## **Sir Walter Raleigh By Lacey Robert:**

*Sir Walter Raleigh* Robert Lacey, 2001-01 Colorful and exciting Sir Walter Raleigh became a favorite of Queen Elizabeth I. This world famous explorer conceived and organized the colonizing expeditions to America introduced potatoes and tobacco to England and ended up in the Tower following his secret wedding to Bess Throckmorton where he was executed. Along with his more well known exploits this insightful study the first based on an accurate chronology of Raleigh's own writings offers startling disclosures about his other love affairs an illegitimate child and a failed suicide attempt. Walter Raleigh's History of the World and the Historical Culture of the Late Renaissance Nicholas Popper, 2022-12-22 Imprisoned in the Tower of London after the death of Queen Elizabeth I in 1603 Sir Walter Raleigh spent seven years producing his massive *History of the World*. Created with the aid of a library of more than five hundred books that he was allowed to keep in his quarters this incredible work of English vernacular would become a best seller with nearly twenty editions abridgments and continuations issued in the years that followed. Nicholas Popper uses Raleigh's *History* as a touchstone in this lively exploration of the culture of history writing and historical thinking in the late Renaissance. From Popper we learn why early modern Europeans ascribed heightened value to the study of the past and how scholars and statesmen began to see historical expertise as not just a foundation for political practice and theory but as a means of advancing their power in the courts and councils of contemporary Europe. The rise of historical scholarship during this period encouraged the circulation of its methods to other disciplines transforming Europe's intellectual and political regimes. More than a mere study of Raleigh's *History of the World* Popper's book reveals how the methods that historians devised to illuminate the past structured the dynamics of early modernity in Europe and England. *The Two Walter Raleighs* Fred B. Tromly, 2018-12-10 Sir Walter Raleigh's biographers have given little attention to his tragic relationship with his son Wat. Walter and Wat began in proud identification each seeing himself in the other. But after the father's political downfall and imprisonment for treason he lost his authority in the family and the son began to reject paternal advice and his studies and to engage in violent quarrels and duels. Often the father used his influence to rescue his son from his rash acts. Things came to a head after Wat was sued by a young woman for violent assault and imprisoned. The aged Raleigh had been freed from the Tower to lead an expedition to Guiana and as recently discovered documents reveal he delivered his son from the law by commissioning him as a captain on his flagship ominously named the *Destiny*. In a shared tragedy Wat was killed in a skirmish and the grieving Raleigh returned to England broken in spirit and ready for the execution that awaited him. **The Founding of English America** John May, 2024-05-24 In 1577 John Dee a scientist who served as an advisor to Queen Elizabeth I proposed to her the creation of colonies in the New World. Neither Elizabeth nor Walter Raleigh imagined the task would be so difficult or take more than 30 years. The effort started with an exploration of the coast of today's North Carolina and the settlement of a colony on Roanoke Island in 1585. This ended tragically and became known as The Lost Colony its fate a mystery to this day. James I resumed the effort with the

founding of Jamestown in 1607 on an island in the James River in today's Virginia. This book relates the histories of the Roanoke and Jamestown colonies to enable a full understanding of the founding of English America. Important events in America's beginnings including the wreck of the Sea Venture which inspired William Shakespeare's *The Tempest*, the Algonquin chief Powhatan's plans to make the newcomers useful to him and the relationship between Pocahontas and English Captain John Smith are highlighted.

Historical Dictionary of the Elizabethan World John Wagner, 2013-04-03 No period of British history generates such deep interest as the reign of Elizabeth I from 1558 to 1603. The individuals and events of that era continue to be popular topics for contemporary literature and film and Elizabethan drama, poetry and music are studied and enjoyed everywhere by students, scholars and the general public. The *Historical Dictionary of the Elizabethan World* provides clear definitions and descriptions of people, events, institutions, ideas and terminology relating in some significant way to the Elizabethan period. The first dictionary of history to focus exclusively on the reign of Elizabeth I, the Dictionary is also the first to take a broad trans-Atlantic approach to the period by including relevant individuals and terms from Irish, Scottish, Welsh, American and Western European history. **The Cultural Uses of the Caesars on the English Renaissance Stage** Lisa Hopkins, 2016-03-16 Caesarian power was a crucial context in the Renaissance as rulers in Europe, Russia and Turkey all sought to appropriate Caesarian imagery and authority but it has been surprisingly little explored in scholarship. In this study Lisa Hopkins explores the way in which the stories of the Caesars and of the Julio-Claudians in particular can be used to figure the stories of English rulers on the Renaissance stage. Analyzing plays by Shakespeare and a number of other playwrights of the period, she demonstrates how early modern English dramatists using Roman modes of literary representation as cover commented on the issues of the day and critiqued contemporary monarchs.

Shakespeare's Lost Kingdom Charles Beaulieu, 2011-02-08 A book for anyone who loves Shakespeare. One of the most scandalous and potentially revolutionary theories about the authorship of these immortal works. Mark Rylance, First Artistic Director of Shakespeare's Globe Theatre. It is perhaps the greatest story never told: the truth behind the most enduring works of literature in the English language, perhaps in any language. Who was William Shakespeare? Critically acclaimed historian Charles Beaulieu has spent more than two decades researching the authorship question and if the plays were discovered today, he argues, we would see them for what they are: shocking political works written by a court insider, someone with the monarch's indulgence, shielded from repression in an unstable time of armada and reformation. But the author's identity was quickly swept under the rug after his death. The official history of an uneducated merchant writing in near obscurity and of a virginal queen married to her country dominated for centuries. Shakespeare's *Lost Kingdom* delves deep into the conflicts and personalities of Elizabethan England as well as the plays themselves to tell the true story of the Soul of the Age. Beaulieu's learned, deep scholarship, compelling research, engaging style and convincing interpretation won me completely. He has made me view the whole Elizabethan world afresh. The plays glow with new life, exciting and real.

infused with the soul of a man too long denied his inheritance Sir Derek Jacobi **Shakespeare and the Authorship of the Sonnets** Dennis Hirsch, 2024-02-28 The persona of Edward de Vere represents a contrast to the canonical Stratfordian image of Shakespeare His adulterous affair with a teenage girl half his age his complicity in acts of treason against Queen Elizabeth and the bankruptcy of his earldom due to his lavish spending all combine to paint a picture of a man contrary to the Stratfordian ideal However it is this unattractive portrayal of him that supports the argument that de Vere wrote the sonnets since the sonnets themselves offer up underlying messages of ridicule deception avarice and sexual obsession that doggedly champion the author's own best interests above others This work presents an Oxfordian reading of the sonnets and the problematic life of Edward de Vere the 17th Earl of Oxford **The Facts on File Companion to British Poetry Before 1600** Michelle M.
