Sister Images Guided Meditations From The Stories Of Biblical Women:

Sister Images Mary Zimmer, 1993 This collection fosters spiritual growth by enabling the reader to interact and respond to the images symbols and concepts of biblical stories and to perceive biblical women as spiritual mentors **Women Who Knew Jesus** Rev. Dr. Bonnie Ring, 2017-08-31 As you come to know each of the women that Jesus knew you may be surprised to discover how quickly your own stories are evoked by hearing theirs and how similar you are to some of them so they become role models for your own journey of faith and witness In each of these encounters you will meet Jesus and come to know him as they did perhaps for the first time To enrich your experience there are questions to ponder and memories of your own to recover These Bible stories help us see parts of ourselves both the parts we like and the parts we would prefer to deny hide or eliminate As you proceed two attitudes will be helpful a willingness to let these biblical women speak with their own voices and an openness to hearing what you may not have heard before These stories can help us uncover the richness of our own stories and see them for the sacred wonder that they are First century mores barred women from interacting with men outside their family or marriage yet Jesus appears to have been unafraid to approach women to listen to them heal them and affirm God's love and acceptance of them Often without a name these women had convictions about Jesus and a sense of security with him that surpassed that of his male disciples Their stories show us that social equality existed among Jesus male and female followers Each woman who met him went away from him changed The existence of so many Biblical stories about women is a sign that the history of God's salvation cannot be told without women's active participation and the life of Jesus cannot be told accurately without the women who encountered him **Resources for Preaching and Worship-Year A** Hannah Ward, Jennifer Wild, 2004-01-01 This is the third volume published in a three volume set of lectionary resources providing preachers and worship leaders of all denominations a host of written material for worship and reflection Designed to complement the three volumes in WJK's acclaimed *Texts for Preaching* this book weaves together a rich tapestry of quotations meditations poems and prayers With material from both classic and contemporary spiritual writings *Resources for Preaching and Worship* complements the lectionary readings for Sundays and important festival days in the church's year Biblical and thematic indexes are included *Daughters of Sarah*, 1992 **Praying with Visionary Women** Bridget Mary Meehan, 1999 Here is a summons to pray with twenty great women of faith from Hildegard of Bingen to Dorothy Day Brief biographies are followed by commentary prayer experiences questions for reflection and suggestions for action Meehan brings these women to life allowing their example to inspire encourage and empower you Meet women who will change your life and enrich your spiritual journey with new possibilities of self discovery wisdom creativity and friendship Reminding us that abundance is all around us and challenging us to make a difference this book is filled with stories of visionary women with whom we can share the longings that lie deep within us for divine love deep tranquility and human intimacy **Time Apart for My Soul** Mary Zimmer, 1998 This book offers teachers and other seekers a daily reading for reflection Taking time
