**At Sister Anna's Feet** Eileen O'Toole, 2010-04-15 Eileen O'Toole has written a frank and brave memoir about her years as a nun and her fearless decision to leave the convent Every pre Vatican II Catholic woman will identify with her story O'Toole opens the door so all can see behind the walls and into the inner life of the convent Her story is the stuff of fiction but all too true Everyone who reads this book will be greatly moved and cheer for the young nun with the big dreams Patricia Eisemann publishing executive Eileen O'Toole has written a true life tale that will make your spirits soar This is required reading for anyone looking to keep the faith while making a difference in the here and now Denis Hamill author of Fork in the Road Spurred on by her Irish Catholic upbringing in the 1950s Eileen O'Toole decided to enter the convent and become a nun at the young age of eighteen Almost immediately she ran smack up against rules regulations and arcane practices that ran counter to her free spirited nature Deciding this life was not for her she tried to escape not once but three times in the first year During the second year in the novitiate she was assigned to a mission where she would meet the person who would change her life forever There the elderly mother superior Sister Anna taught her how to develop her true spiritual self As the years passed her work taking care of those who lived in the poverty stricken Brooklyn neighborhood of her parish and beyond brought her much joy and solidified her commitment to being a nun However all that would change when she was reassigned to a wealthy parish on Long Island No longer allowed to attend to the poor her life in the convent became unbearable She knew the only way she could be true to herself and to the mission instilled in her by Sister Anna was to escape But the decision was a lot easier than the deed The Primitive Methodist Magazine ,1879 **Woman Through the Ages** Ann Merivale, 2022-07-29 Did you know that the first named piece of writing was the work of a Sumerian woman in approximately 2085 BC while the world's first novel was written by a Japanese woman in the eleventh century Or that Hildegard of Bingen the great twelfth century Abbess writer and composer defied the Church's traditions by viewing feminine sexuality as a gift of God Or that one of China's most powerful Emperors was a woman These are but a few examples of the facts in this autobiography with a difference Woman Through the Ages Author Ann Merivale a deep memory process therapist has used previous lifetimes in her own history to illustrate the roles we all play in preparation for returning to the source whence we've come Skilfully weaving her personal story into each area and time period covered Merivale highlights the injustices wrought on women for centuries as well as their many achievements Woman Through the Ages gives a fascinating and comprehensive picture of womanhood through the ages and concludes that the time for equality and greater respect for feminine energy is finally arriving Mythical and Legendary Narrative in Ovid's Fasti Paul Murgatroyd, 2017-07-31 This book analyses the mythical and legendary narratives in Ovid's Fasti as narrative and concentrates on the neglected literary aspects of these stories It combines traditional tools of literary criticism with more modern techniques taken especially from narratology and intertextuality From a narratological viewpoint it covers important features such as aperture closure

characterization internal narrators description space time and cinematic technique On the intertextual level it examines the narratives complex relationship with Virgil Livy and Ovid s own earlier works Recent criticism on the Fasti has addressed various elements religious historical political astronomical etc but detailed narrative study has been wanting This book fills that gap to provide a more informed and balanced appreciation of this multifaceted poem aimed at classicists and literary critics in general for whom all the Latin is translated
