portraits broadened the traditional parameters of portraiture explored transvestism and same sex eroticism appropriated aspects of male portraiture to claim those values for their sitters and as sites for gender negotiation resistance and debate invoked considerable relational anxiety Richly layered in method the book offers an array of provocative insights into its subject

Shakespearean Objects in the Royal Collection, 1714-1939

Kirsten Tambling,2025-09-22 The British royal collection includes nearly 2 000 objects with a connection to Shakespeare What stories do these objects tell of the relationship between the man often described as Britain s national poet and Britain s royal family Royal collecting of Shakespeare did not really begin until 1714 and has therefore broadly tracked the development and entrenchment of the Hanoverian and latterly the Saxe Coburg Gotha royal family Not entirely coincidentally this period also saw a general increase in public interest in objects associated with Shakespeare s life and biography often to the detriment of Shakespeare s works a development partially spearheaded by the Shakespeare Jubilee masterminded by the actor David Garrick at Stratford upon Avon in 1769 The histories of specific works of art in the royal collection from Thomas Gainsborough s painting of Mary Robinson to a collection of relic objects relating to Herne s Oak and Shakespeare s mulberry tree reveal how royal engagement with Shakespearean objects between 1714 and 1939 contributed to the development of a new constitutional settlement between the monarchy and its subjects under George IV Queen Victoria and George V and Queen Mary During this period objects relating to Shakespeare increasingly regarded by the royal family as nostalgic souvenirs from a fantastical national past were useful tools in shoring up these ideas and in yoking the fortunes of the British monarchy to a new vision of shared national history

Punch and Shakespeare in the Victorian Era

Alan R. Young,2007 The English humour magazine Punch or the London Charivari which first appeared in 1841 quickly became something of a national institution with a large and multi layered readership Though comic in tone Punch was deeply serious about upholding high literary and artistic standards about dealing with serious subject matter and about attempting to nurture its readers appreciation of the national drama and of Shakespeare s plays in particular The author s detailed examination of Punch s constant advocacy of Shakespeare reveals telling new evidence concerning the ubiquitous presence of Shakespeare within Victorian culture New research in the Punch archives and elsewhere also reveals the identities of many of the Punch authors and artists The author shows how those who worked for Punch often subsumed their collective identities within the single persona of Mr Punch a fictional creation who repeatedly presents himself in both texts and graphics as a close friend and admirer of Shakespeare a man able to remind Victorian readers constantly of the supreme literary and moral values represented by Shakespeare s works

The Georgian London Town House

Kate Retford,Susanna Avery-Quash,2019-03-07 For every great country house of the Georgian period there was usually also a town house

Chatsworth for example the home of the Devonshires has officially been recognised as one of the country's favourite national treasures but most of its visitors know little of Devonshire House which the family once owned in the capital In part this is because town houses were often leased rather than being passed down through generations as country estates were But most crucially many London town houses including Devonshire House no longer exist having been demolished in the early twentieth century This book seeks to place centre stage the hugely important yet hitherto overlooked town houses of the eighteenth and early nineteenth centuries exploring the prime position they once occupied in the lives of families and the nation as a whole It explores the owners how they furnished and used these properties and how their houses were judged by the various types of visitor who gained access

Frankenstein Harold Bloom, 2009 Presents a collection of writings exploring the characters from Mary Shelley's *Frankenstein*

The Concept and Practice of Conversation in the Long Eighteenth Century, 1688-1848 Katie Halsey, Jane Slinn, 2009-05-05 This collection of essays brings together eighteenth century scholars from a variety of disciplines to discuss conversation in the eighteenth century as concept and practice At the heart of the volume is a simple question are eighteenth century conceptualisations of the role and purpose of conversation still relevant or useful to scholars and thinkers today This volume contains essays by leading scholars of the period as well as early career researchers and answers a need for a broad ranging discussion of the concept of conversation in the arts social sciences and humanities The long eighteenth century is a particularly fruitful starting point for work on this topic since ideas about conversation permeated all types of writing in this period from the early forerunners of scientific textbooks to philosophical dialogues The collection covers an exceptionally wide range of long eighteenth century authors artists lawmakers texts and works of art and although the focus of the volume is largely on eighteenth century Britain the volume takes note of the rich relationships between continental European thought and British intellectual life in the period and of the influence of British ideas in the newly independent American republic

Unfinished Kelly Baum, Andrea Bayer, Sheena Wagstaff, 2016-03-01 This groundbreaking book explores the evolving concept of unfinishedness as essential to understanding art movements from the Renaissance to the present day *Unfinished* features more than 200 works created in a variety of media by artists ranging from Leonardo Titian Rembrandt Turner and C zanne to Picasso Warhol Twombly Freud Richter and Nauman What unites these works across centuries and media is that each one displays some aspect of being unfinished Essays and case studies by major contemporary scholars address this key concept from the perspective of both the creator and the viewer probing the impact that this long artistic trajectory which can be traced back to the first century has had on modern and contemporary art The book investigates the degrees to which instances of incompleteness were accidental or intentional experimental or conceptual Also included are illuminating interviews with contemporary artists including Tuymans Celmins and Marden and parallel considerations of the unfinished in literature and film The result is a multidisciplinary approach and thought provoking analysis that provide valuable insight into the making meaning and critical

reception of the unfinished in art *Catalogue of Paintings in the Wellington Museum, Apsley House* Wellington Museum, Claus Michael Kauffmann, Susan Jenkins, Marjorie E.
