Sisters Around The World The Global Struggle For Female Equality:

Sisters Around the World Trudie M. Eklund, 2004-04-26 *Sisters Around the World* based on author Trudie M Eklund's extensive travels is a diverse compilation of the gender specific struggles of women among the many diverse cultures around the world. Through providing an in depth examination of both the triumphs and tribulations of women around the globe, this book brings new awareness to gender inequality and promotes greater understanding of ethnic diversity. Clashing Views on Social Issues Kurt Finsterbusch, 2007-04 This EXPANDED Fourteenth Edition of *TAKING SIDES SOCIAL ISSUES* provides two additional current controversial issues. All of the issues are presented in a debate style format designed to stimulate student interest and develop critical thinking skills. Each issue is thoughtfully framed with an issue summary, an issue introduction, and a postscript. An instructor's manual with testing material is available for each volume. *USING TAKING SIDES IN THE CLASSROOM* is also an excellent instructor resource with practical suggestions on incorporating this effective approach in the classroom. Each *TAKING SIDES* reader features an annotated listing of selected World Wide Web sites and is supported by our student website www.mhcl.com online.

For the Many Dorothy Sue Cobble, 2024-12-10 A history of the twentieth century feminists who fought for the rights of women workers and the poor both in the United States and abroad. *For the Many* presents an inspiring look at how US women and their global allies pushed the nation and the world toward justice and greater equality for all. Reclaiming social democracy as one of the central threads of American feminism, Dorothy Sue Cobble offers a bold rewriting of twentieth century feminist history and documents how forces, peoples, and ideas worldwide shaped American politics. Cobble follows egalitarian women's activism from the explosion of democracy movements before World War I to the establishment of the New Deal through the upheavals in rights and social citizenship at midcentury to the reassertion of conservatism and the revival of female-led movements today. Cobble brings to life the women who crossed borders of class, race, and nation to build grassroots campaigns, found international institutions, and enact policies dedicated to raising standards of life for everyone. Readers encounter famous figures including Eleanor Roosevelt, Frances Perkins, and Mary McLeod Bethune, together with less well-known leaders such as Rose Schneiderman, Maida Springer Kemp, and Esther Peterson. Multiple generations partnered to expand social and economic rights, and despite setbacks, the fight for the many persists as twenty-first century activists urgently demand a more caring, inclusive world. Putting women at the center of US political history, *For the Many* reveals the powerful currents of democratic equality that spurred American feminists to seek a better life for all. The Routledge Global History of Feminism Bonnie G. Smith, Nova Robinson, 2022-02-21. Based on the scholarship of a global team of diverse authors, this wide-ranging handbook surveys the history and current status of pro-women thought and activism over millennia. The book traces the complex history of feminism across the globe, presenting its many identities, its heated debates, its racism, discussion of religious belief and values, commitment to social change, and the struggles of women around the world for gender justice. Authors approach past understandings and today's evolving sense of what feminism or womanism or gender justice are from multiple viewpoints. These perspectives are geographical to highlight commonalities and differences from region to region or nation to nation; they are also chronological, suggesting change or continuity from the ancient world to our digital age. Across five parts, authors delve into topics such as colonialism, empire, the arts, labor, activism, family, and displacement, as the means to take the pulse of feminism from specific vantage points, highlighting that there is no single feminist story but rather multiple portraits of a broad cast of activists and thinkers. Comprehensive and properly global, this is the ideal volume for students and scholars of women's and gender history, women's studies, social history, political movements, and feminism.

Speeches that Changed the World Simon Sebag Montefiore, 2015-05-12. Speeches that Changed the World presents over 50 momentous and thought-provoking speeches from throughout history. Complete with a brief biography of each speaker and telling the story of why each oration was significant and what happened as a result, this is a gripping history of the world told through its greatest and most impassioned speeches. Comprehensively updated with many new speeches, including Earl Spencer's lament to the extraordinary and irreplaceable Diana, Nikita Khrushchev's secret speech of 1956 signalling the beginning of the end of Stalinist Russia, Patrick Pearse's rousing funeral oration that fanned the flames of the Easter Rising, Kevin Rudd's historic apology to Australia's mistreated Aborigines, and Barack Obama's momentous US election night victory speech. Alongside these are the finest war cries of Winston Churchill, Martin Luther King's prophetic 'I have a dream' and 'I've seen the promised land' speeches, the inspiring words of JFK and impassioned pleas from Nelson Mandela, the first at his trial in 1964 and the second on his election as president of South Africa in 1994. In addition are historic speeches from Elizabeth I, Charles I, Oliver Cromwell, George Washington, Napoleon Bonaparte, Abraham Lincoln, Emmeline Pankhurst, Mahatma Gandhi, Vladimir

Lenin Neville Chamberlain Adolf Hitler Joseph Stalin Franklin D Roosevelt Charles de Gaulle General George S Patton J Robert Oppenheimer Mao Zedong Malcolm X Richard M Nixon Pope John Paul II Vaclav Havel Elie Wiesel Mikhail Gorbachev and many other great historical figures **Female Well-Being** Carolyn Fluehr-Lobban, Janet Mancini Billson, 2013-07-04

Matthews,Alex Channon,2016-04-29 This volume offers a wide reaching overview of current academic research on women s participation in combat sports within a range of different national and trans national contexts detailing many of the struggles and opportunities experienced by women at various levels of engagement within sports such as boxing wrestling and mixed martial arts

Contesting Justice Ahmed E. Souaiaia,2010-03-10 Contesting Justice examines the development of the laws and practices governing the status of women in Muslim society particularly in terms of marriage polygamy inheritance and property rights Ahmed E Souaiaia

argues that such laws were not methodically derived from legal sources but rather are the preserved understanding and practices of the early ruling elite Based on his quantitative linguistic and normative analyses of Quranic texts and contrary to the established practice the author shows that these texts sanction only monogamous marriages guarantee only female heirs shares and do not prescribe an inheritance principle that awards males twice the shares of females He critically explores the way religion is developed and then is transformed into a social control mechanism that transcends legal reform gender sensitive education or radical modernization To ameliorate the legal political and economic status of women in the Islamic world Souaiaia recommends the strengthening of civil society institutions that will challenge wealth engendered majoritism curtail society manufactured conformity and bridle the absolute power of the state *The Global Women's Movement* Peggy Antrobus, 2004 Of all the great social movements of the twentieth century it is the women's movement that looks set to continue to shape the course of social progress over the next generation This overview of the international women's movement by the well known feminist activist Peggy Antrobus asks where are women now particularly in the Third World in the struggle against gender inequality What are the issues from poverty to sexual and reproductive health to the environment that they face in different parts of the world What challenges confront the women's movement and what strategies are needed Rooted in the author's long experience in seeing these movements in a changing national and global context over the past decades this intervention will prove an invaluable aid to reflection and action for the next generation of women as they carry through the unfinished business of women's emancipation *Teaching for Diversity and Social Justice* Maurianne Adams, Lee Anne Bell, Pat Griffin, 2007-05-11 For nearly a decade *Teaching for Diversity and Social Justice* has been the definitive sourcebook of theoretical foundations and curricular frameworks for social justice teaching practice This thoroughly revised second edition continues to provide teachers and facilitators with an accessible pedagogical approach to issues of oppression in classrooms Building on the groundswell of interest in social justice education the second edition offers coverage of current issues and controversies while preserving the hands on format and inclusive content of the original *Teaching for Diversity and Social Justice* presents a well constructed foundation for engaging the complex and often daunting problems of discrimination and inequality in American society This book includes a CD ROM with extensive appendices for participant handouts and facilitator preparation **Still Lifting, Still Climbing** Kimberly Springer, 1999-08 *Still Lifting Still Climbing* is the first volume of its kind to document African American women's activism in the wake of the civil rights movement Covering grassroots and national movements alike contributors explore black women's mobilization around such areas as the black nationalist movements the Million Man March black feminism anti rape movements mass incarceration the U S Congress welfare rights health care and labor organizing Detailing the impact of post 1960s African American women's activism they provide a much needed update to the historical narrative Ideal for course use the volume includes original essays as well as primary source documents such as first hand accounts of activism and statements of purpose Each

contributor carefully situates their topic within its historical framework providing an accessible context for those unfamiliar with black women's history and demonstrating that African American women's political agency does not emerge from a vacuum but is part of a complex system of institutions economics and personal beliefs This ambitious volume will be an invaluable resource on the state of contemporary African American women's activism The Faces of Human Rights Kasey McCall-Smith, Jan Wouters, Felipe Gómez Isa, 2019-05-16

As human rights discourse increasingly focuses on analysing states and the institutions that promote and support the human rights machinery that states have created this volume serves to recall that despite the growing size of the machinery and unwieldy nature of states human rights began with real people It samples a broad range of actors and localities where everyday people fought to ensure that the basic principles of human rights became a reality for all This volume will give a face to the everyday people to whom credit is due for shaping human rights It also responds to the perennial question of how to begin a career in human rights by highlighting that there is no single path into this dynamic field a field built on the back of small initiatives by people across a broad spectrum of career paths Handbook of Social Justice in the Global South Nikhil Deb, Manjusha Nair, Glenn W. Muschert, 2025-03-12

This timely Handbook explores social justice in the Global South in an era of planetary crisis and shifting global dynamics Presenting the Global South as a space of belonging and resistance to the hegemony of global capitalism it identifies how to reimagine transformative futures for a just world **The Unseen Hatred** Pasquale De Marco, 2025-08-15

In the annals of true crime few cases have captivated and horrified the public like that of the Papin sisters Their story is a twisted tale of class gender and violence that continues to fascinate and disturb to this day This book delves into the depths of this notorious crime exploring the lives of the Papin sisters the events leading up to the murders and the aftermath of their horrific act The Papin sisters Christine and L a were born into poverty in France in the early 20th century They grew up in a dysfunctional family marked by violence and abuse As they grew older the sisters found work as domestic servants for a wealthy family in Le Mans The household was a microcosm of the class and gender inequalities that were rampant in French society at the time The sisters were subjected to long hours low pay and constant humiliation by their mistresses As the pressures of their situation mounted the Papin sisters began to exhibit signs of mental instability They became increasingly withdrawn and isolated and their behavior became increasingly erratic In February 1933 their simmering resentment and anger boiled over into a violent eruption The sisters brutally murdered their mistresses Madame Lancelin and her daughter Geneviève in a frenzied attack The trial of the Papin sisters was a media circus The public was eager for blood and the sisters were quickly convicted and sentenced to death However their sentences were later commuted to life in prison The sisters spent the rest of their lives behind bars dying in prison in 1937 and 1942 respectively This book explores the Papin sisters story in depth examining the social psychological and historical factors that contributed to their crime It also considers the legacy of the Papin sisters and the lessons we can learn from their tragic tale This book is a must read for anyone interested in true crime

social history or the psychology of violence If you like this book write a review
