Sisters Devoted Or Divided:

Sisters Susan Shapiro Barash, 1994 **Reader's Guide to Women's Studies** Eleanor Amico, 1998-03-20 The Reader's Guide to Women's Studies is a searching and analytical description of the most prominent and influential works written in the now universal field of women's studies. Some 200 scholars have contributed to the project which adopts a multi-layered approach allowing for comprehensive treatment of its subject matter. Entries range from very broad themes such as Health General Works to entries on specific individuals or more focused topics such as Doctors **The Sister Knot** Terri Apter, 2015-05-27 The best book on sisters very important and beautifully written Carol Gilligan author of *In a Different Voice*. This substantial contribution to the literature on sibling relationships Library Journal explores the intricacy friction and love in bonds between sisters. Relationships between women are often freighted with a rocky mix of emotions devotion and disregard affection and loathing admiration and envy leading to anguish and confusion on the playground in the home and in the boardroom. Negotiating her layered feelings toward a sister shapes a woman's psychology as forcefully as do her relationships with her parents. Drawing on compelling interviews and new research Terri Apter considers the many aspects of the sister relationship from birth through adulthood. The need to fight to differentiate oneself from a sister as well the protectiveness one feels for that same person is explained by reference to extensive psychological and biological evidence.

No Friend Like a Sister Jenny Neale, 2004 Publisher description **The Nine Phases of Marriage** Susan Shapiro Barash, 2012-09-18 From the author of *Toxic Friends* a groundbreaking look at how to understand your marriage and create a more satisfying relationship. Every marriage goes through nine phases. It is only by understanding the course our marriages run that we can truly begin to craft the perfect relationship. In *The Nine Phases of Marriage* Susan Shapiro Barash breaks down and analyzes these phases which are Phase One Passion and Longing Phase Two Conforming The Perfect Wife Phase Three Real Life Child Centricity Phase Four Tension One Bed Two Dreams Phase Five Distance Two Beds Two Rooms Phase Six Fracturing Midlife Divorce Phase Seven Second Chances Remarriage and Renegotiating Phase Eight Balance Concessions Phase Nine Successful Coupling. With this essential knowledge spouses can successfully navigate the natural pitfalls and perils of their marriages and embark on a true partnership **Forced to Be Family** Cheryl Dellasega, 2007-09-28 You can survive the kitchen wars and live in peace with your family. My sisters in law couldn't stand me. I was really hurt when my kids weren't mentioned in their grandmother's obituary because they weren't full-blooded family. My mom is always giving advice always telling me to do such and such when she doesn't do it herself. If my husband and I have a fight she takes his side. My sister did call me a week later to apologize but proceeded to tell me everything that was wrong with me my husband and my children. Sound familiar? There's nothing new or unusual about conflict between mothers sisters and other female family members but that doesn't make it any less painful or destructive. Adding to the hurt of relational abuse within the family is the permanent nature of the relationship: you can sever relations with an abusive friend but you can't stop being

the sister daughter niece of an abusive relative Does that mean that there s no way out In *Forced to Be Family* you ll discover how to determine whether a female family member is being abusive recognize the sources of that abuse and break the vicious cycle that keeps the abuse alive You don t have to choose between accepting abuse and making a scene This insightful reassuring guide gives you the strategies and understanding you need to reestablish warm and loving relationships with the women who will always be closest to you **The New Wife** Susan Shapiro Barash,2004 **Tripping the Prom**
