Sir Wilfred Laurier And The Romance Of Canada:

Sir Wilfrid Laurier and the Romance of Canada Laurier L. LaPierre,1996 One of Canada's best loved and most read historians Laurier LaPierre provides an intimate portrait of Sir Wilfrid from his school days at the College classique and McGill University law school his marriage to his beloved Zoe and his friendship with the beguiling Emile **The Power of the Pen** Richard Clippingdale,2012-08-18 Arguably Sir John Willison had more influence on the evolution of Canada's emerging nationalism and public policy shifts than any other journalist had in his time or since Sir John Willison 1856 1927 was the most influential Canadian journalist in the late 19th and early 20th centuries while the country achieved economic growth intellectual maturation and world status With his incisive pen and clear reasoning Willison utilized Toronto's Globe and News his Times of London contributions his many books and speeches and his unparalleled connections with key political leaders to establish himself as a major national figure Uniquely Willison was at the heart of both the Liberal and Conservative Parties as a devoted supporter and good friend of Sir Wilfrid Laurier a first employer early booster and continual admirer of William Lyon Mackenzie King and a close ally of Sir Robert Borden Willison was a major player in the epochal federal political shifts of 1896 1911 and 1917 and articulated highly influential views on the nature and evolution of Canadian nationalism and public policy **For King and Kanata** Timothy Charles Winegard,2012 In his groundbreaking book For King and Kanata Timothy C Winegard reveals how national and international forces directly influenced the more than 4 000 status Indians who voluntarily served in the Canadian Expeditionary Force between 1914 and 1919 **Revelations** Robert B. Klymasz,John Willis,2001-01-01 In recognition of the year 2000 and its significance for the Christian world religion provides the common thread that binds together the book's variety of subject matter concerns and methodologies This compilation of eleven papers focuses on politics museums religion and war reports and surveys as well as research based on the collections Published in English **The Unfinished Canadian** Andrew Cohen,2008-11-19 The award winning bestselling author of *While Canada Slept* gives his view of a country wasted on Canadians What is national character What makes the Americans the British the French the Russians and the Chinese who they are In this homogenized world where globalization is a byword for a deadening sameness why do peoples who live in the same region use the same money read the same books and watch the same movies remain different from one another As much as Canada may be seen as a copy clone or colony of America we are unquestionably distinctive It is a result of our geography history and politics It comes from our demography and prosperity Most of all it comes from our character In *The Unfinished Canadian* Andrew Cohen delves into our past and present in search of our defining national characteristics He questions hoary shibboleths soothing mythologies and old saws with irreverence humour and flintiness unencumbered by our proverbial politeness itself a great misperception and our suffocating political correctness We are so much in so many shades and it's time we took an honest look at ourselves In this provocative passionate and elegant book Cohen argues that our mythology our jealousy our complacency our apathy

our amnesia and our moderation are all part of the unbearable lightness of being Canadian *Painful Choices* David A. Welch, 2011-06-27 Under what conditions should we expect states to do things radically differently all of a sudden In this book David Welch seeks to answer this question constructing a theory of foreign policy change inspired by organization theory cognitive and motivational psychology and prospect theory He then test drives the theory in a series of comparative case studies in the security and trade domains Argentina s decision to go to war over the Falklands Malvinas vs Japan s endless patience with diplomacy in its conflict with Russia over the Northern Territories America s decision to commit large scale military force to Vietnam vs its ultimate decision to withdraw and Canada s two abortive flirtations with free trade with the United States in 1911 and 1948 vs its embrace of free trade in the late 1980s *Painful Choices* has three main objectives to determine whether the general theory project in the field of international relations can be redeemed given disappointment with previous attempts to reflect on what this reveals about the possibilities and limits of general theory and to inform policy Welch argues that earlier efforts at general theory erred by aiming to explain state behavior which is an intractable problem Instead since inertia is the default expectation in international politics all we need do is to explain changes in behavior *Painful Choices* shows that this is a tractable problem with clear implications for intelligence analysts and negotiators *Sir Wilfrid Laurier* Peter McArthur, 2020-08-06 Reproduction of the original *Sir Wilfrid Laurier* by Peter McArthur *Rise to Greatness, Volume 2: Dominion (1867-1949)* Conrad Black, 2017-04-04 Sweeping ambitious and revelatory this is the second volume in a major history of our country by one of our most respected thinkers and historians a book every Canadian should own From the acclaimed biographer and historian Conrad Black comes the definitive history of Canada a masterful groundbreaking account of the people and events that shaped a nation The second of three volumes spanning from the year 1867 1949 this compelling history challenges our perception of our history and Canada s role in the world taking on sweeping themes and vividly recounting the story of Canada s development from colony to dominion to country Black persuasively reveals that while many would argue that Canada was perhaps never predestined for greatness the opposite is in fact true the emergence of a magnificent country against all odds was a remarkable achievement Brilliantly conceived this major new reexamination of our country s history is a riveting tour de force by one of the best writers writing today

Canada W. Lefroy, 1908 **Index to the Periodicals of ...**, 1903 *Index to the Periodicals*, 1903 *Index to the Periodicals of 1890-1902* The Review of reviews, 1903 **The Order of Canada** Christopher P.
