Essays Jascha Kessler, 2018-04-21 An essay is an exercise in communicating the essence of argumentation at best a presentation of whatever seems worth consideration either today or might be tomorrow Occasions set down in words are arbitrary precarious at best haphazard They are brought forward by impulses from the world outside and beyond the personal caught in flight by the circumstances and vicissitudes of a life Between the person described in the first of these varied prosings and the last offered between the what I thought I was and the who I may have been seventy five years have passed Whether deserving of another person's attention is not a judgment for this writer to make Michel de Montaigne offers no better justification or excuse than to say he was concerned to study himself His genius was not only fine but bold What he wrote of himself in his world and what he took from great ancient writers is superlative in its objective modest egoism and wisdom As a casual essayist I expect not the least comparison with that admirable and freest of men All I can hope for is that whatever my reader may find worth the time passed with this volume offers as much diversion and entertainment as perhaps did my verse fiction and drama published during those same past years

The Calling Hussein Ahdieh, Hillary Chapman, 2017-07-25 In the 19th century countless individuals believed a new Revelation was imminent In Persia the B b fulfilled the prediction by several clerics of the appearance of the Promised Qa'im Tahirih of Qazvin a gifted teacher was at the vanguard of spreading the B b's teachings She unceasingly proclaimed the B b Faith and brought a deeper understanding of its teachings to the rapidly growing numbers of its converts Her vibrant poetry gave voice to her spiritual longing and passion and its freshness reflected the vitality of the new spiritual teachings She emerged as the most outspoken of the Ba'atists' leaders The authorities responded by having her murdered in the dead of night The memory of her life survives in her poems At the same time many Americans believed the Second Coming of Christ was imminent Several churches and movements emerged some founded by women Among them were Ellen G White a theological thinker who shaped the beliefs of the Adventist movement Sojourner Truth who came up from slavery to electrify audiences with her salvation preaching and Mary Baker Eddy founder of the Church of Christ Science these women leaders were prefigured in the 18th century by Mother Ann Lee founder of the Shakers and the long forgotten female exhorters The Calling by Hussein Ahdieh and Hillary Chapman describes Tahirih in a fresh new manner juxtaposing and interweaving her life and work with that of her American contemporaries women whose existence she was probably not aware of but who
